Thade's Bio

Thade was known far and wide for his great knowledge and his great knowledge is what

Drove him into madness. He knows everything about history from the beginning of time

Tablet ever known. But the library is in his castle and he hates visitors in fact if you fiddle

With his name a bit you can spell death. And that's what you'll get when you enter his

Castle your Death. He never helps people! But, in the old days people would come all

Over the world to bring him puzzles and hoping to stump him but that was before he

Went in to madness. So even if you get a chance to talk to him he'll never help you. He

Can pick up, move, or destroy anything with his mind. So if I were you I'd stay away from

His castle.
