**Chapter 1 - Untitled**

**2**

# 1 - Untitled

"Neither one nor the other...Not a demon but not a human either.No place to belong. I thought the only way was to carve out your own path, by force. That's how i survived. And by the time I knew what was happening, I was all alone. That's the only way I ever knew..."

some people say i have it all but this is how i grew up ,i grew up learning to fend for yourself.
