**Chapter 1 - killing her**

**2**

## 1 - killing her

controlling, manipulating,  
falling, precipitating,  
the elements, old and wise  
control earth, its ground its skies  
they have power great and strong  
but the elements life isn't long  
to be lost is wrong, they continue with their song  
of sorrow and grief, with disbelief  
they shudder at our impudence  
on the mother of all life  
the earth is dying  
and we're helping in strife.
