On to chapter one...

Arya sat in the pouring rain,lightly drawing . Her pad was soaked,but she drew on drawing the figure in a hooded sweatshirt. She sat outside the Sohma’s house, waiting for Kyo.Then she heard noise on the roof. She shut the pad up it under the dry area and climbed the ladder to the roof.Kyo was laying drenched from the rain asleep on the roof. He stirred once or twice then stopped moving. She noticed a pencil lay on its side worn from drawing, she saw a pad laying by his hands.

“Kyo.” she said polity.

He didn’t wake. She sighed and figured she would have to carry him down.She slowly bended down and slid him onto her shoulders and climbed down.She thought about bringing him back to the Sohma house then decided not to.Now it was pouring out and she was soaking wet.She saw a flash of lighting and ran towards her home,and opened her door quickly and set him down on her bed and shut the door.

~~~~~An Hour Later~~~~~

Kyo opened his eyes to find himself in a dimly lit room with blankets over his damp body. The room was a dark black reflecting the candles light back to him. He could hardly see. However he did notice drawings laid on a desk. He felt cold and hungry, then he wondered 'Where am I?'. He slowly pulled off the sheets and noticed he was in someone's bed but who's.

'I wonder if Kyo is awake?' wondered Arya. She walked up the stair and opened her door, Kyo was standing with a candle, peering over her drawings. She slowly walked over to the dim candle light, shadows bouncing off her walls.

Kyo turned around startled and looked at her. "Is this your house?" he asked.

"Yes Kyo--san " said Arya. "I took you here because you were soaked from the rain." she said.

"I better call Yuki if its alright with you." he said quickly.

"Ok I don't mind if you leave, you would have been dead without me." Arya said lighting a candle.

"Um... Do you wanna come see my house?" he wondered.

"Sure". she said happily.

He started walking downstairs and towards the Sohma house. He entered quickly and took off his shoes and headed upstairs into his room.

"Anyway where the hell did Kyo go?" asked Yuki to a girl.

"Who the heck are you." he asked.

"Arya, I'm here with Kyo. " she said taken aback.

"Oh, Wait ,What?" "KYO!!!!" Yuki ran upstairs. Arya quietly followed.

"WHAT THE frack ARE YOU THINKING LETTING A GIRL IN!!!!!!" yelled Yuki.

"OH LIKE YOU HAVN'T ASSHOLE!!!!!!!!!!!!!!" said Kyo.

"Does she know about the-" he asked...

"Yes, I told her.. " said Kyo.

"YES I KNOW YUKI HE TOLD ME NOW LEAVE HIM ALONE"!!!! SHE SAID PISSED.

"Ok"... he sighed and turned away in a depressed mood.

"Gomenasi Yuki." Arya muttered and found Kyo's room. His room was a dark blue shade and he had the Chinese Zodiacs spread all over the place. He had a few light blue candles flicking in his room and

some drawings...

"Arya I know its not much but make yourself at home. "Kyo said slightly smiling.

"Its alright Kyo-san" she said.

He stared at her then headed downstairs to get something to eat from Tohru. He found a bowl of rice and some tea in the fridge and he ate quickly and headed towards the ladder. "Um Kyo I'm gonna leave ok? " she left.

Kyo went upstairs onto the roof and Sang...

"There's no money  
There's no possessions  
Only obsessions  
I don't need that shoot  
Take my money  
Take my obsession

I just wanna be heard  
Loud and clear are my words  
Coming from within  
Man, tell 'me what you heard  
It's about a revolution in your heart  
And in your mind  
You cant find the conclusion  
Lifestyle and obsession  
Diamond rings get you nothing  
But a life-long lesson  
And you're pocket book stressing'  
You're a slave to the system  
Working jobs that you hate  
For that shoot you don't need  
It's too bad the world is based on greed  
Step back and stop thinking 'bout yourself  
Start thinking about

CHORUS:

There's no money, There's no possession  
Only obsession, I don't need that shoot  
Take my money, Take my possessions  
Take my obsession, I don't need that shoot

'Cause everything is nothing  
And emptiness is in everything  
This reality is just really just a fracked up dream

With the flesh and the blood  
That you call your soul  
Flip it inside out, it's a big black hole  
Take your money, burn it up like an asteroid  
Possessions they are never gonna fill the void

frack your money  
frack your possession  
frack your obsession  
I don't need that shoot

Take it away and learn the best lesson  
The heart, the soul, the life, the passion

### CHORUS

Present yourself, press your clothes  
Comb your hair and clock in  
You just can't win, just can't win  
The things you own, own you

frack your money  
frack your possession  
frack your obsession  
i don't need that shoot

“Watch your mouth Kyo”said Yuki .

“frack you Yuki!!!!”he said laughing...

“Do you like Arya?” he asked.

“No”he said emotionless.

“Just asking, got any homework.”he asked.

“Oh shoot I forgot, thanks Yuki.”he went down into his room. He grabbed his text books including his least favorite subject History and put them down on his desk. He stared writing late into the hours and fell asleep working on his math homework.

~~~~~Next Day ~~~~~  
~~~~~  
~~~~~  
~~~~~  
~~~~~  
~~~~~

"KYO GET UP YOUR GONNA BE LATE " yelled Yuki.

"Huh? "OH shoot MY HOMEWORK. " he threw his books in his bag and ran downstairs.

"You have five minutes" yelled Yuki.

"Five minutes come on I overslept again".He sighed and ran downstairs and ran out the door.

As he reached the high school his friends weren't there yet, but Arya was sitting drawing something...

Arya looked so different, blood dripped off her wrist...It stained the pad and it looked like she would be in tears. The blood dripped onto the pad making her pen name finished.Arya looked up in surprise as Kyo stared at her dragon.

"That's amazing Arya."he said smirking.

"Tell Yuki I'm sorry about yesterday."she said closing her pad.

"Yeah I will,but why are you so depressed?"he asked.

"My father died last night."she said with her eyes filling with tears.Arya grabbed Kyo's shoulder and laid her head on it.Tears were falling.Kyo wrapped his arms around her shoulder.There was a small poof and a cat was left in place.

*'shoot I forgot again.* thought Kyo as he saw someone apporching.

"Kyo what am I going to do with you?"asked Arya.

"Get my clothes".he suggested.

"Good idea". she picked up his things."Oh hi Hatsuharu-san."she said smiling.

"Morning Arya".he said.

"Did you tell Kyo-san?"he asked.

"No".she said nevorously.

"Tell him,Arya he needs to know or there'll be a all out war with him."said Hatsuharu.

"He's a cat but fine."she said."Kyo I'm going out with Hatsuharu."she looked away from his eyes.

"Nani"he yelled.

"I'm going out with Hatsuharu, Kyo-san."she set him down.

He remained slient.There was a large poof and Kyo was standing there naked.Arya looked away and saw Yuki and headed towards him.Hatsu knew she had to tell him something.

"Yuki"she yelled.

"Huh?"he asked.

"Can I talk to you about something important?"she asked walked towards the empty courtyard.He walked with her.

"He said to me that I was his daughter since the day of my birth,and he wants me to live in the main house.Also I am able to hug every animal in the zodac freely, but Kyo.I can hug Hutsu freely without him changing Yuki-san.she said quietly."Also he's coming today to check on you."she said worried.

Yuki's eyes widened and his face showed fear."Thank you for telling me Arya, see me tonight at the lake by Ten.he said worried and fearful.

Arya nodded and as they walked back a girl was talking to Kyo freely."Who's that girl I saw her yesterday at your house Yuki-san?"she questioned.

"Tohru Honda."he said walking towards her,Kyo and Momji.

"Hi I'm Arya Sohma."she said to the girl.

"Tohru Honda nice to meet you."

Arya could tell this would be a start of a wonderful year....

## 2 - Akito Sohma and Rin Sohma

[A/n Akito is a guy in my story!! In the manga he's a girl brought up in manhood.]

Arya grabbed her bag and headed home. She stopped as she saw a lone Sakura blossom tree in the courtyard. She smiled slightly and headed inside, and went upstairs. As she opened the door she heard noise downstairs and saw Hatsu come up. She went in her room and shut the door. She turned on the radio and laid on her bed.

'Father, why did you die?' Mother left me on purpose because of the Sohmas and now I've nothing left but Hatsu'. She cried for a while on her bed. She heard the door open but she didn't care, she just kept crying.

A smooth voice cut her crying. Transfixed by the voice she looked up.

"W-Who are you?" she asked.

"Akito Sohma, now child what's wrong." he sat down by her.

"My life, my parents abandoned me." They left me to stay here, they knew I loved them. THEY KNEW!" she screamed.

Akito wrapped his arms around the fragile girl. "I know how you feel I've been left alone too Arya Sohma." he said. Akito, very slowly bit her on the neck. Arya shivered and grabbed a blanket. Akito smirked and said "Would you like to be part of the zodiac?"

Arya nodded and then twitched. She noticed a tail and spikes forming on herself. She had taken Hatori's zodiac as the dragon...

[A/n this is what she's looks like as a dragon but it is the size of a cat.]

She growled deeply at Akito and then flew onto his shoulder. He smiled as he opened the door and headed downstairs. He opened the main chamber room and let her in and before he shut it he heard "I have to see Akito-sama Hatori." yelled Yuki.

Arya flew in the room and Akito shut the door hiding her from view. *'He seems pissed'* thought Arya. Arya listened for awhile and then fell asleep...

As she woke up a girl was standing by her. She had black hair and she looked short tempered. "Who are you?" Arya asked noticing she was still a dragon.

"Rin Somha. she said slamming the door behind her. Who are you? she asked. There was a slight poof

before I was left standing naked.I'll leave I can see from the zodiac."she left.

"HATORI!"she yelled.

"Yes" he said from outside the door.

"GET ME SOME FRIGGEN CLOTHES!!!!" she yelled.

Hatori came back quickly with her clothing and threw it in.Arya put it on and walked outside the door.

"Thank you Hatori-san."said Arya.

"He gave you my curse didn't he?"he said emotionless.

'How'd you know?'"
