Chapter 1 - Alone

2

1 - Alone

The loneliness,
I feel pounds in my soul
The pain in my heart
only grows more
A deep depression,
Deeper than the sea
That once bright light,
is now so dim
My soul,
Once full of emotion,
is now so empty
Cry for me
I need someone
I need anyone
To bring me out of this void
It's painful here
Nothing here seem quite alright
I'm lost of words
I can't think anymore
I feel so enclosed
...I feel so alone
Please save me
You're all I need
I know you can save me
But I know you won't
You just don't care anymore
You're not my friend
Though I thought you were
Let me cry a little
It's so desolate here
Among the unknown
But I know this is my fate
To forever
Be alone...
Because of you.
