Chapter 1 - A Dream

1 - A Dream

It all must be...a dream.
It cannot be real.
Did I really do such a thing?
A dream I tell you,
It MUST be a dream.

I sing the song of
self praise,
which I never do.
This is why it must
be a dream.

Will it all work out
this one time?
Or shall I be messed
with once again?
A dream....

I dream it must be.
I am scared and alone
through all of this,
Will I finally have
someone to love me?

If that be the case,
may it not be a dream,
a dream I tell you.
