A poem I made a while back that kind of reflects the ignorance and corruption of this world.

1 - Lost and Forgiven

Lost and Forgiven

Forgive me Father

For I know not what I do

Forgive me lover

For not being what you wanted

Forgive me world

For not being one of "them"

Forgive me friends

For always being there for you

Forgive me heart

For believing in love

Forgive me parents

For begging for your forgiveness

Forgive me Father

For I am cold and lost

Forgive "them" Father

For they know not what they do
