**Chapter 1 - leave me alone**

**2**

# 1 - leave me alone

A new face of evil has taken over  
This new face will last forever  
You think I'll stay chained up this way  
But you can wait until that day  
When ill break free and cause you pain  
Upon these lives your murders claimed

Ill tie you up with heavy chains  
My claw will soon be stained  
By your filthy blood I will sustain  
My revenge it hungers  
For the likes of you  
You claimed my life  
Now ill claim you

As your blood drops down you skin  
You will see you forever sin  
Keeping me here in this place  
My powers lay forever incased  
In my body and mine alone  
No one can take it  
So leave me alone
