Original Music by Horton Heat; Texas Rockabilly Rebel.

Evangelion Rebel

He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,

He looks good.

Born an only child,  
A disappointing son  
On the Autism Trail,  
And he continues to run.

She's a 32 meter,  
Armored fighting suit,  
Made from his mom's DNA  
Really stirs the soup.

Turn up the bass!  
Turn up the treble!  
Evangelion rebel.  
Turn up the bass!  
Turn up the treble!  
Evangelion rebel.

He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,

He looks good.

When everyone said early on,  
That he had to fight,  
Deep down inside he knew,

Knew they were right.

Like Daisaku Kusama, Kira Yamato,  
To many more too say,  
Super shining finger's gonna,  
Gonna blow you away!

Turn up the bass!  
Turn up the treble!  
Evangelion rebel.  
Turn up the bass!  
Turn up the treble!  
Evangelion rebel.

He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,

He looks good.

Looks good! Fight!

He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,

He looks good.

When he fires that pallet gun  
It goes rata-tat-tat-tat,  
Like a beam saber slinger,  
Or Kiral Killing Skill.

It is purple and it's green,  
In memory of the dead,  
Her builder Gendo Ikari,  
Is sick in the head!

Turn up the bass!  
Turn up the treble!  
Evangelion rebel.

Turn up the bass!  
Turn up the treble!  
Evangelion rebel.

He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,  
He pilots real bad  
But he sure looks good,

He looks good.
