## 1 - Whats going on?

Naruto, Sasuke, and Shikamaru were standing in front of the bed and they start talking "shhhh. Don't wake her." shika said. "I wonder what's on her hand?" sasuke asked "She always puts her hand under the pillow so no1 knows."he added. I start to turn and say things like "No! Grace you can't have it! I haven't taken it of since he put it on my neck!" Then they start to get worried and naruto states "She's used her mind reading justu on me so many times that I can use it now, so grab my arms and we can all use it." they do as he says and he preforms the justu, he shouts "Mind Reading Justu" before he places two fingers on my forehead. Now on to the dream.

### **3 - The Night Club**

“Why did I have to come, Naru? I mean it's not like I'm going to drink.” I say trying to figure out why I had to go to the Night Club with Sasuke, Kiba, and Naruto. “Because we thought you would have fun.” Naruto says trying to make up something in his head.

>>Later at the The Night Club

stop their constant flirting. "Yeah, sure." he said as he tried to stop from blushing and it worked mostly, but I could see he was trying hard to stop it. "Then come on." I grabbed his shirt and started dragging him over to the back of the cafe. "Would you stop flirting with her, please! I mean it's hard enough to sit next to her! I don't want to hear you two making out and stuff!" I said throwing him against a wall. "We weren't making out!" He said trying to keep his balance. "Trust me. I know when a girl is about start trying to make out with someone and you wouldn't stop her." I said getting a little ticked. "Do you know when a boy is about to start making out with someone?" He asked. "No! How would I know when a boy is about to start making out with someone! I'm not a b-" He interrupted by pushing me against a wall and started to kiss me. At first I tried to push him away, but then I returned the kiss. He ran out of breath quick and pulled away for air. "What the hell was that!?" I said as soon as he pulled away. "Well, I don't know, just felt like kissing you since well I've had a crush on you for a long time. So I've heard you have a crush on three people. Who are they? Is one of them me?" He asked grinning. "One is well, who do all the girls have a crush on?" I said. "Sasuke, thats easy." Shikamaru said sort of angrily. "I don't like him because he's hot like all the other girls think. I like him cause he's like me doesn't let his fans in the way of his goal."(just in case you don't know already she has thousands of fans and she thinks that boys are way worse than girls). "Oh, yeah right." Shikamaru said sarcastically. "You'd better not do that again. If you know whats good for you." I said playfully, "You can probably guess the other one just by this statement: he loves Ramen almost as much as me."(just so you she is more crazy about ramen than naruto). "Naruto thats easier than Sasuke." Shikamaru said laughing slightly. "And the last person everyone calls a lazy @\$\$. " I said putting my arm around Shikamaru's neck and started dragging him out of the back. "ME!!!! Sweet! Maybe I should." He paused and looked around to make sure no one was around to hear. He grabbed my arm and spun me around and whispered in my ear, "Maybe I should dump Temari for you. If it's okay with you." I push his arm away. "No." I stated simply . "Why you said that I was one of your only three crushes. Don't you want to be with me?" He asked trying to force me back to the back of the cafe. I got my arm out of his grip. "There is someone else." I walked away. The rest of the day was a blur. Except the part where I insulted Sasuke and ended up on my belly with Sasuke sitting on me saying, "Now, Maybe you'll say sorry." Then after I replied "Nope, don't feel like it." Probably fifty times he finally tied my my hands together and expected me to stay on the ground till I apologized. I slipped my right arm down and grabbed a kunai knife and cut the ropes (which was pretty hard since I'm left handed.)

## 5 - Surprise

“So when is the party? And who's it for?” Naruto whispered to Sasuke. “It's for Yen. She's turning 15 and you have to be there at 5.” Sasuke whispered back. “Tell Shikamaru. She would want him to come.” Sasuke added quickly. “SASUKE! NARUTO! I'M STILL TRYING TO TEACH CLASS!” Iruka yelled at them. “Sorry!” Naruto said back. >>later at 5 o'clock at my house

## 6 - The Party

"Truth or Dare." Leah said to me thinking of games to play. "NO!" I yelled back. "Come on! It'll be fun. And Naruto is here." Leah said trying to make me play. "Shut up, Lea! I don't want him to her you!" I yelled at her for saying his name. "And fine, but please I'm begging you. Don't make me have to kiss him." I added quickly. "I won't." She said grinning fiercely. "So, who's first?" Ino asked looking happily at Sasuke. "Banna, it's her birthday." Leah said as she sat down. "Okay, umm...Lea, truth or dare?" I asked. "Dare!" She yelled signaling me to make have to do with Sasuke. "Umm...I dare you to...Make out with Sasuke!" I said trying to make her happy. Sasuke looked at me like he was trying to say thank you. She walked over to Sasuke and pushed her lips onto his. The kiss continued for about a minute or so, then they both pull away gasping for air. "Okay, Naruto truth or dare?" She said walking back to were she was sitting. "Dare!" He screamed excited. "Umm...I dare you to give Sakura a Swirly." Leah said looking at Sakura evilly (just so you Leah hates Sakura). "Okay." Naruto said shaking. They walk into the bathroom and they come back Sakura is drenched. "I hope your happy! That swirly just ruined my new silk dress!" Sakura yelled at Leah. "Yes, I'm very happy." She said. "Neji, truth or dare?" Naruto asked. "Dare!" Neji said while getting ready to kiss. "I dare you to make out with a wall!" Naruto said. "You do know I hate you Naruto." Neji said turning to the wall. He turned around after a about a minute and everyone started laughing. "What?" Neji said. "I don't back out of a dare." he added. I almost fell out of the chair I was sitting in. "Banna, truth or dare?" Neji said about to punch Naruto. He won't dare me to kiss Naruto. Would he? Well, I'll know in just a second. I thought thinking of what to choose. "Dare." I said not remembering that Leah was sitting next to Neji. She leaned over and whispered in his ear. "Really? It will embarrass both of them?" Neji asked as soon as she leaned back to her spot. "Yes." was all she replied. SH\*T!!!! SHE TOLD HIM TO DARE ME TO KISS NARUTO!!!!!! I screamed in my head. "I dare you to let Naruto go over there and make out with you!" Neji said looking at both of us. Naruto came over and sat down. I blushed and turned my head away to look at Leah before he kissed me. "YOUR SO DEAD, LEA!!!!!!!" I screamed at her, then Naruto turns my head and then started to make out with me. I was surprised at first but, then returned the kiss. "OH MY GOD!" Yenia screamed as she opened the door. "And I thought she was shy when it came to relationships." she said walking to the couch. "Oh, and sorry I'm late!" she said as she sat down. Me and Naruto pull away gasping for air after two minutes. "Soooooo? How was it?" Leah said grinning. "Probably the best kiss I've ever had." I said. "So, Sasuke, truth or dare?" I asked as Naruto reluctantly got up and sat down at his spot. "Truth." Sasuke answered. "Come on! Sasuke don't be a scaredy cat!" I yelled at him. "Fine, dare." Sasuke said frowning. "I dare you to kiss Yenia for at least a minute." I said trying to torture Sasuke. "I'm okay with that." Yenia said excitedly. Sasuke got up and walked over to her and started to kiss her. We waited and after two and a half minutes they pulled away for air. "Shikamaru, truth or dare?" Sasuke asked walking back to his spot actually smiling. "Truth." Shikamaru said. "Is it true that the day we rented out the cafe, when Banna dragged you to the back, you kissed her?" Sasuke asked. "How'd you know that happened?!" Shikamaru asked. "It did happen! I was just making something up, but thanks for the info! I'll make sure to tell Temari." Sasuke said laughing his head off. "Yenia truth or dare?" Shikamaru said almost turning around and punching Sasuke. "Dare!" She said happily. "Oh no! It's 7 o'clock! I promised my mom to help her at the shop got to go!" Ino yelled as she ran out the door. "I dare you to prank call your sensei." Shikamaru said calmly. "Okay!" Yenia runs into the kitchen and grabs the phone and ran back in the room. She dialed the number. "Is this Kakashi Hatake?" She asked. "Yes, who is this?" He asked. "Congrats! You won a free trip to America! Go to

the Hokage's office to claim your prize!" She said holding back the urge to laugh. "Get off the phone Yenea." He said calmly. "Okay Sensei." She said sadly. "Okay, Sakura truth or dare?" She asked. "Dare!" She said. "I dare you to send Itachi a love letter!" Yenea said happily. Sakura blushed and grabbed a laptop and wrote Itachi a love letter that said:

Dear Itachi,

I love you. I wish you could know who I am, but you can't. So please don't look for me.

Love ya,

Secret admirer

and pressed send. We all started laughing when we saw that Itachi was on line and IM her and said Who are you? She blushed to see he returned the E-Mail. She quickly closed down the Internet and shut the laptop. Sakura glanced at the clock. "9 'o clock! I gotta go!" Sakura said running toward the door. "I guess I should go too. Don't want my step dad to get worried!" Leah said. "I should go too." Yenea said. "I hope I don't get in trouble for being late!" Neji said. "My mom will have me whipped if I don't get home soon." Shikamaru said lazily. "I guess I should leave too." Sasuke said walking away. "I'll stay. Just so the rest of your birthday doesn't get ruined!" Naruto said hopping off the couch. "Okay." I said shutting the door.
