2 - cameron gives a confession

cloe's p.o.v

I woke up this morning to my friend Cameron taping me then he said "get up and get ready for school we will be late" then I said "its only 7:30" then I sat up and stood up then he blushed and looked down then I remember I was wearing a green tank top and booty shorts I screamed and ran to the bathroom and said "you could've looked away" then I got my clothes and then I went back into the bathroom and took a shower then I got out and got dressed blow dried my hair put on my make up and brushed my teeth then my hair I curled it in long loss curled and then I got dressed in a red undershirt with a black tank top and black super skinny jeans then my black fake fur boots then I went out of my bathroom and said "ok lets go" then he said "ok" then we passed my mother and father then I pulled his arm and I accidently felt his muscles I blushed and let go of his arm then I went and we got in the car when we got to school we went to our lockers and found yasmin, eitan, jade, Dylan, Sasha and koby.

Cameron's p.o.v

when we got to the others we all said "hey guys" they said hi well except for Sasha and koby then we said "did we say something wrong" then they said "no its because of them" then we turned and Dustin and his group were walking toward us then he said "cloe their you are" then she said "I thought I told you where I was going to be" then he said "cloe can I talk to you alone" then they went to his locker I said "I frackING HATE DUSTIN AND HIS LITTLE GROUP OF dogES AND BASTARDS they stoll cloe from me" then I heard gasps from yasmin, eitan, jade, Dylan and then they said "do you like cloe" then I said "no I love her" then they said "their is something weird going on between Dustin and Alaska" then I said "I know but what" then Sasha said "I already caught them doing things behind the school" then she took her phone out and showed me a picture of them smoking and kissing behind the school then I grabbed Sasha's phone and threw it on the ground then she said "HEY YOUR BUYING ME A NEW PHONE CAMERON" then I said "sorry Sasha" then she said "its ok they almost did the same thing we just don't want to see her get hurt she is like our sister.

after school

Dustin's p.o.v

I walked out of school with my group and saw cloe giggling with Cameron and he was smiling I was mad then Alaska said "what wrong baby" then I said "nothing lets go" then

she rubbed my arm and said "why don't we go back to your house baby" then I said "ok" then we went to my car and I saw cloe get in Cameron's car then I left to my house with Alaska.

4 - cameron come's up with a plan

cloe's p.o.v

so after me and Cameron got in his car he said "so why do you wear red if you don't like the color" then I said "because it's Dustin's favorite color dose it look good on me" then he looked at me @\$\$ and said "yes" then I slapped him playfully then he smiled and then I said "so why don't you have a girlfriend yet" then he said "well actually I do like this one girl but she has a boyfriend and is one of my best freinds can I ask you a question cloe" then I said of course anything Cameron" then he said "how do I tell her" then she said "just tell her if she is nice she will love you back and if she is a dog then she is really not worth your time Cameron so if she doesn't like you back then find another girl but one thing is why wouldn't she I mean your a nice sweet funny awesome guy any girl would be lucky to have you Cameron and that is the truth" then he said "you really think that" then I said "I know that"

Cameron's p.o.v

after cloe went home I said "I will kiss her and hope not to get slapped then I will drive her home and then leave her go inside then I will room home and cry my self to sleep then go on with my life like it never happened" after that I went to my room and went to sleep

5 - cameron kisses cloe

next day

Cameron's p.o.v

me and cloe were hanging out at the park then I thought go for it then she turned and I kissed her lips and she was shocked then I pulled away and said "cloe I love you" then she stood there in shock and then we went to my car when we got to her house I think she was done being in shock then I said "ok I totally understand if you want to slap me right now you can" then she did something I didn't expect she crawled over to me and she kissed me back and then I put my arms around her waist then kissed her back and then she started French kissing then she pulled away and then got her phone and got out of the car and ran inside with out another word when I got home my step brother and best friend eitan was there and I shut the door then started thinking of how soft her lips were and I knew I had to kiss her again.

cloe's p.o.v

so I was texting Dustin then Sasha texted me and said "cloe you will be hurt but I'm sorry I caught Dustin and Alaska doing this behind the school" then I looked at a picture it was of them smoking and kissing then I was mad so I texted Dustin "WERE OVER YOU CAN HAVE YOUR LITTLE dog" then I saw Cameron by my bedroom door and he said "listen cloe I'm really sorry for yesterday I wasn't thinking" then I got up and went over to him then I cut him off and then I kissed him and he was shocked at first then he kissed back and put his arms around my waist then I said "I don't want Dustin anymore" then he said "who do you want then" then I said "you Cameron" then he kissed me harder then we started making out on my bed

Cameron's p.o.v

me and cloe have been making out for an hour then we stop and I say "cloe will you be my girlfriend" then she said "yes" then we kiss again after that I went home and went to sleep.
