0 - Itachi Uchiha

July 9 , 2000

I sat on my bed my black eyes looking down . I turned seven today and mother had my little brother sasuke in 1998 . That four year old keeps following me around ...

My name Itachi Uchiha . Age seven , hair color black ; eye color black . I live in the village hidden in the leaves and my clan is the uchiha clan .

Why does sasuke get so much more than me ? No i shouldn't think things like that . That will be my down fall someday . Little brother why have you caused me to think like this ?

Brother can you play with me ?

Fine , i sighed .

After an hour , i went down to the lake to practice some of my justus . Brother i have a feeling you will hate me and want to kill me , till then i must sit in my sorrow filled home

1 - I'm a genin at last

Two years passed and i turned , eight . Sasuke was six . I still don't get why sasuke gets more stuff than me . All father cares about is me becoming a genin . well he will be happy today , i'm a genin .

Father !

I passed i'm a genin now .

Good job , then he walked off .

What i do ?

Itachi , huh i looked over . God will that kid leave me alone ? Will you help me train ?

No , i have to train . Sasuke looked down sadly and walked away
