My legs wouldn't move , fine Arya you'll get double the pain . My legs moved and i slowly entered the room . Sasuke was covered in bruises and cuts . She fell on the floor to scared to move . Itachi took Sasuke pocket knife and sliced it across his back .

Arya's pov

I couldn't take it anymore , i began sobbing . Itachi glared at me and dug the knife across my back . I screamed in pain . More tears dripped down my face . "S-stop it itachi , Stop !!! " . He looked at me and pulled me up by the hair . He kicked me in the stomach which sent me onto the balcony doors shattering them . My body became numb i reached my limit on abuse . I tried getting up pain pressured me and I fell down . Sasuke looked at me with horror in his eyes .
