Chapter 1 - Don't Take Your Suspicion Out on Me

2

1 - Don't Take Your Suspicion Out on Me

verse1:

Yes I know that I'm fracking insane. And I know that, I'm not the one to blame. You made yourself blame it on me. Does it make you feel fracking free? You made yourself blame it on me, now watch as I fracking bleed.

chorus:

Don't take your suspicion on me, cause I ain't the one who did it. Don't take your suspicion out on me cause I know things that make me crazy.

verse2:

One day you'll never hear my voice, call me on the phone and I'll ignore. You made yourself blame it on me does it make you feel fracking free? You made yourself blame it on me now watch as I fracking bleed.

repeat chorus

Does it feel good when you play the game called "Blame it on Rach"? You made yourself blame it on me, does it make you feel fracking free? You made yourself blame it on me but don't take your suspicion out on me
