Sasuke woke in a small cell . Every bone in his body ached from pain , worst of all he was bound up with rope and gagged . He fell back asleep from the pain . Sasuke woke up he was sitting up on a bed . Where the hell am i he thought. A door opened , " Is he the one they needed to test ? "

"Yeah. "

He looked at the man worried , he wanted to get up and leave but his feet were held down by shackles . He writhed from the pain in his bones. "So whats your name little boy?" he said with a smirk.

"Thats not your - "

"You refuse to give me your name . Fine with me . He pulled out a small white feather . Sasuke shivered as the soft feather touched his stomach .

"D-do i have to tell you my name?" The man replied with no words but went down to his sandals . N-no not there please not there . He thought about it for a second then he replied " I'll be back " . He slammed the door shut . Sasuke wanted out of this place . I want out he thought . He pulled against the shackles . He soon gave up and layed on the marble table. Then he noticed large screams of laughter from the other room .

Is that naruto? he asked himself . He became more worried as the hours passed . The door opened and a young girl brought food in . He looked at the food and noticed how hungry he was . He ate quickly then fell asleep . He woke by a loud slam of the door opening ...

The man that had came in earler was back . He moaned the looked at him . "What do you want with me ? " he asked .He nearly just said Name " . Sasuke gulped , waiting whatever he would do to him . He went to his feet and pulled off his sandals. He went over to the door shut it and locked it . He unbolted his shackles and got two sets ready . Sasuke stayed were he was , he was scared . Fine i'll get you over here . " He pulled sasuke over locked the shackes in place .

"Let me go please!" he struggled with the restrains .

"No. You need to be tested, now give me YOUR NAME!!"

Sasuke's body shocked in the restraints . His breathing became heavy and he wanted this man to go away . He pulled out a small soft feather and stroked it across the top of his foot . Sasuke couldn't bear the pressure to laugh , it was a reflex . He frantically moved in the restraints trying to break free . His eye twitched if this goes on for a while i'll crack . The man smirked as he struggled. "Now you will now tell me your name or-"

"Sasuke!!!" , he shouted out he couldn't bear this anymore .

"Good child." he turned and left the room. Sasuke sucked in his breath nervously . He looked around then heard faint laughter of naruto again . A man about eighteen or nineteen walked in . He had gray hair, black eyes and glasses. Is that Kabuto ?

Sleep he sprayed something in the room. What is thi-s-sss.....? His head banged on the marble and he passed out . Sasuke woke up feeling his hands chained upward . His under-arms were completely open , he didn't like this one bit . His legs were free but not his hands . He heard the door open again . Oh god no, not him . He pulled at the chains .

"Trying to get out Sasuke?" said the man. "It will make it worse if you struggle." He looked at him with disbelief and stopped moving . He walked over to sasuke; held something in his hand. Open he held the gag up to his mouth . He refused to open his mouth . He stroked the back of his ear, sasuke let out a small laugh . He stuffed it into his mouth when he did. Let me go. he thought. Just let me go.

"Now time to test where you're weak." the man said smirking. He stroked his finger across his stomach gently. Sasuke couldn't help it anymore, he burst out in laughter. "GGMMMFFF!! MPPH! MPPPH!" he laughed into the gag drying his mouth out . It seemed he knew where all his weak points were . He stroked over his arch on his foot , it brought him into helpless laughter. He coughed up the gag.

The man smirked as he laughed helplessly .

"AAHAHAHAHAHAHAAHHEEEHEHEEHEEHAHAHAHAHA!!!AHHHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAHAH  
AHHHAHAHAHAHAHAHAHAHAHHHHHHHHHHHAH  
AHAHAHAHAHAHAHA~::~~::~!!! STAAAAAAHAHAHAAP!!AHA  
AHHHA  
AAAAAAAHAH!!!"

"Age, Sasuke?"

"Thirteen...." he said out of breath. The man walked out again. What is he trying to do? Kill me? He leaned on the wall breathing heavily.

"I hope I get a break from this." A teen girl about his age walked in . Her eyes were shut and her breathing heavy."

Stay in there yelled the man. The girl stuck out her tongue then looked at sasuke.

"W-who are you?" she said shakly.

"Sasuke Uchiha and you?" he asked.

"A-Arya..... I have a friend here. In this place, you're lucky they haven't killed you. "They tickle torture here and your lucky you make it out alive." Sasuke's face flushed and lost it's color .

"What kind of weapons do they use here?" he asked, his face loding more color,

"Feathers, stocks, shackles, chains.....Dark ages stuff. I've been caught six times around here and escaped." Sasuke gulped and fell asleep. They put something in his food. Sasuke woke again and he found Arya was gone. He sat up and saw the door was open, he took the chance and ran out of it . He soon found the exit and got out.

"Something isn't right..." he thought. He looked around he wasn't outside at all . It was a chamber made to look like outside. He heard the door open.

"Hell no...Don't be him...." he thought worried. Sasuke dashed into a near by room hiding from the danger. Instead of the man before, there was a new person with a younger one. The older one had blonde hair and blue eyes and the other one had a mask on. They walked in and shut the door. Sasuke felt a shiver up his spine.

"Sasuke." said the older man teasing.

Sasuke froze in the spot. The blond man appeared without him noticing it. He felt something wrap around him before he blacked out. As he woke he couldn't move an inch. The blonde man played with his hair just seeming to be waitng for him to wake. Sasuke looked at the man and was frozen in fear. The man had a very large feather in his hands, he waved it over his foot. Sasuke struggled in the restrains and yelled.

"Hmm.....Maybe the dictator will release you." he said laughing. Sasuke, pulled at the restraints and screamed louder. He didn't even notice the feather had been removed as someone walked in. He twitched as he saw the person. It was the dictator....

"How's his process?" she asked the blonde.

"Good. He's been laughing for a while." he said.

Sasuke looked at the dictator and spat at the ground. She looked at him disgusted and whispered something to the kid in the mask. The kid in the mask grinned evilly as he closed in on Sasuke, waiting for the sign. Sasuke screamed as the man drew foward. His spidering fingers tiptoed along his ribcage, evilly forcing him to giggle like a little girl. The dictator left, while the kid continued, only to make him faint. Sasuke bucked hard against the table until he blacked out, frozen in fear....

...As he woke again, he was in pain. A man in a white mask stood there with a needle, waving it in front of him.

"Hello there, Sasuke..."

Sasuke said nothing, for he was too busy thinking of what was going to happen to him.

"Aww, what's wrong, Sasuke? Nervous?" the man taunted.  
Looking around, Sasuke nodded a little, finally catching his eyes at the sight of a door.

"If only I could move...." he thought.

The man in the white mask snapped his fingers to get Sasuke's attention. "I'm up here, kid. I hope you're not thinking of escaping, because it's not gonna happen."

"Dammit..." he said under his breath.

"What was that?" the man in the white mask asked.

Sasuke looked around once again, but suddenly, changed the subject. "Who are you?"

The man just looked at him, finally answering him. "Haku. My name is Haku. Now....Quit changing the subject and answer me. What did you say...?" he said, holding the needle he was holding up to Sasuke's face.

"Ummm.....I said, ummm....." Sasuke said, trying to think quickly. "Uhh, Nice....weather we're having...?"

"Oh, please. Don't think I haven't heard THAT one before..." Haku said, getting the needle even closer to Sasuke. "Now. Tell me the truth...What is it that you said, hmm?"

"Nothing." Sasuke said bluntly. "I said nothing....Don't I have the 'right to remain silent', anyway?"

"Not here, you don't. Now. I want the truth, and I want it NOW. WHAT DID YOU SAY?"

"And if I refuse?" Sasuke asked, smirking wisely.

Haku looked at him, saying nothing when finally, he took the needle and stabbed it into Sasuke's stomach.

"...THAT will happen."

Sasuke's eyes widened as he felt the needle pierce through his skin. "Ugh.....W-what does that thing do to me, anyway?"

The one in the mask simply said ".....You'll see soon enough."

Sasuke began to sweat, for he was worried about what was going to happen to him. Was he going to die from laughter? Was he going to stay in this dreaded place for the rest of his life? Why was everyone out to get him?

Finally, Haku began asking him the question again.

"What did you say?"

"Nothing! I said absolutley nothing!"

"Umm....no....?" Sasuke replied.

"Are you sure??" his torturer said, winking at him.

".....Yes?"

Sakura didn't believe him. She took his left foot and began rubbing her fingers up and down his sole. Watching in terror, he twitched a little which set Sakura off. "OH!! So you ARE weak here!!" she said, speeding up the tickling. Sasuke began wriggling, trying, once again, to break free. There was no hope. He was stuck there. Helpless giggles left his mouth as he shut his eyes as tight as he possibly could, trying to make it seem like Sakura wasn't there. It didn't work. He could still feel her presence, as well as her torturous fingers making their way across his arch. The giggles leaving his mouth soon turned into insane laughter, as it did before. The poor Uchiha gasped for breath as the laughter poured out.

"HEEHEEEHEHEEEHEHEHA! NO!! NO!! STAAAAAAAAP I CAN'T TAKE IT!!"

Sakura said nothing as she kept on tickling Sasuke's feet. She then noticed his toes, which were wiggling, trying to get out of her grasp. She reached into her pocket and pulled out a small feather, that she was to use to torture his toes.

"NO!! ANYTHING BUT THAT!!! PLEASE!!!" Sasuke screamed.

Sakura smiled as she said "I thought your feet weren't weak!!"

"I LIED!! JUST...PLEASE!! DON'T DO IT!!"

"Nope! I'm gonna!!" she said as she drew the feather closer. "It's almost there!!"

"NO!! NO!! NOOOOOOOO!!!"

"Yes, yes, YES!!" she taunted. The feather finally touched Sasuke's toes. He squirmed and bucked as he tried desperately to get free. As it did before, nothing worked. However, he did have an idea. "Maybe this insanity will stop if....." Then he decided. He quit giggling and held his breath. Sakura, who was still stroking the feather against his toes, looked up to see that he wasn't laughing.

"Aww, come now, Sasuke!! You HAVE to laugh!!" she said. She took the feather and began running it in between his toes.
