0 - Prologue

Disclaimer: I don't own Naruto or any of the other characters.

Hinata's alarm radio went off singing Bring me to life By Evanescence at 6:00.

She got up thinking *This is the first day of Konoha Academy for me and it's in the middle of the school year too, no one will want to be my friend and Neji is going there too so it won't be that bad he is very protective of me. Oh well time to face the music.*

She went into the bathroom put on her head band so she wouldn't get any face wash in her hair then, washed her face with Biore. Hinata got her two towels and jumped into the shower (a 20 minute shower I might add). She went to the mirror and blew dry her hair, put on moisturizer and cover up and just a smidge of clear strawberry lipgloss.

Hinata went into her ginormous closet with hardly much in it she really wasn't a girl to shop til she dropped but that was about to change very soon. She picked out a blue aero polo shirt and a jean skirt with leggings and a pair of black flats. She didn't like to show off her body even though she is very beautiful. That would change also.

Hinata put her hair in a respectable bun with her bangs and two pieces of hair not in the bun, she was done getting ready.

She grabbed her purse with a book inside of course and went down stairs.

She sat at the kitchen table and ate cereal for breakfast, raisin bran.
When there foot steps coming into the kitchen who was it?

It was Neji coming down for his breakfast he grabbed a bowl, the raisin bran, milk, and a spoon, he poured his cereal and sat down.

And now who comes running in but Hanabi grabbing a bowl of coco puffs set out for her.

Neji and Hinata finished their breakfast and headed out of the kitchen so they could grab their bookbags and purse.

Neji said "Well lets go out to the driver we have to be at school early so you can register." "Yes." said Hinata obeying her cousin.

They got into the black Rolls Royce with the Three Days Grace CD in.
to be continued.....

1 - Chapter 1

Disclaimer: I don't own Naruto or any of the other characters.

They got into the black Rolls Royce with the Three Days Grace CD in.

They arrived at the Academy after a silent drive there, they got out of the car and Hinata thanked the driver as usual and as he would always say it was a pleasure.

Neji lead Hinata into the school and to the Principal's office.

He waited with her until the principal called her in.

"Hello, my name is Principal Tsunade." said Principal Tsunade "H-H-Hello" said Hinata softly

"Well I see you are a very shy person, you won't be by the end of the school year." said Principal Tsunade "Yes, mam." said Hinata

"I see you had excellent grades at your old school, honors, and in some advanced classes, I am very impressed." said Principal Tsunade "You will fit in very well here." said Principal Tsunade "Thank you, I work very hard." said Hinata

"Well, I'm going to have the Welcoming Committee show you around the school and take you to the Academy closet where you can get a uniform and school supplies." said Principal Tsunade

Principal Tsunade called in the Welcoming Committee they introduced themselves as Sakura Haruno, Ino Yamanaka, and Tenten. Hinata introduced herself with a stutter of course. Then Principal Tsunade handed Hinata her schedule.

The girls lead Hinata to the closet while looking at her schedule Ino snatched it of course. They arrived at the closet they got Hinata's size of the uniform, the uniform was a blue pleated mini type skirt, a long-sleeve, white, collared blouse, a blue button down jacket, and a red tie.

Hinata tried on the uniform to make sure it fit and it did, it fit perfect.

"Hinata you look so cute." said all three girls at the same time

"Th-th-thank you very much." said Hinata softly

"Well here are some supplies you will need and it's time to get to class." said Sakura

"Um would it be any trouble for you guys to show me to my first class." said Hinata

"Of course not, that's what we are here for, silly." said Ino

"Well let's get going then I don't want to be late for class." said Tenten

"Hinata your first class is advanced math so you will be going with me, let's get going."

So Sakura and Hinata went off to advanced math and Ino and Tenten went off to regular math.

To Be Continued...

Now: I'm so sorry to everyone for the delay I was going to work on it Thanksgiving but I got sick over break and then we were pilled with homework and projects like crazy essays, book reports, poem, tests, oh yah we had these big 4 sights or whatever so sorry I promise my updates will be sooner. I'm not sure about this chapter but I think it's pretty good ask anything you want to know about the chapter I'm not sure if I was clear enough. I'm going to trust you my readers to help me get my story out there if it's not a problem. I have lots of ideas for this story so be prepared. Comments are very much loved! ^-^

2 - Chapter 2

Disclaimer: I don't own Naruto or any of the other characters.

So Sakura and Hinata went off to advanced math and Ino and Tenten went off to regular math.

Hinata and Sakura arrived in advanced math class with Vice Principal Shizune.

"Hello students!" said Shizune

"Psst, she teaches all the advanced classes and she is the Vice Principal, just so you know." whispers Sakura

"Oh thank you for telling me." whispered Hinata back

"Oh I see on this attendance sheet that we have a new student named Hinata Hyuga, please come here and say hello." said Shizune

Hinata stood and said "H-H-Hello." softly

"Ok then you will sit in the empty seat next to Sakura." said Shizune

Hinata sat down and Shizune started class.

"Now, let's get class started, we will start off with probability." said Shizune

"Class, who can tell me the answer to this problem?" said Shizune

" $P_r[x] = \frac{\text{Favorable Outcomes}}{\text{Total Outcomes}}$ "

Favorable Outcomes

What is the probability that a card drawn random will be an ace?" asked Shizune

Hinata raised her hand when everyone was clueless because Shizune had not gone over this lesson she just wanted to see if anyone knew.

"Hinata." said Shizune surprised

"Well out of the 52 cards in the deck, 4 are aces, the probability is $\frac{4}{52}$." said Hinata softly but with a little confidence

Everyone just looked at her wide eyed including Shizune, Hinata being the shy girl she is blushed like crazy, then Shizune told her that was absolutely correct. Then Shizune explained the problem so the rest of the class could understand. Shizune did a few problems on the board, handed the class their homework so they could get started.

Sakura asked Hinata to work on their homework together so Hinata could explain how to do the problems one more time. So she did and Sakura finally understood. They finished it all a few minutes before class ended.

Meanwhile In Regular Math

Ino and Tenten had math with Asuma they worked on Algebra nothing exiting.

Tenten made Ino work on her homework there so she didn't have to work on it later. Once they finished they talked about going to the mall after school today for Naomi's beach party.

The bell rang and all the girls walked out of their classrooms, headed to their lockers which are all next to each other convenient isn't it (*wink* *wink* rich girls you do the math). Hinata's locker was also by theirs (Principal written all over it).

Next all the girls had their next class together, Science with Anko.

"Hi class, how are you today, are you ready for some science?" said Anko enthusiastically

"Good." answered the class

"Well then let's get started, we will be doing atoms today." said Anko

"We will be reading in your text book first then we will go over what we read, ok?" said Anko

Class "K."

They read about neutrons, electrons, and protons. Anko used examples about how everything but empty space is made up of atoms. The class did a worksheet, they corrected it and handed it in for credit.

"Ok class there is five minutes left in class so you can talk I just want you to know though we will be having a test on what we went over today in a week, ok you can talk now." said Anko

"Next we all have is Social Studies then Lunch Whoahoo!" said Ino

"Oh Ino do you ever think of anything but the social part of Lunch?" said Tenten with a sweatdrop

"Nope."said Ino bluntly

The bell rang again the girls went off to their lockers then to Social Studies.

They walked into the classroom with no teacher the girls took their usual seats Hinata took a seat next to Tenten.

"Hinata do you want to go to the mall with us after school?"asked Ino

"See,because there is a beach party this weekend and we wanted to get new bathing suits,so?"said Sakura

"Before you answer we can give you a ride and the party will be really fun so you have to come to that too,but I don't want to be pushy like these two!"said Tenten

Before Hinata could answer Kakashi entered the room fifteen minutes late the three girls expected it.

Kakashi went over some Roman customs for the twenty minutes that were left in class. When the bell rang all the students rushed out to get to their lockers then to lunch.

Sakura,Ino,and,Tenten invited Hinata to sit with them for lunch.

Now:Its a little longer than my others I think its pretty ok. I'll be working on a new chappie tomorrow so expect it. Sorry for the delay zi was caught up in finals we had 5 tests in one day then another test today but chapps will be more frequent now and longer. I'm going to ask you my trusted reders to help me get my story out again if its not trouble.Comments are very much loved!^-^

3 - Chapter 3

Disclaimer: I don't own Naruto or any of the other characters.

Sakura, Ino, and Tenten invited Hinata to sit with them for lunch. (By the way the Dining Hall looks just like the one at Alpheia In Winx Club look it up if you don't know!)

They sat at the end of one of the tables.

"So, Hinata?" asked Ino

"S-So..... what?" asked Hinata

"Don't act like you've forgot now sill, shopping and the beach party of course." said Sarura

"Well..... I guess I could go shopping with you guys after school as long as I run it by my cousin and father and maybe the beach party." said Hinata

"YAH!" yelled all three girls

"Ok so we have to make plans." stated Tenten

"Well if you girls want we can take my Rolls Royce it's a stretch." said Hinata softly

"Ok that works for me." said Sakura "Me too." said Ino "Ditto!" said Tenten

"Ok I'll tell my driver we will have additional people and I'll just tell my cousin to take the other car well he had to take it anyway he has friends drive with him, hold on let me text my driver....." said Hinata

"We're good the driver will pick us up at 3 o'clock and my cousin will have the other driver." Hinata said with a smile

"Alright then now that that is settled we should decide what stores we are going to go to." stated Tenten

"Well I want to go to American Eagle and Hollister." said Sakura

"I want to go to Abercrombie & Fitch and Buckle." said Ino

"I really want to go to Delia's and Wet Seal." said Tenten

"Can we go to Aeropostale and Pac Sun?" asked Hinata

"Of course those two stores have really cute bathing suits!"said Sakura

"Cool."said Hinata

"Ok I'm not sure about you guys but I'm really hungry."said Ino with Tenten nodding her head in agreement

The girls got up and got thier lunch,today it was spagetti with alfredo sauce, with a side salad. They got thier lunch and sat back down,when suddenly Ino remembered they had clubs after school today.

"Girls I just remembered that we have clubs after school today, Hinata can you text your Driver and tell himto pick us up at 5 o'clock instead?"asked Ino

"Sure,no prob."said Hinata

Hinata texting like crazy,finally she stopped and looked up.

"Ok!"said Hinata cheerfully "Great!"said Sakura

"Oh Hinata,you have to join some clubs after school we can help you pick them out after school."said Tenten

The girls finished thier lunch went to their lockers and headed to class Hinata and Tenten had advanced English next with Shizune and Sakura and Ino had regular English with Iruka.

Tenten and Hinata arrive to class three minutes early and you would never guess who was in their class.

"Hello,Neji."said Hinata softly

"Hi,Neji."said Tenten cheerfully

"Hello."said Neji with no emotion

"N-neji,w-would it be o-o-ok if Tenten,Sakura,Ino,and I take the Strech Rolls Royce and y-you can have the other c-car we need it for a-after school?"asked Hinata softly

"Hn"said Neji

"Um ok th-thank you."said Hinata

"Great! thanks!"said Tenten

"Sit down everyone,please,lets get class started."sais Shizune walking in the room.

"We are starting Romeo and Juliet today,what is Romeo and Juliet about?"asked Shizune

Both Hyugas raised their hands but shizune only called on one.

"Romeo and Juliet is about true love, burning jealousy, betrayal, and very foul murder." said Hinata with sadness in her voice

"Very good and I heard you had sadness in your voice why?" asked Shizune

"Because they loved each other and their love was forbidden, therefore they had a secret marriage which turned badly they both died gruesomely but it was said that they were joined in another world which is kind of happy but it's a very tragic story." said Hinata

"That was a very good way of putting it and you should be saddened by this story if you comprehend it." said Shizune

Shizune passed out the Romeo and Juliet books to everyone.

"Your assignment is to go over the story with a partner, get going." said Shizune

"Hinata, do you want to partner up?" asked Tenten

"Yes, I would love to." said Hinata

They went over the play like they were told, they asked each other questions where they were confused.

The bell rang it was time for gym everyone left the room Hinata, Tenten, Sakura, and Ino all met outside the girl's locker room, they went in and Hinata got her gym clothes they are all matching boys and girls.

Everyone changed and came out onto the gym floor the girls stood together and gabbled and gabbled and gabbled until the gym teacher came out.

"Yosh, let's get in a circle and stretch." exclaimed Gai

Everyone stretched until it was time to run seven laps around the gym (by the way it's a very very big gym).

In gym today they are going to do volleyball.

After they finished their laps Gai set them up to practice serving every person was lined up with a ball Gai demonstrated then told them to try it with a person on the other side of the net trying to bump the ball when they were really just getting hit and the people on the other side are the boys extra fun.

The girls are actually pretty good, surprisingly.

"This is fun!" said Hinata giggling "Cha!" said Sakura

"Yah beatin' up on the guys!" said Ino "Major time if I didn't have to concentrate I would be on the floor laughing right now!" said Tenten with a smirk and a giggle

"Yosh, greta job girls you have the power of youth," everyone sweatdropped "and boys you have to bump the ball not get hit by it you have to have the power of youth like the girls!!!!!!" exclaimed Gai

"Now gym class is over go change and have a youthful day!!" said Gai

Everyone went to the locker rooms and changed.

Hinata, Sakura, Ino, and Tenten came out of the locker rooms just as the bell rang they went to their lockers and got their books for Foreign Language.

The girls entered the class and sat down.

"Bonjour, etudiants!" said Kurenai cheerfully (hello students)

"Bonjour." answered the class

"Quel est votre nom ?" asked Kurenai to Hinata (what is your name)

"Je m'appelle Hinata." said Hinata (My name is Hinata)

"Tres Bien!" said Kurenai (very good)

"Now class please write down the notes on the board." said Kurenai

Everyone wrote down the notes and they practiced what they had copied with each other and to each other.

By the time everyone in the room had said it in french the bell rang.

As they are walking out the door Kurenai said "Practice what we went over today when you get home."

"Finally school is over now time for shopping!!" exclaimed Ino jumping up in the air

"Yeah!" cheered Sakura

"Whoo!" squealed Tenten

"Coolness!" said Hinata softly

"Scream it Hinata!" screamed Ino

"Ino we are actually still in school don't scream." said Tenten

"Fine but Hinata has to at least say it louder if she wants more to be quiet" screamed Ino

"Oh Pig leave her alone." said Sakura

"SHUT UP FOREHEAD!" screamed Ino

"PIG"

"FOREHEAD"

"PIGGY PIG PIG"

"FLATSCREEN BROW"

Sparks flying between their eyes.

"Well, it looks like you are off the hook they are fighting again, I'm glad I have another sane person around." said Tenten

"HEY" yelled both angry girls, then they went back to the sparks

"I'm sorry I didn't mean to do this.." said Hinata sadly

"Oh no it's not your fault they do this maybe ten times in one day!" said Tenten with a sweat drop thinking about how many times they actually do fight.

They finally arrived at their lockers by then everyone was cooled.

"Ok time to head to the clubs!" said Sakura

Now: this is just about my schedule just math is 3rd and social studies is 1st and everything else is my schedule although I have another class after french but too long that would be. Hope you liked it! And Oh this takes place just after Thanksgiving break just to let you know so I will do a Christmas chapter. I do need a mean girl OC so if anyone is interested let me know she's the one having the beach party. Comments are much loved!!! ^-^

4 - Chapter 4

Disclaimer: I don't own Naruto or any of the other characters.

They finally arrived at their lockers by then everyone was cooled.

"Ok time to head to the clubs!" said Sakura

"So, what clubs are you guys in?" asked Hinata

"Well, I'm in Flower Arranging club my parents pushed me at first since they own a chain of flower shops, but now I really enjoy it!" said Ino

"I'm in Martial Arts class because well it's good exercise and because of all those creeps out there, I also teach Sakura and Ino what I learn in case they are ever in any sitch I'll also teach you, if you like?" said Tenten

"Oh that would be great!" said Hinata

"I'm in Medical club where we use nature to make new remedies to help with illnesses, so what are you thinking of joining Hinata?" asked Sakura

"Well I was considering The Literary Guild but, I don't know." said Hinata with a sigh

"No Hinata you would be perfect for that club, the way you performed in English was amazing!" said Tenten

"Ok I will! but what clubs do you guys do together?" asked Hinata

"Well, we all do Social Committee together and Drama club, actually Social Committee is how we met you we go and welcome new students." said Ino

"The President is actually the girl who is having the beach party Naomi she isn't the nicest girl but she isn't super mean we are sort of friends with her but we aren't as close as she thinks, but don't get me wrong she is nice to us just not as nice to everyone else." said Sakura

"She's in Drama club and Social Committee as you know, she is also sick today." said Tenten as they arrived in the auditorium which is very big because well expensive school equals big rooms

Each girl went to the station for their club.

Hinata walked over to The Literary Guild.

"Hi!,whats you name?!asked a sweet girl

"O-oh H-hi my name is H-Hinata Hyuga,wha-what is your n-name?"asked Hinata very shyly

"Reiko Uchiha,hey I know your cousin hes freinds with my big bro Sasuke Uchiha."said Reiko she has black,long hair pulled up in a pastel pink ribbon,with deep blue eyes.

"What grade are you in?"asked Reiko

"I'm in 8th grade,what grade are you in?"asked Hinata softly

"I'm in 7th grade."said Reiko very proud

"Lets get club started"said the leader of Literary Guild

They all chose a book.

"Hey what book are you going to read Hinata?"asked Reiko

"The Scarlet Letter."said Hinata

"Oh cool I'll get that book too,its always easier to read a book with someone else."said Reiko going to get the book

"Reiko are you sure its a very hard book its a 10th grade level but if you want go for it."said Hinata

"I'm sure and thanks."said Reiko as she got her book

"Ok people you can go and read your books now."said the Prez of the Literary Guild

"Would you like to go to my favorite spot,its so quiet and peaceful I love reading there?"asked Reiko

"S-sure"said Hinata quietly

They walked to Reiko's favorite reading spot.It was a tree by a garden with flowers,a stream with a lovely brige going over it.

"This is it"said Reiko showing Hinata,while Hinata was just shocked by its beauty.

"Ok lets read."said Hinata

"Ok"said Reiko

They read for about an hour soothed by the sound of the stream.When suddenly a beeping sound started going off.

"Oh,its time to go back inside."said Reiko getting up

They walked back into the auditorium Hinata saw Sakura,Tenten,and Ino standing by the darma club station.

"Hi"said Hinata towards the girls with Reiko by her side.

"Hi"said all three girls

"Oh this is Reiko shes in 7th."said Hinata introducing her

"Hello,nice to meet you."said Tenten

"Hi,nice to meet you."said Sakura

"Hey,nice to meet you too,this is-"said Ino cut off

"Oh I already know who you guys are,its a great a honor to meet you guys really."said Reiko

"Oh thank you."said all three girls rubing the back of their heads embaressed

"Oh well I have to go I'm not in Drama club bye Hinata,Sakura,Ino,Tenten,nice seeing you,see yah in Lit Guild Hinata!"said Reiko running off to her next club

"To Drama club"said Ino dramatically

"Lucky for you Hinata we are working on a new play,not sure what it yet,Ino?"said Sakura looking at her friend knowing she proboly knows

"Don't look at me I seriously don't know this time!"said Ino being all defensive

"O.....k"said Sakura not truely believeing it

They all sat down waiting for the Director to come and tell them what the play would be this semester.

Meanwhile

Neji was just finnishng up in the Library with Sasuke,Shikamaru,and Naruto.

They were walking to go to the field outside to play some football,which to go to the field you have to walk through the auditorium. They walked through the auditorium when a girl comes up and hugs

Sasuke and no it was no fan girl.

"Big Bro!"said Reiko hugging Sasuke tighter while the guys snickered quietly

"Come on,Reiko let go of me."said Sasuke nicely,trying to pry her arms

"Please,please,please,pleasse meet my new friend."said Reiko pleading

"Ok,ok,only if you let go."said Sasuke

She dragged Sasuke towards the girls,with Sasuke giving the guys a glare saying'you better come too'
they weren't really affected but they went anyway.

"Hi Hinata this is my Big Bro Sasuke."said Reiko letting go of him

"H-hello nice to meet you."said Hinata

Neji reconizing the voice and the studder. Looked over and saw her sitting with Tenten,Ino,and Sakura.

Then Naruto saw this girl this un-believeingly,beautiful girl,he just stood there staring at her.

"Hn"was all Sasuke said then Reiko elboed him for being rude

"Hi"said Sasuke

Naruto pulled all the guys together and said "Guys,I think we should join Drama club it would look really good on all of our college aps and it builds character." Naruto was just pulling stuff from thin air trying to convince them they were just shocked he was thinking about college.

"Hn"was Sasuke and Neji's answer

"What ever"said Shikamaru

"All right its settled we are joining Drama club,believe it!"said Naruto exited he gets to be in the same club as the pretty girl

"Hey Big Bro your joining Drama club with,Neji,Naruto,and Shikamaru?"asked Reiko

"I guess so."sais Sasuke still shocked HE was joining Drama club

"Well if you guys are joing Drama I'll join too!"said Reiko

"Hey girls guess what I'm joining Drama too and so is Big Bro and his friends !"said Reiko

"Thats great!"said Hinata

"Sure is" said Tenten

"Yup" said Sakura

"You bet" said Ino

"Well, we are just waiting for the Director to come out and tell us what play we will be doing." said Sakura

"This is taking forever." said Ino

The guys still standing.

"Oh by the way let me introduce the guys." said Reiko

"This is my Big Bro Sasuke Uchiha, Neji Hyuga, Shikamaru Nara, and last but certainly not least Naruto Uzumaki." said Reiko pointing to each guy as she introduced them

"Nice to meet you all." said Hinata softly

"Great to meet you." said Tenten

"Nice to meet you." said Ino

"Very nice to meet you all." said Sakura

The Director finally came out.

"Finally." whispered Ino the girls just giggled

"Everyone please sit down." said the Director the guys and Reiko sat down along with everyone else

Then,the girls walked out seperately than the guys and Reiko but they all went to cars.

"So finally,to heaven."said Sakura

Hinata confused Tenten whispered "The mall."

"Which mall are we going to?"asked Hinata

They all got out of the car and headed into the mall.

"So,what stores do we want to go to for swimwear,then we can window shop in whatever?"asked Sakura

"Well,I know I saw a bathingsuit at Delia's and Abecrombie that I like."said Tenten

"I know what bathingsuit I want already from AE."said Ino

"I have no clue."said Hinata quietly

"Oh don't worry we will help you pick out a fab suit."said Sakura

"And I want to check out Holister too."said Sakura

"Ok,so plan set we go to the stores pick out bathingsuits and maybe some accesories like cover-ups,shoes,new totes,hair stuff,sunglasses,and of course cute beach jewlery."said Ino

They first went to AE to get Ino's suit because well she knew what she wanted.Ino paid for her suit while the girls looked around.

"Oh look at this suit,I'm going to go and try it on."said Hinata holding up a blue,halter one piece as she went into the dressing room

She came out with Ino,Tenten,and Sakura waiting.

"No way! you are so going to wear someting more cute than that."said Ino

"I agree"said both girls

"You would look so much better in something else."said Sakura

"We are going to make you slamming,so change and we can hit A&F."said Tenten

"Ok."said Hinata going back into the dressing room

She came out,they left to go to A&F.

"Hmmm..."said Tenten not sure about the bathingsuit she was holding

"What is it,Ten?"asked Ino

"I'm not sure if I should get this suit because I saw a really cute one at Delia's"said Tenten

"Well try it on."said Sakura

"Ok"said Tenten nervously going into the dressing room

She came out wearing Gabriela green,trying to cover herself up.

"Oh Tenten you look so amazing."said Hinata

"You really do."said Sakura

"Fantabulous!"said Ino

"So should I get it or the one at Delia's?"asked Tenten

"This one deffinantly."said all three girls

"Ok"said Tenten as she went to go check out

Tenten paid for her suit and they walked out of Abecrombie&Fitch.

"Hollister,is next on the agenda."said Sakura

They all walked to Hollister to get Sakura's bathing suit and see if they could find one for Hinata.

"Oh my goodness!look over there!"said Sakura all exited as she ran through Hollister to the bathingsuits she saw,with the other girls walking to where she was now

Sakura was holding up Balboa Island light pink suit.

"I'm going to go try it on."said Sakura going into the dressing room

"Ok we will be right here waiting."said Ino

Sakura came out in the bathing suit.

"Ow,ow,ow,Sakura you look amazing."said Ino giggling

"Shut up,pig."said Sakura

"Really Sakura you do look awesome."said Tenten

"You look st-stunning,you should g-get that o-one."said Hinata quietly

"Ok let me change,then we'll find Hinata's perfect bathingsuit."said Sakura

"Oh w-well,I-I don't know..."said Hinata quietly,blushing

"No way,you need to get a bathingsuit so you can come to the beach parte."said Ino

"Yeah Hinata,it will be so much more fun if you come."said Tenten reashuring her

"Well...I-I guess so."said Hinata looking down as Sakura came out with bathingsuit in hand

"Of course it will be,and you will get a slammin bathingsuit too."said Sakura

The girls walked over to the bathingsuits and started looking for a bathingsuit for Hinata.

"Oh look at this one!"said Ino

"Oh yeah thats really cute!"said Tenten

"Go try it on Hinata!"said Sakura

"Oh w-well isn't it a l-little r-revealing!"questined Hinata blushing

"No way,now go try it on."said Ino pushing her into the dressing room

Hinata came out of the dressing room wearing Cardiff light blue bathingsuit with white seguls on it.

"Oh..My..God you look breathtaking."said Ino shocked this girl has a bod

"Dazzling!"said Sakura

"Sensational!"said Tenten

"You have to get it and if you don't want to show much you can get a cover up."said Sakura

"O-ok."said Hinata

Then suddenly came four guys about going into the dressing room,two holding swim shorts.

"H-h-hinata wha-what are you wearing?!"asked Neji not pleased

"Uh,uh,uh,uhhh.....I-I-"said Hinata quietly redfaced and looking down at the ground

"Shes wearing a bathingsuit,Neji,have you never seen one before."said Ino deffending Hinata knowing that her friend was embaressed and shy beyond belief,pushing her into the dressing room to get dressed

The rest of the guys seeing Hinata in the Bikini,had drops of blood coming out of their noses,wiping the

blood and blushing.

Hinata coming back out in her uniform, holding the bathingsuit, looking down at the ground and blushing.

"So what are you guys doing here?" asked Sakura trying to change the subject and trying to release tension

"Oh, uh, Neji got swimshorts in A&F, Shikamaru and Sasuke are getting swimshorts here, and after that we are going to get tickets for The Eye." said Naruto

"Dope, she meant what are we doing here in Hollister." said Sasuke

"Oh, yeah I've been waiting to see that movie." said Ino

"Me too!" said Sakura

"Ditto!" said Tenten

"Uh...it looks good." said Hinata quietly

"Well we're buying them for Friday night, so do you girls want to come too?" asked Naruto hoping the girl he liked would go

"Yeah sure, let us just pay for our stuff and we will meet you outside of Hollister." said Sakura

The guys went into dressing room well, the ones that had to try on swim shorts and the other two waited outside the dressing rooms. The girls went to the checkout.

"Oh I-I don't know if I should get this bathingsuit...." said Hinata

"Oh no don't let your cousin change your mind you should really get the suit." said Sakura

"Yeah." said Tenten

"O-ok, I-I'll get it." said Hinata

"Oh no I don't know how I could have forgot!" said Ino panicked

"What is it, Ino?" asked Tenten

"Well, we forgot about hair accessories, shoes, totes, sunglasses, jewelry, cover-ups, and like outfits to wear to the beach!" said Ino hyperventilating

"Calm down, Ino, we can get all that stuff Friday night when we come to see the movie." said Tenten

"Oh, great idea Ten!" said Sakura

"Ok,I'm fine."said Ino calming down

The girls finished paying for their stuff,went outside of Hollister and waited for the guys. The guys came out with bags in hand.

"Wait,I thought Shikamaru and Sasuke were just getting shorts?"questioned Ino

"Yeah they did,we got shoes and I had to get a new leather belt."said Naruto

"Ok,well lets go get the tickets."said Tenten

"H-hey Sasuke, um where is Reiko?" asked Hinata

"Oh she is at home I don't want her to see this movie and she already went shopping last weekend to get her bathingsuit, from some place called Delia's." mumbled Sasuke

"Oh ok then." said Hinata softly turning back to the girls

They all got their tickets and walked out of the movie theater.

"Do you guys want to go to the food court while we wait for the drivers?" asked Tenten

"Sure I'm super hungry!" said Naruto

"Hn." said Neji

"Sure why not." said Tenten

"Well, it's not in the food court but it's near it so let's change our direction." said Shikamaru

They changed their direction to through the food court and to the left.

"Ok we're here." said Naruto his arms spread open showing their favorite spot

"Well, before we go in I-I'm going to call my driver." said Hinata getting out her celly

"Wait Hinata,we can just take the stretch instead of taking two cars and wasting gas."said Neji with a different motive to taking one car

"O-Ok."said Hinata hesently

"Well,ok lets go eat."said Ino

"W-wait we still need to call the d-driver and tell him to get the s-strech."said Hinata dialing

"Hello? yes can you please bring the black,stretch limo ,please?"asked Hinata

"I'll pay."said Sasuke

"No,I'll pay"said Neji

"What a pain I'll pay."said Shikamaru

"Really I can pay."said Naruto

"Lets all just pay our own bills."said Tenten

They all took out the cash for their meals and a dollar for tip. Then they all walked out after paying for the food. Hinata called the driver to see how close he was, he was right outside waiting. They all walked out to get into the limo, girls then guys.

"Oh no Hinata we want to be your friends its just we never knew who lived in that house and its just so cool that our new friend lives in our neighborhood and in the super house."said Sakura

"Bye Neji, nice meeting all you girls." said Naruto waving and getting out

"Bye" said the girls

"Hn" said Neji

"So Hinata do you want a ride to school tomorrow, you know save the environment and all that stuff?" asked Tenten

"Sure, but I'll have to ask my Father first." said Hinata

"Ok just in me when you have I'll put you in the chatroom." said Tenten handing Hinata her screen

"Ok, but what's that?" asked Hinata the girls shocked

"You can probably use Hanabi's aim, Hinata." said Neji plainly wanting a certain girl's screen

"Ok thanks." said Hinata

"Yeah, get on Hanabi's then we will show how and to get a screen name." said Sakura

"Ok, I'll get on Neji's computer and make a screen name on my laptop." said Hinata

"Hinata,I want to talk to you before you get on the computer."said Neji sitting on his bed motioning for her to sit on his couch.

"O...K"said Hinata sitting down

9 - Chapter 9

Disclaimer:I dont own Naruto or any of the other characters.

Sakura was schemeing up a fun plan.

"Hey,Mommy?"asked Sakura innocently

"What,so you want my little cherry blossom?"asked Sakura's Mom while reading

"Well,my new friend that I met at school today,shes really,nice,shy,and quiet. Well,her Father is going on a business trip tomarrow,soooooo....."said Sakura knowing her Mother knew what she wanted

"Yes,she can stay with us until her Father comes back,Buuut-"said Sakura's Mother being cut off

"Aw,theres always a but with you."said Sakura pouting

"May I finnish?"asked Sakura's Mother Sakura shook her head yes

"But,I'm sure her father will want to meet me and he will have to say yes,but other than that its fine."said her Mother going back to her book

"Oh yeah,and Mommy can Ino and Tenten sleep over Friday night and can we all go to a movie too?"asked Sakura giving her Mom THE sad eyes

"Again,YES,now may I please get back to my book?"asked her Mother

"Sure,thanks,Mom,love you!"said Sakura giving her Mom a quick hug,then running upstairs to her room to call Hinata

Sakura was calling Hinata to tell her the good news.

Hello?

Hey Hinata,guess what?

Hhmm?

If you want you can stay at my house until your Father is back from his business trip,do you want to?

I would love to but I'll have to ask my Father first

Sure,but my Mom said your Father will proboly want to meet her so she said if you could give to give to her your Father's phone number

Sure,561-2297

So its settled bring your stuff you will need for tommorrow night and Friday and if you need to you can restock since we are neighbors you can grab stuff Friday after school

Ok,I will,TTFN Sakura

Haha,Bye Hin

The Next day

Sakura's Mother called Hinata's father they talked for about fifteen minutes.Hinata's Father descided to let her sleep over any time she wanted and hang out any time she wanted,the people and their parents seemed so nice how Sakura's Mother talked about everyone .She told Hinata's Father not to worry she was in good hands at all places and Hinata's Father said the girls were in alright at the Hyuga Mantion.

Hinata packed a few uniforms she got later in the day in a Aqua blue suitcase,along with a toothbrush,facewash,towels,a few different hair accesories,a brush,straightener curler ect,school shoes&sock.Then she packed sky blue,flannel pajamas,and a pair of jeans,a black&white burnout top,and a pair of cute tennys.

"Miss.Hyuga your ride is here."said the maid to Hinata

"Th-thank you,good bye."said Hinata running out the door with her suitcase,purse,and bookbag

"Hihi."said Hinata getting into the car

"Hey,you can leave your suitcase in here,my driver will drop it off at my place when we are at school,Hi Ten!"said Sakura as they arrived at Tenten's and she got in

"Sakura,maybe you should call Ino and make sure shes not running late again."said Tenten

"Your right."said Sakura sighing as she called Ino

Hey are you running late AGAIN this morning pig?

NO forehead I am not!

Ok well be there in like a sec bye

Bye

"Hi Everyone"said Ino getting in

They were driving to school for about ten minutes when they arrived, got out, and went to their lockers. The day went on just about the same as yesterday only it wasn't Hinata's first day and she had her hair down much to do with Ino, only she had two small, blue, bows tied in her hair on each side of her head.

At the End of the Day

"Aaahhhh finally the day is over."said Tenten sighing in relief

"Oh, uh, don't we have clubs today?"asked Hinata

"Nope that's only Mondays, Tuesdays, and Wednesdays."said Sakura

"B-but we never went to Social Community yesterday."said Hinata

"Oh that's only on Mondays and Tuesdays."said Ino

"Oh"said Hinata

"Out to the car we go!"said Ino marching straight outside with her bookbag in one hand and purse in the other both swinging from side to side

They all got outside to where Sakura's driver was waiting and the girls got in gabbing about the beach party.

The car dropped Ino and Tenten off then headed for Sakura's mansion.

"Oh Neji does know you'll be at my place so if he needs you or anything?"asked Sakura

"Yeah he does and he has my cell phone number if he needs help with Hanabi, the maids watch after her when he's out, when she's home earlier than him, and if he really does need it my aunts, uncles or the rest of my big family can watch after her, but she is 8 so she's not that bad."said Hinata

"Oh if you don't mind me asking where's your Mom?"asked Sakura

"She died shortly after Hanabi was born..."said Hinata her voice getting sadder

"Oh I'm sorry!"said Sakura

"Oh it's ok you didn't know."said Hinata

"We are here Miss."said the Driver

"Ok"said Sakura as both girls got out

"Hello Miss your Friend's things are in your room."said a maid

"Ok thank you,lets go up to my room."said Sakura

"Ok thank you,lets go up to my room."said Sakura

"Ok"said Hinata as they walked up to Sakura's room

"Wow!"said Hinata looking at Sakura's room

"You like it?"asked Sakura

"Yeah,its amazing!"said Hinata

Sakura's room was BIG with a walk in closet with shoe wall,shirt/dress wall,bottom wall,and accessories.With pink walls and carpet,basically a big pink room.

"Do want to start our homework?"asked Sakura

"Yeah,that might be a good idea,then I want to tell you something."said Hinata

"Ok"said Sakura as they got thier books out

They worked on thier homework for about forty-five minutes and finnished.

"Ok,what did you want to tell me?"asked Sakura

"Ok what I'm about to tell you you can't especially tell Tenten..."said Hinata waiting for a responce

"O...K"said Sakura

"Welll,you know Ten gave me her scn so when Neji set me up to im her I saw him slip her scn in his pocket... now I don't know what that means but I've heard him talk about her before since you know we live together in all."said Hinata

"Oh My God... this is so grat we won't tell anyone but Ino,I promise,this is so great,we have to figure out if she likes him."said sakura getting her phone out

"Wait,"said Hinata holding Sakura's hand down ",I have English with both of them,I can tell you how she acts around him if that will help?"said Hinata not wanting to make it a big deal that she knew it would eventually be

"Ok,tell me,but let me just fill Ino in."said Sakura dialing

"Fine."said Hinata sighing in defeat,now Ino was on speaker being filled in by Sakura

"Ok,Hinata."said both girls waiting for Hinata

"Ok well from what I know,she smiles real big when we talked to him,shes really cheerful,and she exclaims alot I guess,but thats all I really got. Really all i wanted to know is if Neji liked Tenten,I didn't think it would be this big,and shouls we really be medlling?"asked Hinata not sure about this

"Of course,neither one of them will do anything!"said Sakura like they do this everyday which they proboly do

"Ok so here is the plan."said Ino,Sakura listening,Hinata forcefully listening to her parts

"Lets review."said Ino

"Hinata,you call Neji Friday tell him to im Ten that we are all meeting at the food court,so you know they can start iming and stuff,we will all meet at the food court shop a little,then go to a resturant,we will say we have to go some where leave them there bring the guys,we'll tell them to meet us at the movies at 8 since the movie is at 8:10 and we already have our tickets get food and make sure no seats left exopt two next to each other."said Sakura

"Great,we'll work out tweeks as we go."said Ino

"Fine,but I don't like it,we should let them become a couple naturally."said Hinata worried this would back fire

"No,you see they would never get there themselves we need to give them a push in the right direction."said Ino still on speaker

"Well,I have to go,I have to pick out my outfit for the movies,bye."said ino hanging up

"Bye."said both Sakura and Hinata

"Do you want to go downstairs and get a snack?"asked Sakura

"Sure"said Hinata

"You know,I've noticed something,you don't seem to studder, much when your aruond us,its just around your cousin,guy,I think its people your not comfortable with and confident with."said Sakura as they walked down the stairs

"Yeah,I guess thats true."said Hinata

"I mean its good you don't studder alot but we could work on you not studdering at all,if you want we all could all help you?"asked Sakura

"Sure,that would be really nice!"said Hinata happy she could feel a little moe confident around people

"Ok,we can work on it tonight,since we finished all our homework we have the whole night."said Sakura as they walked into the kitchen where Sakura's Mom was making a snack for them

"I figured you girls would get hungry eventually."said Sakura's mother with a smile

"Of course!,what did you make Mom?"asked Sakura

"Cookies"said Mrs.Haruno

"Hi Hinata,its nice to meet you I've heard some very good things about you."said Mrs.Haruno

"H-hello nice to m-meet you t-too and th-thank you."said Hinata

"Here you go girls."said Mrs.Haruno setting cookies and milk on the table in front of them

"Did you girls finish your homework?"asked Mrs.Haruno

"Yes,I finished alot faster with Hinata's help."said Sakura taking a bite of a cookie

"S-same with me,I-I finished faster with Sakura's h-help too."said Hinata sipping her milk

"Good."said Mrs.Haruno

"Well,I have to go I have to do some work."said Mrs.Haruno

"Wait Mom,can we go over to Hinata's its 2767,so Hinata can get a few more outfits?"asked Sakura

"Sure,but be back before dinner."said Mrs.Haruno

"Okay,Mom."said Sakura finishing her milk and cookie as Hinata did the same

"Lets change into reg clothes and then we can go,k?"asked Sakura

"Sure."said Hinata as they both went up to Sakura's room to change

As they came down from changing they went out the door to Hinata's place.

Hinata knocked on the door not really wanting to use her key,the butler let them in as they went up to Hinata's room.There were Aqua walls and a sky blue carpet,with a canopy bed,a walk in closet,a bathroom,and a desk/vanity.

"Whoah!!!,nice room!!"said Sakura walking into Hinata's closet

"Hhhmmmm?what to wear?what to wear?"said Sakura to herself trying to pickout hinata's outfit

"Um?what are you doing?"asked Hinata quietly

"Picking out your movie outfit."said Sakura still looking at the limited options

"Something else we'll have to work on is your wardrobe,we can do that Sunday on a big shopping tripp or maybe the weekend after,to add to your closet,Ah eher we are this will be cute."said Sakura holding up a mini skirt and a blue zip up Holister hoody.

"This will be so cute,I have a great blue tank a home that will look spectacular!and you can wear a pair of tennies with anklets!"said Sakura all exited Hinata the exact opposite

"Uh Sakura I think your forgetting something."said Hinata

"Oh,what?"asked Sakura trying to think of what could have possibly have forgotten

"Well,leggings I won't wear a mini skirt with out leggings and a t-shirt not a tank top,that is my faveorite hoodie so thats a plus."said Hinata

"Come on Hinata you'll look so hot!and you've got to show off that rad bod of yours."said Sakura

"No chance this is one thing I will NOT budge on!"said Hinata firmly

"Ok then pick out a pair of jeans,a tee,and another hoodie."said Sakura

"Thank you,I will."said Hinata going over to the other side of her closet as she did that Sakura stuck the skirt,hoodie,anklet,and tennies in a tote

"Done"said Hinata

"Great,oh yeah,get your laptop just incase we need it for something."said Sakura

"Ok"said Hinata getting her laptop

"Got it"said Hinata

"Good,lets go."said Sakura

"Hold on,can we check on my sister?"asked Hinata

"Sure!"said Sakura they put the stuff down and went upstairs to Hanabi's room

"Hey!"said Hinata entering Hanabi's room

"Hi"said Hanabi getting up from her couch with Neji on the other side,with the TV on

"Nabi,this is my friend Sakura,Sakura this is my little sis Hanabi."said Hinata giving her little sister a hug

"Hi"said Sakura giving Hanabi a little wave

"Hiya!"said Hanabi giving Sakura a small hug

"Hey,Neji."said Sakura

"Hn"was all he said

"H-hi hows it going with babysitting?"asked Hinata

"Fine."said Neji not turning around

"Do you have my screen name and cell number in case of anything?"asked Hinata

"Yup"said Neji

"Are you going out tonight?"asked Hinata

"Yeah,the nanny will watch,Nabi."said Neji getting up to go talk face to face

"I'll be leaving in fifteen."said Neji

"Oh well Hanabi can come over until you get back,it'll be fun."said Sakura smiling at Hanabi

"Can I pleasssssse?"asked Hanabi to Hinata and Neji

"Are you sure Sakura?"asked Hinata

"Sure,we'll have fun."said Sakura

"Ok,then,Neji you can tell the Nanny,see you later."said Hinata taking Hanabi's hand

They got their stuff and walked over to Sakura's.

"Hey Mom Hinata's sister is gunna hang out for awhile."said Sakura

"Okay,does she want to stay for dinner?"asked Mrs.Haruno cooking dinner

Sakura looked at both Hyuga girls.

"If its not to much trouble."said Hinata

"Yeah Mom,no trouble Mom makes to much."said Sakura as they walked into Sakura's room

"So Hanabi-"said sakura cut off

"You can call me Nabi its like my nickname."said Hanabi smiling

"Ok so Nabi,do you spend alot of time with Neji?"asked Sakura

"Yup"said Hanabi

"So does he talk about a girl?"asked Sakura

"Sure does,only talks to me bout her cuz I don't go to your school."said Hanabi

"Is she sporty?Does she where here hair in buns?and is her name-"said Sakura again cutoff

"Sakura,we shouldn't pry!"said Hinata

"Sshhhh"said Sakura

"Yes but I don't know her name or her hair style."said Hanabi

"Girls dinner is ready."said Mrs.Haruno calling up the stairs

"Okay Mom coming."said Sakura as they all went down stairs

"Wheres Dad?"asked Sakura as they sat down

"Hes running late at work."said Mrs.Haruno

"K"said Sakura

They ate dinner for about a half an hour then Neji called and told Hinata that he was home,Hinata and Sakura dropped Hanabi at the Hyuga's,and went back to the Haruno's.

"Girls get ready for bed and then you can fool around."said Mrs.Haruno

"K"said both girls

They both brushed thier hair and teeth and got into thier pjs.Then got settled in Sakura's room.

"Did you set the alarm?"asked Hinata

"Yup,I'll get a shower at 6:00 and you'll get one at 6:30."said Sakura

11 - Chapter 11

Disclaimer:I dont own Naruto or any of the other characters.

They went to bed.

They both had a dreamless sleep.

The Next Morning (Friday Morning)

Beep,beep,beep,beep.Sakura turned over and turned the alarm clock off.

"Hinata?,we have to get up,do you want to take a shower in the guest instead of waiting for me?"asked Sakura still half asleep

"Huh?"asked Hinata still half dead,shes not really a morning person

"Shower you guest room,me shower my bathroom?"asked Sakura

"Yeah,sure."said Hinata starting to wake up

Both girls got thier toiletries and school clothes.Both also getting a hot shower to wake them up. They both got dressed and went back into Sakura's room to finnish getting ready.

"Hey Hinata,come here just for a sec,I want to do something with your hair."said Sakura,as Hinata started to walk over

Sakura tied a red/pink in Hinata's hair like a headband.

"Very cute!"said Sakura

"Ok my turn!"giggled Hinata as she tied Sakura's hair in a ponytail with a blue ribbon

"There adorable!"said Hinata as they both giggled

"Hey lets grab two purple ribbon for Ten's buns."said Sakura

"And a green ribbon to tie in Ino's hair maybe a half pony."said Hinata as they both grabbed ribbons

"Yeah and grabb two yellow ribbons for Reiko's hair we can but it in pigtails."said Hinata

"Yeah and grabb some ribbons for the guys' hair to while we're at it."giggled Sakura as Hinata laughed too

"We can put in their hair at lunch,we'll hold em down."laughed Hinata as they grabbed a bunch of ribbons from Sakura's box as they stuffed them into thier purses

"Lets go girls you'll be late."called up Mrs.Haruno

"Coming Mom."said Sakura as they both rushed down the stairs

"Here girls grab a choclate chip muffin."said Mrs.Haruno

Both the girls grabbed a muffin and thier bags,as they rushed toward the door.As a horn honked from outside.

"Oh Mom we will come back for our stuff then we are going to get ready for the movie at Tenten's."said Sakura as she and Hinata both ran out the door

"Hey look whos late now Billboard Brow."said Ino with a grin on her face

Sakura gave Ino a dirty look and started eating her breakfast,as did Hinata,eat her breakfast that is. All the girls we're in the car so they had no stops to make.

"Ten come here."said Sakura as she finnished her muffin

"Why?"asked Tenten as she slid over to Sakura

"You'll see."said Sakura as she tied two purple ribbons in Tenten's buns

"You too,Ino."said Hinata as she moitioned for Ino to come next to her

"O...k"said Ino as she slid over next to Hinata

Hinata tied Ino's hair into a half ponytail with the green ribbon.

"Hey look we are all wearing each other's fave colors!"said Ino as she looked at everyone's hair

"Yup,that was sort of the idea."said Sakura

"We have some for the guys too."said Sakura with a grin on her face

"Awwsome."said Ino grinning too

The first part of the day went fairly quick with much talk of the movie, the beach party, outfits and ectetera that they were gunna wear to the beach.

"Lunch! one of my faveorite parts of the day besides leaving." said Ino as they all got into the lunch line

They got thier lunches and sat down at thier usual spot of the Dinning Hall.

"Hey ladies can we sit with you?" asked a familiar voice

"Sure Naruto." said Sakura as the guys sat down on the opposite side of the table from the girls

"Oh yeah Hinata do have them?" asked Sakura suddenly remembering the ribbons

"Oh y-yeah." said going into her purse and handing each girls a ribbon

"Each of them has a specific color." said Sakura

"Turn around guys we have a suprise for you." said Ino

They all turned around nervously.

Tenten tied a silver ribbon over top of the pony tail holder that already tied his hair, Sakura and Ino had alterier motives for the ribbon thing, than it just being funny, though Tenten just did it because he was in front of her, or maybe not.

Ino did the same as Tenten to Shikamaru as he was sitting in front of her, though it being dark green.

Sakura tied the ribbon on the side of his hair into a bow, it was deep blue, being that Sasuke in front of her.

Hinata timidly tied the orange ribbon into a bow on one of his spikes, also because he was in front of her.

As soon as the girls tied the ribbons, immediately the guys turned around and looked at them.

Naruto just laughed and left the ribbon in. Sasuke tried to reach it to take it out but Ino and Sakura gave him a death glare that would scare a vampire. Neji really didn't care because his hair was already tied back. Shikamaru just said Thanks sarcastically and left it in.

"You guys have to leave those in, its sort of like a friendship pact." said Sakura

"Its a garentee that you will protect us from the scary movie." said Ino acting all innocent

"Whatever." said Shikamaru

"Hn." was all Sasuke and Neji said

"Hahaha thats funny I like it! but do we have to wear them in our hair all the time?" asked Naruto still

laughing

"No you don't have to wear in your hair, but you have to wear in your hair for the rest of the day, then you can whatever you want with it." said Tenten the girls decided all this in the limo

"Fine." said Naruto not laughing as much

They all ate for a while, then the bell rang, so they all went to their classes.

The day was ending quite nicely, they didn't get assigned any homework, and no tests to study for next weekend, but Kakashi said to find out about your family's history, he hinted at that it might be helpful with a project that was coming up soon.

The girls stopped at their lockers got their stuff and headed out to wait for the car, much like other students.

"Nice Naruto! I can't believe, wait no scratch that I CAN believe it! how could you forgot today was your day to drive us?!, you are such an idiotic fool!" said Sasuke very mad

"Hehehe sorry, I really did think it was Shikamaru's day." said Naruto scratching the back of his head

"Hey do you guys need a ride?, we have room since we are taking my car today." said Tenten

"Yeah, that would be nice since this Baka forgot, we would have to wait another half n hour." said Neji giving Naruto a dirty look

"Aw come on guys don't be mad I didn't mean to forget." said Naruto as Tenten's car arrived

"That's it!" said Tenten as all the girls gave the guys a smile to calm the mood

They all got in, it was very roomy, Tenten's car was a big one.

"Ok so Ino you have your stuff right?" asked Tenten

"Yuppers." said Ino

"Sakura, Hinata?" asked Tenten

"No." they both said

"Can you drop us off first then come back for us?" asked Sakura

"Sure." said Tenten

"Ino." Sakura hissed

"I know!"said Ino both we're thinking that once they dropped everyone off that Neji would be last right before Tenten picked them up again

"I'll go with you!"said Ino

"Ok!"said Sakura

They dropped the three girls off then the three guys.

"So..."said Tenten uncomfortable by the silence

"The movie will be really awesome,I think it has four scary stars."said Neji trying to make conversation

"Yeah,it is suppose to be really scary..."said Tenten trailing off not really that excited about it

"You don't like scary movies?"asked Neji

"No not really,they freak me out."said Tenten

"Don't worry if you want to step outside,I'll go with you..."said Neji looking the other way

"Thanks Neji,I really appreciate that."said Tenten her face getting a little pink

"No problem,any time."said Neji doing the same

"Here I am."said Neji as they arrived in front of the Hyugas'

"Bye see you later,Neji!"said Tenten smiling at him

"Bye Tenten,don't worry about the movie,I'll be here for you."said Neji ducking out of the car

"And I'll want you here for me."whispered Tenten under her breath

"Hey Ten,your blushing,smiling,and you look all googly eyed."said Ino as the three girls got into the car

"Oh yeah,well,uh,er,that is-"said Tenten blushing deeper and cut off

"Ok whatever it is you will tell us at your house."said Sakura looking at Ino

They drove to Tenten's house which was only about three minutes away. They got out of the car and went inside.Nobody was home but Tenten's older brother.

"Hey doube Ten!"said her older brother walking to great them with an apple in hand

"Hey James,oh yeah,this is Hinata Hyuga,Hinata this is my older brother James."said Tenten introducing her older brother he had long brown hair like Tenten's,green eyes,mucular,tall,and completely gorgeous

"Um,er,uh,hi."said Hinata looking at him quickly blushing then looking at the ground

"Ten,Mom said I should drive you girls to the movies and that Sakura's car was gunna take you to her for the weekend,she also said that since you'll be at the movie with guys that I should stalk you,so if she asks I was in the movie the whole time and you got really mad at me,I'll be out with Itachi instead,k?"asked James looking at all the girls

"Yeah sure,hey isn't Itachi Sasuke's older brother?"asked Tenten

"Yeah,so he won't be spying either,so don't do anything stupid."said James looking at Tenten,Ino,and Sakura

"Fine."answered all three

"Your quiet so I trust you."said James winking at Hinata which just made her blush deeper

"Go upstairs and get ready I'm not gunna wait all day!"said James

"Going,going."said Tenten

When they got up to Tenten's room they set thier stuff on her green carpet and Tenten,Ino,and Sakura all looked at Hinata.

"What?"asked Hinata not liking the stairing

"Do you like my brother?"asked Tenten

"W-well hes not un-unfortunate I-looking."said Hinata looking at the floor

"Oooooohhhh."said the three girls looking at each other giggling

"Well,no he is not."said Ino Sakura noddng her head in agreement

"Well anyway,lets get ready."said Tenten as she got her clothes she had a jean mini skirt,a green spaghetti strap top with a lighter green mid sleeve sweater and tennys she went to go change

Sakura put a pair of jeans on,a hot pink tank under a white draw string tank,with tennys.

Ino had on now a pair of skinny jeans and a purple,ruffled halter top,with a pair of purple flats.

Hinata was about to get dressed when Sakura sent her to get tenten's makeup bag from her bathroom.

"Ok Hinata doesn't want to wear the outfit I picked out,its super cute."said Sakura as Hinata came out of the bathroom with Tenten's makeup bag as she saw the outfit Sakura had picked out wear she laid her outfit she was shocked

"Now Hinata,I know you don't want to wear this but please just humor me tonight,ok?"asked Sakura

"No Chance!"said Hinata

"Ok plan B."said Sakura

"Hinata we will use force,now are you going to put it on,or do I have to call James and ask him to hold you down while I do it?"Ino threatened

"Fine,fine,fine!"said Hinata quickly as she gave them a dirty look and went to go change

She came out looking stunning.

"Now is this so bad?"asked Tenten smiling

"Yes!"said Hinata zipping up the hoodie and trying to pull the skirt down further

"Oh I don't think so,you look hot!"said Sakura encouragingly

"Yeah you really do,stunning,do you want James' opinion?"asked Ino going over and unzipping her hoodie

"No,no,I trust you."said Hinata as her phone started to vibrate

"Hello?"

"Oh,hi,Reiko,whats up?"

"Oh,uh,sure,but should you really?,ok,I won't get in the middle"

"Yeah I'll call you,yeah if you want to meet us at the mall at 6,yeah,ok"

"Yeah,it,was,funny,yeah,I have some for you too,yellow ribbons"

"Ok I'll see you at the mall,bye"

Hinata hung up the phone

"What was that about?"asked Tenten

"Oh Reikos going to meet us at the mall hang out for about a half an hour and then she has a date,she doesn't want either of her brothers to know since they both forbade her to see it,so we are on look out,she said shes seeing it with a guys in our grade which would make them doulbely mad,so when we leave some where with Sasuke we have to text her."said Hinata

"Ok,anything to help young love."said Sakura giggling as was Ino,Tenten was just shaking her head,and Hinata just sighed

"Lets go girls!"called James

"K"said Tenten as they all grabbed thier stuff and went down stairs

"Whatcha think?"asked Tenten

"Well,Ten your greens complement you,Sakura nice layering the tops,and Ino your shoes and Top match nicely!"said James pretending he knew what he was talking about

"Hiinaata...I like the skirt you have very nice legs,and the top really makes you look sexxy,I love it!"said James giving her a wild grin as Hinata just turned red

"Jeez,your such a But Head!"said Tenten smacking her brother

"We stil have to put make-up on so please drive smoothly."said Sakura

"Fine,but Hinata you don't need it."said James making her uncomfortable

"Yeah,yeah,yeah lover boy,lets just get going!"said Tenten pushing her brother out the door and into the garage with the others following

"Lets take the red BMW convertable,I want the wind in my hair."said James shaking his hair

The girls and James got into the car with tenten in front and the others in the back.Sakura and Ino did thier make-up first,while Tenten did hers in the front,and then Sakura and Ino did Hinata's consisting of eyeliner,mascara,lipgoss,and a splarkly eye shadow,the other girls had about the same,not using what they didn't need and also using what thier features did.

"Ok we are here,ladies."said James

"You all look very...attractive."said James smiling and grinning even bigger when he looked at Hinata

"Thanks,bye."said Tenten

"Tootles."said Ino

"Good Bye."said Sakura

"Bibi,nice uh,meeting you."said Hinata

"Bye Hinata,yes it was a great pleasure to meet you too."said James grinning

"I'll be at the mall the whole time with Itachi,so I'll be checking in once or twice."said James getting out of the car

"Ok,I know the drill,so Thank you,give our stuff to Sakura's driver when he comes,which should be at 10

er so,please try not to bother us too much,please and thank you!"said Tenten as they walked into the mall the girls seperating from James

"Lets go shop!"said Ino

"And listen to what was making Tenten,blush,smile,and give her googly eyes."said Sakura smiling,Tenten blushing again to think about what had caused all those things

"Lets go shop!"said Ino

"And listen to what was making Tenten,blush,smile,and give her googly eyes."said Sakura smiling,Tenten blushing again to think about what had caused all those things

"Spill it,Ten!"said Ino

"I don't want to!"said Tenten turning away from Ino and Sakura

"Guys I don't think we should make Tenten tell us,she will tell us when she wants to."said Hinata

"Thank you,Hinata!"said Tenten

"No problamo."said Hinata with a smile while Sakura and Ino just mumbled something under their breath about Tenten and Hinata being a stubborn two

"Fine Tenten."said Sakura and Ino in defeat

"Ok I'll tell you,I just didn't want to tell you because you said so,I wanted to do it in my own time."said Tenten again Sakura and Ino just mumbled something about being difficult

"Well,I sorta kinda really like Neji,and I think he likes me cuz these were his exact words'Don't worry if you want to step outside,I'll go with you'and also 'Don't worry about the movie,I'll be here for you'and when I said thanks I appreciate it he said'No problem,any time.'Oh my god hes so sweet and kind and and hot and I relly relly like him."said Tenten then she sighed a happy sigh

"Oh my Tenten he must really like you cuz usually hes not that nice to me."said Hinata smiling at her friend

"Oh Tenten this is so great we were planning to get you guys together we had a plan and everything-OW!"said Ino because Sakura elbowed her because she was telling Tenten

"I really didn't have much to do with it,I was against it!,honest!,I thought you two could get together on your own!really,and HA told you we shouldn't have meddled they would have gotten together eventually!"said Hinata deffending herself and gloating

"Wow Hinata when you get comfortable..."said Sakura

"Really guys I don't mind I sorta,kinda want to hear it..."said Tenten

"Well our plan was to get Neji to im you some how we're still working on that,then eventually we will all leave you guys alone at the resturant,then you'll have to meet us at the movie and only two seats next to each other will be left,thats it!"said Sakura proud of herself Ino also proud

"Well I like it but I don't know anything about it!"said Tenten she gave them a wink

"Right!"said Sakura,Ino,and Hinata

"Ok lets go shop,please!"said Ino anxious

"Fine"said the other three

"Oh yeah Reikos gunna meet us at Hollister."said Hinata

"Kay"said Sakura and Ino,Tenten was just staring into space thinking about someone

"Hey Ino look at Ten,take one guess what shes thinking about."whispered Sakura

"Nejiii."whispered Ino both girls giggled

"You know I can hear you."said Tenten

"Yeah we know."giggled both girls

"Ok we're at Hollister."said Hinata breaking up the fight

"Yup."said Sakura still laughing

They walked into Hollister looking around for a bit finding a few cute beach things,shorts,skirts,tanks,totes,flipflops,totes,ect.

"Hey girlys!"said Reiko sneaking up on them

"Omg,you know for a small girl you can really scare!"said Sakura trying to start her heart again

"Yeah,Tachi and Sasuke tell me that all the time."giggled Reiko

"So what are you gunna get,Reiko?"asked Tenten

"Oh well proboly just a top."said Reiko holding up a blue pink top that matched her eyes and ribbon in her hair

"Oh right,here."said Hinata taking Reiko's hair down and putting it in pigtail with the two yellow ribbons

"Oh pretty,I like it!"said Reiko looking at herself in a mirror

"Good."said Hinata

"Well,I'm gunna go pay and then go meet my date."said Reiko

"By the way,who is your date?"asked Ino

"Oh his name is Kiba!"said Reiko

"Oh I know him hes in like most of our classes,right Hinata?!"said Sakura

"Uh right."said Hinata not knowing who this guy was

"Well,call when the movies over and when you get home so we know you're safe."said Hinata motherly

"Fine,Mom."giggled Reiko as she skipped off to pay for her shirt

"Well,then I'm done I have top,bottom,tote,and flipflops."said Ino

"Yup"said Sakura agreeing having the same load

"Me too."said Tenten

"Ditto!"said Hinata

"But we don't have accessories."said Tenten

"Yeah I know thats what we will get while you and Neji have alone time,we'll get yours,we know your style."said Sakura

"Ok..."said Tenten suddenly nervous

"Lets go pay."said Hinata

They paid for their stuff left hollister and went to the food court to wait for the guys.

"Whoah can you girls shop!"laughed a familiar voice

"Haha,lets go eat I'm starving,same place as last time."said Ino

"Yes of course,ma'lady."said Shikamaru motioning towards Johnny Rockets

"You guys are so cocky,ya know that?"said Sakura

The guys just looked at each other and all said "Yup!"

They all went to Johnny Rockets and ordered the same thing they got the last time. They were just

finishing up when...

"Omg I forgot to get my hair stuff!oh no,oh no,oh no,what am I going to do the party is tomorrow!"said Ino in a panic

"Calm down Ino we'll get our hair stuff right now,come on Hinata you need some jewelry and sunglasses too,right?"asked Sakura

"Right but our stuff is in different stores,so you get the hair stuff and I'll get sunglasses,and Ino can get jewelry,since we only need to go to three different stores."said Hinata

"Do you guys want me to get something?"asked Tenten

"No,no you finish your food we'll get it."said Sakura

"Although I don't want to walk around the mall alone...theres wierdos at night..."said Ino trailing off

"I'll go with Ino,don't want you to getting kidnapped who would tie ribbons in my hair."said Shikamaru sarcastically

"Fine,with me!,I still have more ribbons."said Ino grinning

"Greaat."said Shikamaru sacastically again

"Sakura do you want me to go with you?"asked Sasuke

"Yeah,that would be great,I've been watching to much of the news it always freaks me out,I don't want to be alone."said Sakura

"Ok lets go!"said Hinata getting out of the booth leaving her share of the check on the table,the rest of them doing the same

Hinata was walking towards Forever21 to get sunglasses when suddenly someone grabbed her arm.She turned around and saw a guys about in his 20s.She tried to get away but he had a tight grip.

"Hey let go of me!"said Hinata

"No way sweety I like you!"said the guy

"I'll scream!"said Hinata trying to build up a scream but her mouth was to dry with fright

"See I don't think you will!"said the guy when suddenly someone punched him

"Hinata,Hinata are you okay?"asked the guy as he caught her,she fainted

"Hinata,Hinata?"asked the guy again

"Oh Naruto!thank you so much I-I was so scared!"said Hinata

"Its okay,your safe now."said Naruto they were sitting on a bench

"I know,I'm so sorry."said Hinata

"For what?he attacked you"said Naruto

"For making you save me."said Hinata blushing crimson red

"Don't be,I was trying to catch up to you,no girl should walk the mall alone its dangerous,I'm glad I got there in time to save you."said Naruto

"Thanks again."said Hinata

"Sure,so what do say we go get those sunglasses?"asked Naruto

"Ok."said Hinata

They went into Forever21 Hinata picked out four pair of sunglasses and she got for herself a really cute,casual dress and a formal dress and shoes for a future event of her father's that Neji,her,and Hanabi would need to attend.

"Lets go to the movie."said Naruto as he took most of her shopping bags.

Meanwhile with Ino and Shikamaru

"Come on Ino just pick a pair of earrings its not that hard!"said Shikamaru getting annoyed

"But I don't know what will look better on me."Ino complained

"Ok,well I like the blue and purple dangly ones they make your eyes look amazing."said Shikamaru picking up a pair that hadn't crossed her mind

"Well,uh,ok,thanks,I'll get those ones."said Ino blushing

As she went up to pay for all the jewlery she had picked out,when Shikamaru took the ones she was going to get for herself and paid for those himself.

"Wow,thanks Shikamaru,your so sweet."said Ino blushing again

"Anything to get you moving along."was his excuse

"Now lets go to the movie!"said Ino cheerfully

Meanwhile with Sakura and Sasuke

"Thanks again Sasuke for coming with me."said Sakura as she paying for the hair goods

"No prob."said Sasuke

"So you like scary movies?"asked Sasuke with a smirk

"Yeah,I do its the thrill that gets me."said Sakura

"Oh,so you don't get scared?"asked Sasuke still smirking

"Well,of course I get scared thats what I love."said Sakura as they were walking out of the store

"Oh."said Sasuke still smirking

"Do you get scared,no,is what you're going to say to be all mocho,but you really do."said Sakura

"Actually yes I do get scared thats why I like to have something to hold on to."said Sasuke smirking even bigger and loking at Sakura

"Oh."said Sakura blushing

"So if you don't mind could I have the arm rest?"asked Sasuke

"Oh,whatever."said Sakura mad and a little disapointed

"Unless you want me to hold you?"asked Sasuke his eyebrow up

"No I'm fine."said Sakura

"Fine then."said Sasuke still smirking

Before with Neji and Tenten as soon as everyone left

"So..."said Tenten

Neji started to laugh.

"What?what did I say?"asked Tenten

"Its the same thing you said when we were in the limo and it was silent and we started talking."said Neji still laughing

"Well,I guess I say that when I'm trying to break a silence,hmph."said Tenten mad

"Oh Tenten don't be mad please...I-I-I."said Neji trying to get his words out

"What?"said Tenten turning around slowly her anger dimming

"Well,I like you Tenten,I like you alot,and well I-I was hoping you-"said Neji cut off by Tenten him a small tint of red on his face

"Neji I like you too,alot."said Tenten also blushing

"Well,um,then since I like you and you like me do you want to be my-?"asked Neji cut off again

"Yes Neji I would absolutely love to be your girlfriend!"Tenten hugging him

"Great!"said Neji as he kissed her lightly on the lips,they both blushed deep red

They walked hand in hand to the imax, to where the others were waiting.

"Awww Ten."said Sakura

"Omg you guys are a couple!,I-I think I'm going to faint!"said Ino giddy

"I'm so happy for you guys!"said Hinata smiling at one of her best friends and her cousin who is like a brother to her together,as a couple

The guys just smiled at Neji and Tenten together.

"So lets see a scarrry movie,oooooo."said Naruto teasing the girls they just giggled

"So lets see a scarrrry movie,oooooo."said Naruto teasing the girls they just giggled

They all walked into the imax,to see The Eye.

"Oooooo,scary movie,hey Sakura,if you get scared do you me to hold you?"asked Sasuke joking

"Oh please would you please I'll be so very scared!"said Sakura joking too

"OK!"said Sasuke grabbing Sakura and holding her tight to him,her back to him,Sakura started to blush madly

"Hey Sakura,you look like Hinata when shes around James,your face is pinker than your hair!"said Ino laughing her head off as Hinata also started to blush madly too

"Whos James,Hinata?"asked Neji

"Uh,er,that is um..."said Hinata at a loss of words and deepening in her blush

"Oh hes my older brother,hes friends with Sasuke's older brother Itachi,I think hes taken a liking to Hinata,well it seems that way he keeps complementing her-eeep what did I just say!"said Tenten realizing she was telling Hinata's overprotective cousin everything

"Hinata do you have feelings for this James guy?"asked Neji anger building up

"Ummmmmm..."said Hinata searching for words

"What are we getting from the consention stand?"asked Ino saving her friend

"Um Sasuke,yeah the holding thing,I can't really move."said Sakura as Sasuke was still holding her

"Oh right,uh,if you get scared."said Sasuke winking at Sakura trying to save his cool butt

"Yeah sure,but you'll be the one thats scared first."said Sakura

"Wanna bet?"asked Sasuke

"Yeah I do!,cuz your going to lose cuz your so cocky!"said Sakura

"Fine its a bet,whoever gets scared first has to kiss the winner."said Sasuke grinning evilly

"Fine,but if I win you have to...hmmm let me think about it."said Sakura knowing she would win,she has a very good poker face,Sasuke and Sakura shook hands as the others waited with lots of food

"Geez,how much did you all get?"said Sakura

"Don't look at me all I got was a drink and a medium popcorn I'm happy to share."said Ino

"I just got a drink and a box of Junior Mints."said Hinata

"A drink and me and Neji are sharing a popcorn."said Tenten,a slight blush across her face

"Well,I got Nachos,a hot dog,a drink,candy,and popcorn."said Naruto,the girls just stared they could never eat that much

"A drink,candy,and Nachos."said Shikamaru

"I got popcorn and two drinks."said Sasuke reappearing and handing Sakura a drink

"Ok movie time!whos gunna scream?"asked Ino

"That will proboly be me,I jump and scream when the scary stuff pops up on screen."said Hinata nervous

"Great I love to scream,it will be interesting to see you scream,Hinata."said Ino

"Oh believe me it doesn't take much for her to scream,she jumps and screams at every little thing,everything scares her."said Neji sighing

"Thank you,Neji"said Hinata sarcastically

"Welcome cuz."replied Neji returning her remark

They all walked into the theater,the light was very dim as the previews were about to start.

"Oh no theres only four seats in these two rows."said Ino

"Well Neji and Tenten will be two and me and Sasuke will be the other two in that row and you four will be right below us."said Sakura

*"Ha Sasuke I'm not going to lose to you,I'll be right by you so if you so as flinch I'll see,but then again is that the only reason I want to sit by him,I mean he is sorta really hot and he is really considerate under the cockyness,No!thats it I just want to win"*thought Sakura as she was fighting the idea of liking Sasuke

Tenten sat next to Neji and she also sat next to Sakura who sat next to Sasuke,Sasuke and Sakura both sat inback of Ino and Shikamaru,Ino was sitting next to Hinata who was sitting next to Naruto,Hinata and

Naruto sat in front of Neji and Tenten. The girls in front of the girls and the guys in front of the guys. So Tenten in back of Hinata, Neji in back of Naruto, Sakura in back of Ino, and Sasuke in back of Shikamaru.

A scary creature jumped at the door in the movie which startled the whole movie theater, each person having their own reaction.

Hinata screamed bloody murder then covered her eyes and put her face on Naruto's shoulder. Naruto just jumped up in his seat then hid his eyes but peeking through them.

Tenten hid in Neji's chest as Neji hid his eyes in her hair (gory stuff goin on)

Ino screamed and hid her face as horrid things were happening, she hid her face in the arm of Shikamaru as he just covered his eyes with his available hand.

Sasuke flinched as glass flew into the main characters eyes, or was that really the reason, Sakura smiled very big as he got scared first then she screamed with the rest of the theater and hid in Sasuke as she was terrified, Sasuke put his arms around her as he closed his eyes. Most like the group the rest of the theater also hid their eyes at the horrible scene.

Then the movie finally ended, as everyone exited Sakura gloated in how Sasuke was scared first then his retort was that she was in his arms five seconds later. Neji really didn't say anything because he enjoyed Tenten in his arms. Shikamaru could go without teasing Ino because well, she could hurt him or worse, he really didn't want a headache. Naruto really didn't tease Hinata he liked her too much.

"Whoah Hinata!! think you might have been the loudest scream in the theater. You really have a mouth on you girl!" said Ino

"Ino it's impossible to beat your loud mouth." said Tenten as she winked at Hinata

"That is so true, Ten!" said Sakura shaking her head

"You know what?!" said Ino all mad

"What?!" asked Sakura and Tenten

"You two aren't quiet, shy angels yourselves! and another thing-!" said Ino raged, mad and cutoff

"Ok, ok, Ino we're sorry." said Tenten and Sakura trying to calm Ino down before they really got it

"That's what I thought!" said Ino happy with herself and calm as calm as she can be

"Hey what are you girls doing tonight?" asked Naruto as they walked through the mall to go and wait for Sakura's driver

"Oh we're having a slumber party at Sakura's." said Hinata

"Hey are you going to wear little nighties and have pillow fights?!" asked Naruto sorta excited and all of the guys going into a little daydream except Neji who did NOT imagine his cousin who is like his sister

"No!" screamed all four girls waking the guys up from their day dreams, as Ino punched all four guys for

imagining them naruto extra hard for asking

"And we won't braid each others hair and run around the house in little nighties that are cold and uncomfortable!That is such a sterotypical sleepover,it makes me sick!"said Ino in disgust the other girls also in disgust

"Ok sorry!"said Naruto before Ino really got mad which he just witnessed a small portion a little bit ago

Sakura's phone began to ring,it was her driver.

"Ok my driver is here."said Sakura hanging up her phone

They all walked out to the white,superstretch,limo and got in.

Now: sorry its so late at night I had like so much fun today I was at the park by my house all day,I love the swings!and the woods,and the super hot guys playing soccer,shirts and skins!WOW! fun day well that wasn't the only reason I had a sleepover last night with pinkEnVxo ,lol awesome we made myspaces,and the idea I got for the sterotypical slumber party was from this perverted guy friend of mine,we were texting,he was asking me if we were wearing little nighties and having pillow fights,I have to remember to punch him Monday,lol!! guess it helped though,lol! And the scary parts in the movie are not in order and are all mixed up but I think almost all happened a while since I've seen the movie!Yeah ok maybe I'll start Naruto:New year up next week!Oh Drama will occur in next chapter between sasuke,Reiko,and Kiba!You know I had to put drama in with them,sasuke finding his little sister with an older guy,kissing,oh no! ok so that was a spoiler,but for the spoiler leave comments please they are very much loved!Yeah almost forgot check out pinkEnV's gallery she has some really good stuff and please leave comments on her stuff! ok so I just edited! sorry about any mistakes I missed I don't think I missed that many!

14 - Chapter 14

Disclaimer:I dont own Naruto or any of the other characters.

"Ok my driver is here."said Sakura hanging up her phone

They all walked out to the white,superstretch,limo and got in.

"Hey so which one of you guys wants dropped off first?"asked Sakura

"Uh,that would be me I have a strict curfue,I just got off a grounding."said Shikamaru

"Ooo what did you do?"asked Ino

"Over Thanksgiving break actually on Thanksgiving,my Mom asked me to dress the turkey and I took it to literally,I put a bra on it and one of her channel dresses on it,it was well worth it."said Shikamaru laughing along with everyone else

"That was a good Thanksgiving,hey you still have the pictures right?"asked Naruto

"Yeah I do,I'll bring them to the beach tomarrow."said Shikamaru

"Ok we're at your house Shikamaru."said Sakura as Shikamaru climbed through the limo to the door

"Hey Shika,thanks again for the earrings."said Ino pink going across her face

"Yeah whatever,thanks for the ribbon,Ino."said Shikamaru steeping out of the limo

"I'm next."said Sasuke

"Ok."said Sakura telling her driver the next stop

Then Hinata's phone began to ring.

Hello?

Hey Hinata I'm almost home just wanted to tell you!

Ok Reiko!!I'll talk to you later about the details.said Hinata as she hung up

Then they were at Sasuke's place two different cars were in the driveway.

"I know the one car is James' but whos is the other?"asked Tenten

"I think Itachi and James are in still in the BMW but whos in the other one?"asked Sasuke looking around the limo everyone shrugging

When suddenly Reiko and Kiba stepped out of the car everyone was wondering about.Sasuke was furious,he reconized Kiba he was in his classes,he was out with HIS younger sister!Kiba and Reiko were walking to the front door,Kiba was leaning down to give Reiko a goodnight kiss.When Sasuke stormed out of the limo and started yelling.

"You get away from my younger sister before I beat the crap out of you!"said Sasuke

"Sasuke go away! I like him do you have a problem with that?and he likes me too!"said Reiko

"No way! get inside the house Reiko and YOU go away before I commit a murder!"said Sasuke by that time everyone was out of the limo and Itachi and James were getting out of the BMW

"Night Reiko,I'll call you later."whispered Kiba as he kissed her on the cheek and left

"No he will not!"said Sasuke

"Now Sasuke let her have a little freedom."said Itachi

"Are you taking her side?!"asked Sasuke still raged

"Yes I am."said Itachi

"Reiko darling would you like to spend the night at one of your friends,as long as its ok with them?"asked Itachi

"Yeah Reiko,get your stuff for the beach and over night stuff and you can stay over my house."said Sakura

"Ok,I'll go get my things."said Reiko fighting back tears running into the Uchiha's

"Itachi I can't believe your letting her off the hook after the guys that usually like her what if hes like HIM?!"asked Sasuke

"I don't think a guy like HIM would be at your school."said Itachi

"Who?"asked Sakura

"No one!"said Sasuke

"Ok"said Sakura disapointed that he was so rude to her

"Hey James how long were you guys at the mall?"asked Tenten

"Uh as long as you guys,hehe."said James

"Geez,you couldn't leave us alone."said Tenten mad

"Well Itachi wanted to see One Missed Call and I wanted to see The Eye,Itachi just happened to be in the same theater as Reiko,and I just happened to be in the same theater as you guys."said James

"Oh My God your imposible!"said Tenten

"Lets just all calm down everyone."said Hinata feeling the tention in the air

"I think that is an exellent idea,Hinata!"said James smiling at her,her face going pink again

"Uh thank you?"said Hinata

"Is this James?"asked Neji getting angry

"Yup,I'm James,who wants to know?"asked James

"Neji Hinata's cousin."said Neji getting madder and madder

"Do you like Hinata?"asked Naruto ,Hinata just looked at him

"Yeah I guess I do shes hot,sweet,nice,and seems really smart."said James

"Well,if you liked her you would like to know she was attacked at the mall today by a wierdo,who knows what he wanted with her?"said Naruto starting to get mad also,Neji looked at him questions all over his face,Hinata looked at him wondering why he would bring it back up

"What are you ok,Hinata?"asked James at her side suddenly

"Yeah I'm fine."said Hinata

"Really?are you really,ok?"asked James

"Yes really I am,Sakura I'm going to go wait in the limo."said Hinata mad that Naruto told everyone what happened

"Yeah I'll wait with you."said Sakura giving Sasuke a sad look

"Sakura?"said Sasuke but Sakura and Hinata were already in the limo

"Ok I'm ready."said Reiko coming out of the house

"Ok lets go its getting very intense out here."said Ino

"Ok."said Reiko

"By Tachi love you."said Reiko giving her older brother a hug

"By Rei,don't be to hard on Sasuke,he means well,forgive him soon."said Itachi

"Whatever you say Tachi."said Reiko

"Have a good time."said Itachi

"Ok."said Reiko as she,Tenten,Neji,Ino,and Naruto stepped into the limo

"Hey Hinata,I'm really-"said Naruto cutoff

"Naruto save it,shes not in the mood right no."said Sakura

"Ok,then,can I call her later to apologize?"asked Naruto

'Yeah call later'

"Thanks,Ino."said Naruto outside closing the door

"Yeah thanks Ino."said Hinata sarcastically

"Don't mention it,Hinata!"said Ino

"I was being sarcastic."said Hinata

"I do not!"said Hinata

"Whatever you say."said Ino

"Miss we are at your manor."said Sakura's driver

"Ok thank you,lets go,Reiko I want to know who HIM is when we get in my place,and why Sasuke was so worried about you."said Sakura

"Kay."said Reiko as they all went into Sakura's house

They were all in Sakura's room and waiting for Reiko to spill.

"Ok,ok,well HIS name is Deidara,he use to stalk me,he really creeped me out,and when Sasuke found out he got so furious he beat him up and told him if he ever came within 20yds of me he would call the police to report him,and since then Sasuke has the idea that every guy that likes me is like Deidara and chases them all away,thats why I tried to keep Kiba a secret,because I really like him and I think he really likes me too."said Reiko

"Wow!I'm really sorry that Sasuke found out about Kiba and that that Deidara guy stalked you."said Sakura the other three nodding in unison

"Well thanks and I'm sorry he was so rude to you before,Sakura,I heard,while I was packing."said Reiko

"Oh,well,thanks."said Sakura

"Ok now Hinata what happened with you?"asked Tenten

"Wow Hinata!are you really ok though?"asked Sakura

"Yeah I think so,I don't really think it has sunk in that I was almost kidnapped,but I'm trying not to think about it."said Hinata

"Ok lets go surf!" said Naruto as he grabbed the two surfboards and Hinata's hand her blushing even deeper

"Um Naruto I'm not very good at surfing." said Hinata

"Don't worry Hina, I'll catch you if you fall." said Naruto

"Wait Naruto!" said Hinata as she stopped a few feet away from the ocean

"What?!" said Naruto looking around

"I need to undo my hair and put my headband by my stuff." said Hinata

(<http://www.youtube.com/watch?v=tO81GPCGg0k> then go to my blog labeled Next Contestant to see the lyrics it really makes sense about a certain shopping trip and this chappie)

"Ok let me put the boards down for sec..." said Naruto as he ran past Hinata towards his stuff and turned on his Stereo and turned it to a specific song

"What are you doing?" asked Hinata

"Oh I need music when I surf and I love this song!" said Naruto scratching the back of his head

"Oh me too! I love Nickelback!" said Hinata taking her hair out and shaking her hair out while the wind blew, Naruto stared

"Hey Hina what do you say Next Contestant is our special song since it has some significance to us." said Naruto

"Ok! that'd be great Naru!" said Hinata giggling

"Ok, now lets go surf." said Naruto as he grabbed Hinata's hand and ran towards the surfboards

They put the ankle thingys on their ankles and they got onto the surfboards belly on the board and started swimming towards the waves. Once they go to the waves they stood up and surfed. Naruto was doing great as normal and Hinata was doing pretty well she was a little wobbly but standing and surfin.

"Hey Babe!" said some surferboy to Hinata as he was checking her out

"Um hi." said Hinata starting to wobble on the surfboard

"Whoah honey you need some help there."said the surferboy as he surfed over next to Hinata and grabbed her butt as she was wobbling,she went beat red and Hinata screamed and slapped him

"HEY! what do you think your doing?"asked Naruto

"Just havin some fun!"said the surferboy taking his hand of Hinata

"Hey sweety I'll see you later."said the surferboy as he caught another wave

"Hina?"asked Naruto

"I'm fine Naru!"said Hinata as she smiled at him

"Let me show you something."said Naruto as he surfed up to the top of the wave then jumped down next to her again

"WOW!that was amazing!"said Hinata

"Thanks I've been practicing that for a while now,you're the first person I've shown that to."said Naruto

"Thanks Naruto!"said Hinata as she blushed again

"For what,Hinata?"Naruto asked

"For yelling at that guy and for letting me be the first person to see your surferthingy."said Hinata

"Sure"said Naruto scartching the back of his head

"Lets go take a break then take we'll go back out."said Naruto

"No thats ok,you can go I'm going to stay out here,I'm just getting good."said Hinata

"Ok I'll stay with you then."said Naruto

"Ok now you watch me."said Hinata

"Be careful,please."said Naruto

"Don't worry."said Hinata giving him one of his own grins

"Sayin that and giving me my smile just makes me worry more."said Naruto

Then Hinata went further and further up the wave to the top and then went straight down and did a loop around Naruto,him stunned,as she went next to him agian.

"Whoa!Hinata I didn't know you had those moves you have to show me them some time."said Naruto

"I learned from the master."said Hinata

"Thanks."said Naruto

"Ok now I'm ready to take a break."said Hinata

"Ok,just surf down the wave and ease on to your stomache and paddle to the shallow waters-"said Naruto as he was cut off

"Thanks Naruto I've surfed once or twice before I just wasn't good but I know how to get to land thats what I did most."said Hinata then she laughed

"Ok then just be careful,these waves are nasty."said Naruto

They surfed down to the waves towards the waves when suddenly...

"Whoa!"said Hinata as she saw a big wave then was hit by it hard and knocked off her board

"Hinata?!"said Naruto as he took his ankle thingy off and dove in after her

"Ick I hate the taste of salt water."said Hinata as she grabbed onto her board with Naruto's arm around her waist,then he swam to his surfboard

"Yeah it does taste bad and you're really not suppose to drink it."said Naruto then he laughed so did Hinata,they both got onto their boards and sat on them and just relaxed in the shallow waters

"Lets go back and get some food and a real drink for you."said Naruto

"That sounds good."said Hinata and they both started to paddle

Hinata and Naruto got back to the main land and started to walk back to where there stuff lie.They got to their stuff and put their boards down.Everyone was looking at them,they just grabbed their towels and started to dry of.

"What?!"asked Naruto and Hinata was just blushing

"I just didn't know Hinata you could surf like that we saw your trick it was,SPECTACTULAR!"Sakura said

"Hey Dummy,why didn't you show us your new move?"asked Sasuke

"One don't call me Dummy,Two because I just perfected it last weekend."said Naruto

"Um I'm not very athletic actually I'm a big clutz,but ZI guess it'll be fun."said Hinata trying to smile

"Fine!Shika are you good?"Ino asked

"Yeah I'm pretty good."said Shikamaru

"Fine your on my team and I call Tenten!"said Ino

"Fine I call Hinata!"said Sakura

Tenten and Hinata just looked at each other and sighed,then walked to their side of the court.

"Well Neji is going to be on whtaever team I'm on,got it?"said Tenten as she grabbed Neji into the very competitive game of volleyball

"Hn"said Neji as he took his place in the back with Tenten

"Sasuke your over here!and you better be good."threatened Sakura

"Hn,I'm good."said Sasuke

"Naruto you better not mess up,you better be good too!"said Sakura as she glared at both guys Ino did the same to Neji and Shikamaru as both Sakura and Ino were giving very intence and threatening pep talks

"Oh Sakura I don't want to lose the game for you,maybe you should find someone else and I can just keep score."said Hinata

"Don't worry Hinata,you'll be great just don't trip keep your eye on the ball,have a spot to aim for,don't hit any of our players,hit in the other side of the court,and remember spike and punch the-"said Sakura as she was cut off

"Sakura I know how to play volleyball I'm just not very coordinated."said Hinata

"Fine,positions are Naruto your in the back and Sasuke can you serve?"Sakura asked

"Hn."said Sasuke

"Ok your in back and serving and Hinata will be right and I will be on the left front,remember Hinata spike,spiking is the only thing you need to do since your in the front."said Sakura trying to encourage her friend

"Ok got it!"said Hinata still nervous though

"Tenten your serving and Neji your in the back also and Shikamaru your in front right by Hinata and I will have Forehead!Now go team go!"said Ino as they broke and went to positions

"Ok break!Go Team go win,win,win!"said Sakura as they went to their positions

"We play to 20 points."said Ino

"You're first serve Ino."said Sakura

"Right,Ten,serve it to them."said Ino

Tenten rolled her eyes and served the ball it went to the other side and Sasuke bumped the ball to the other side to Neji who also bumped it to Sakura who jumped up and spiked the ball down.

"HA!point for us!"said Sakura to Ino

"Whatever the game is still getting started."said Ino

The game went on like this for about an hour until the score was nineteen Ino's team and eighteen Sakura's team.

"Sasuke,we really need the points,so serve it right."said Sakura

"Hn"said Sasuke as he served the ball and Sakura's team got another point as Shikamaru missed the ball,now the score is tied

"Ok this point settles the game."said Ino

"Right the team that scores next is the winner."said Sakura

"Ten you serve,serve for the win."said Ino

"Ok Ino."said Tenten as she seved the ball it was going towards Hinata and the ground

"I got!"said Hinata as she tried to spike the ball but tripped and then instead of spiking the ball she dug the ball as she was falling,then Sakura spiked it over the net and they got the fifteenth point

"Ow that hurt.Did we win?"asked Hinata as Naruto helped her up out of the sand

"Yeah we did!thanks to you Hinata!,you ok?"Naruto asked Hinata

"Uh,I think so its just I think I just might have hit my head,I told you I'm a big clutz."Hinata said

"Hey what time is it?"asked Hinata

"About fiveish maybe earlier,you sure you're ok,you look really pale and you look woozy,do you feel dizzy,like your gunna faint?"Naruto asked as he saw Hinata get pale and get wobbly,so he put his arm around her waist

"No I feel fine,just a little thirsty"said Hinata rubbing her head

"Ok but I'm gunna hold onto you just in case,lets get something to drink."said Naruto as they walked over to where their stuff was and everyone else

"Hinata you're the best!!!you totally won us the game!! I told you you are awesome and you could do it and you did!! I'm just so happy!"said Sakura as she squealed with glee in winning the game

"Oh Hinata you did great!"said Tenten

"Yeah you did awesome I should have put you on my team."said Ino

"Hey Hinata whats wrong we won?"asked Sakura just noticing Hinata was pale and wobbly

"Oh its nothing I just hit my head on my way down to victory and I'm dehighdrated."said Hinata

"Hn here."said Sasuke noticing Hinata's condition before and grabbed her a water bottle

"Thanks,Sasuke."said Hinata as she took the water bottle and drank half the water

"Good some of the color is returing to your face."said Sakura

"Lets go swim for a bit then get dinner."said Tenten

"Ok."everyone agreed as they all went to swim the girls just stayed in the shallow water and the guys got squirt guns and started a water gun war.

The girls stayed in the shallow water and had splash fights and threw a beach ball around.While the guys continued they're water gun sometimes catching a glance of the girls splashing around and throwing the beach ball.

"I say we stop this war and go splash around in the water with the girls."said Naruto

"Agreed."said the other guys

The guys went over and Hinata splashed Naruto as soon as he got close and Neji picked Tenten up bridal style and playfully he threw her into the water.Then Tenten came up behind Neji and playfully pushed him into the water,once he got up he chased Tenten through the water.Ino,Hinata,Shikamaru,and Naruto were having a splash war.Sasuke and Sakura were throwing the beach ball back and forth.They all did this til about 6:30.

"I'm getting hungry do you guys wanna go get food?"Ino asked

"Yeah."answered everyone else

They all walked towards the little hut by the beach that Naomi's parents had built for the party.Then Shikamaru grabbed Ino's hand.

"Wait Ino,come with me."said Shikamaru

"O-ok."said Ino as she blushed because Shikamaru was holding her hand and leading her to a different part of the beach.He stopped at a part of the beach with rocks and the waves crashing onto the rocks,he then lead her onto the rocks.

"Ino,I,uh,see its like this-"Shikamaru said then he was cutoff because Ino had kissed him she and he were blushing but it didn't matter,she broke away and was looking down at the ground

"Wow! that was much better than what I was going to say."said Shikamaru then he lifted Ino's chin up and looked into her eyes

"Ino do you like me?"Shikamaru asked her,she nodded her head

"Good,then that means your now my girlfriend and I'm your boyfriend."said Shikamaru then he kissed Ino,then they broke apart

"Do you wanna go get something to eat now?"Shikamaru asked her,Ino just nodded

They walked back to where everyone else was.While they were walking Ino put her head on Shikamaru's shoulder and just enjoyed his warmth and his musky yet sweet smell.

Now:sorry its sorta late I was busy today my friend slept over last night and we stayed up til like 1 or 2 and while we were up my friend redid my pro and junk I mean I like it,its just it took a while and I was cranky.lol So yeah Shikamaru and Ino together!Yeah! and Hinata had a Bella moment.lol I got all the technical terms 4 volleyball from wikapedia.the volleyball game was fun to write I think it was a good game,lol.So yeah this chapter was sorta sappy at the end but I like it I think its pretty good.Oh yeah please comment they are very much loved!

"Good." Sakura said

"Hey Reiko, what's up?" Hinata asked

"Well first me and Kiba went into these caverns and then he asked me to be his girlfriend and I said yes!" Reiko said

"Yeah it was hilarious we were going into the caverns and Rei was all brave then a bat flew by, then she screamed and clung onto me cuz a bunch of other bats were flying cuz she screamed, then she screamed even more, I was cracking up, but it was still sweet how she clung to me, and she looked so pretty scared." Kiba said

"Aw thanks sweetie, your sweet for keeping me safe from the bats." Reiko said as she took his arm and put her head on his shoulder

"Ick!"Sasuke said

"Sasuke!be good."Sakura said

"Hi Naomi."Sakura said

"Whats up Naomi?"Tenten asked

"Oh nothing,you guys having fun?"Naomi asked

"Yeah we are."Ino said

"So who are you?"Naomi asked pointing to Hinata

"Oh I'm sorry,I'm Hinata Hyuga."Hinata said

"Oh wever,Naruto are you having fun?"Naomi asked in a very flirty way as she held onto his arm

"Yeah I am,thanks."Naruto said brushing off her arm on his

"Are you peolpe going over to the hut for dinner?"Naomi asked

"Yeah we are-"Shikamaru said

"Actually me,Sakura,Ten,and Hin are going to change then go down to the boardwalk to shop a bit and eat."Ino said

"Oh ok,well can I count on you guys coming down to the hut?"Naomi asked looking at Naruto,Shikamaru,Neji,Shikamaru,Kiba,and Reiko

"Uh sure me and Reiko will be down there in about five minutes."Kiba said

"Hn."Neji said

"Hn."Sasuke said

"Sure."Shikamaru said

"Whatever."Naruto said as the guys walked to the hut and the girls walked to their stuff

"I say lets just put flipflops on and shorts or skirts over our suits."Sakura said

"Fine."said the other three

They got shorts or skirts on and flipflops,they grabbed their totes.Then they walked to the boardwalk to shop and eat.

At the one store they went to they got pajamas.At another store they got all kinds of different clothes and shoes.And at the next store they got very nice and fancy dresses,they got all these different things because Sakura and Ino told them they would need them for some reason they would not tell Tenten and Hinata why though.But all they said was that James was in on it and that made Tenten very uneasy beacuse she knew her brother.After they finnished shopping they went into a nice little Chinese restaurant.

"Ok so please tell us why we need all this stuff and what does my brother have to do with it?"Tenten asked

"WeeeIIII..."Sakura and Ino said

"Come on,please."Hinata said

"Ok since you dragged it out of us."Sakura said

"We are staying at the beach for the rest of the weekend and what James has to do with it is the only way we could convince the parents is if we had a responsible chaperone."Ino said

"Its like a get away to get to know Hinata more,to spend time together,and to relax from school and family,Hinata just so you know we do this alot plan get aways then don't tell Tenten so expect this alot but sometimes we do all plan these."Sakura said

"Just be on your guard Hinata,if they seem deviant which is always have an over night bag ready with all the necessities ready for anything."Tenten said

"Got it."Hinata said

"Well I'm done how bout you girlys?"Ino asked

"Yeah."the other three said

"Lets pay and go."Sakura said

"Would you ladies like dessert?"the waitress asked

"No thanks."Ino said

"Ok heres your check."the waitress said

"Ok my turn to pay."Ino said as she put the money and a tip in the leather book

"Thank you,come back,and have a good night."the waitress said

"Thank you,you too."Ino said as the girls got up and left

It was about ten o'clock when the girls walked back to the beach.They went to the hut to say good night to the guys.

"Heys guys!night were going back to our hotel."Tenten said

"Aw are you girls leaving?"Naomi asked coming up behind them

"Actually we might sit out on the beach by the hotel we're staying at but yeah,we have to go,our chaperone is waiting."Sakura said

"Oh ok."Naomi said

"Well let us walk you to your car girls."Neji said

"Wait I need to get my surfboard."Hinata said

"Don't worry Hinata its in the shack I rent for all my surfboard equipment and stuff."Naruto said

"Ok thanks."Hinata said as she blushed

They all walked to James' Jeep where he was waiting.

"Hey James I want to apologize about before I was being a total jerk and I never should have said those things."Naruto said as they came up to the Jeep

"Sure no harm done."said James

"Thanks."Naruto said as he scratched the back of his head

"Hey guys wheres Reiko?"Hinata asked

"Oh shes with Itachi."said Sasuke

"Itachi's here?"Sakura questioned

"Yeah he came up here to be our chaperone cuz we're staying up here for the weekend."said Naruto

"Oh thats so cool cuz so are we but James is our chaperone,what hotel are you guys staying at?"Ino asked

"Oh the Konoha Beach Inn,you?"Shikamaru said

"Same!"said Ino

"Kool,so is Reiko staying with you guys?"asked Tenten

"Yeah but she has a seperate room."said Sasuke

"Just so you Brats know Itachi and I have a room next to your rooms so don't get any ideas."James said as he got into the car

"Ok so we'll see you guys at the Inn."said Hinata

"Yeah,Believe it!"Naruto said as Itachi came up behind them

"Come on RUGRATS,Rei is asleep in the car and we should to get to the hotel,and no do not believe it."Itachi said as he pushed the boys to his car and the girls got in James' car

Both cars drove to the hotel.

"Ok so we'll see you guys at the Inn."said Hinata

"Yeah,Believe it!"Naruto said as Itachi came up behind them

"Come on Rugrats,Rei is asleep in the car and we should to get to the hotel,and no do not believe it."Itachi said as he pushed the boys to his car and the girls got in James' car

Both cars drove to the hotel.

The cars got to the Inn the guys checked in carrying their bags and Itachi carrying Reiko.The girls got their minutes after the guys James checked them in as the girls gave the bell boys their shopping bags as the girls got out of the car.The girls went up to theri room,as did James.The girls had a room with a veiw of the ocean and a deck that looked out over the ocean.The guys had a room on the right side of the girls with Itachi and James' room between.Reiko had a room on the left side of the girls. The guys' room was pretty much the same they were both suites.Reiko's room was a regular room and James and Itachi's room was also a regular room only with two beds.

"Hey do you girlyys wanna change into our jammys?"asked Ino

"Yeah!"said Sakura then we can play Truth or Dare!"said Sakura

"Oh yes its nothing without truth or dare!"said Tenten

"Actually I'm just going to go walk along the beach."said Hinata

"Wait Hinata,we're sneaking out later tonight after James goes to bed and going to this really cute bakery then to the beach to have a really early breakfast,so change into this."said Ino as she threw a shopping bad at her

"Ok...but should we really sneak out."said Hinata

"Yes it'll be fun its not like we're not going to sleep in anyway lets have some fun while we're here."said Sakura

"I'm with Hinata on this one,I really don't want to get in trouble or get kidnapped and have horrible things happen to me."said Tenten as she started getting nervous of what could happen to her,Hinata joined hr

only starting to hyperventilate.

"Don't worry we will only go out for about a half an hour."said Ino

"So go change Hinata and if anyone asks your just taking a walk along the beach."said Sakura

"Ok I'll change but thats it."said Hinata

"Fine."said Ino as she gave Sakura a look saying *'oh we'll be sure to get Tenten and Hinata to go'* Sakura nodded

Hinata changed into a white halter dress that was flowy from below her chest and down and it came down right below her knees with a pair of white high helled sandels that tied up.

"Wow Hinata,that looks amazing and very beachy but elegant."said Ino,Sakura and Tenten nodding their heads

"Well I'm off."she said then Sakura came up to her and put a white ribbon in her hair as a headband,then Hinata walked out to the beach

"Lets change into pjs,then order room service."said Ino

"Pig we should also pick out our outfits for the coffe shop and Tenten's so she doesn't throw a fit."whispered Sakura

"Right Forehead,Ten would you go down to the kitchen and order us room service."said Ino

"Why do I have to go down?"asked Tenten

"Because its fresher if you do it in person,please."said Sakura

"Whatever,you two are so wierd."said Tenten as she left in her pjs they were green boxers and a light green cami

"Ok good shes gone lets pick out her outfit first."said Ino as they picked out for Tenten a tube dress with a green flower pattern and a pair of green and white wedges

They picked out for themselves...Sakura picked out Chiffon Floral Babydoll Dress that was pink,red,and orange wit a pain of pink pumps.Ino picked out a lavender eyelet dress with lavender strapys.They hid the outfits in Ino's closet and got into their pjs.Sakura had on pink hearts boxers and a matching cami and Ino had on matching cami and boxers that were purple plaid.

As they finnishd changing tenten came in the room with a tray of junk food.The girls grabbed spoons and the chocolate chip frosting.They gorged on food and gabbed on for a while.

Earlier With Hinata

As Hinata walked out of the hotel someone else walked out that person went left when Hinata turned and walked right.

Hinata walked along the beach then she stopped and took her shoes off, she walked to the sidewalk near the Inn and set her shoes there. She went and walked along side the ocean, having the waves crash against her feet. The wind blew her hair and her dress everywhere.

"Wow its so beautiful out here. And it smells so good, I love the smell of the ocean. The breeze feels amazing." thought Hinata as she just walked in the crashing waves

That person that went left walked back into the Inn went up to their room and onto their balcony just to look at the stars. At that same moment Hinata was looking up at the stars too. She was near that person's window her looking to the side, her hair and dress blowing. He looked out at her getting a glimpse of her not knowing who she was. He went wide eyed starring at her because she looked so beautiful but she also looked like she couldn't be real because of how stunning she looked. He stopped starring at her.

"Hey guys come here! There is this drop dead beautiful girl outside on the beach! Quick hurry!" yelled the guy

Then Hinata realized that she still had her bathing suit on, she took her dress off while he was looking away when he looked back she jumped into the ocean. He was starring at her like crazy now, when she came up she looked like a mermaid. He stared at her while she swam under water. Then he called his friends again, while he did that Hinata got out of the water grabbed a towel dried her hair and her body, then got her dress on. When he looked out at her she was standing there looking at the ocean, he looked away for one moment in that moment Hinata ran down the beach a big gust of wind blew her ribbon from her hair, she disappeared to the guy, as he looked to where she was the gust of wind brought him the ribbon that flew out of her hair.

Hinata got her shoes and went inside to her suite without anyone seeing her. She changed into her pjs that were light blue cotton lace trim boxer short and matching cami.

"Hey Hinata, how was your walk?" asked Tenten

"Great! the beach and water felt so good, hey so did the party animals fall asleep?" said Hinata

"Yeah they did i guess we're off the hook for going out, but they will probably wake up soon and want to play truth or dare since we haven't done that yet." said Tenten just then their was yawning

"Speak of the devils." Hinata giggled

"Hey lets do the bakery in the morning I'm not up to going out, lets just hang." said Ino

"Same here, what time is it?" Sakura said

"A little after midnight." said Tenten

"Perfect." Ino and Sakura said with a diabolical look on their faces

"Whatever it is you two forget it." said Tenten Hinata nodded as both Hinata and Tenten hit Sakura and Ino in the face with their pillows

"Oh this means war!" Ino said

As the girls broke out into a pillow war. They brought the war onto the balcony, a couple balconies over the guys were outside on their balcony listening to their ipods. They looked over to see what the girls shrieks were and then they were hooked girls having pillow fights in small nightys. Naruto started laughing because earlier Friday Ino yelled at him saying girls don't do that when they were doing it now.

The girls stopped gave the guys a dirty look. Went back into their room out their room knocked on Itachi's door asked if he had an extra key for the guys room, Itachi smiled and handed the girls the room key. The girls opened the boys' door with their pillows and went out onto their balcony and started yelling "Pervert" and whacking the guys with their pillows. The girls stormed off.

"You are going to regret this." said Tenten and Ino to their boyfriends, the guys gulped, Hinata and Sakura gave the Sasuke and Naruto looks saying *'your life is going to be hell'* then the girls left with diabolical looks on their faces

"Guys I'm scared, what do you think they will do to us?" asked Naruto

"I don't know and I don't know when which just makes me even more scared." said Shikamaru

With the girls

"Hehe we are so gunna get them that is our new project tonight or this morning." said Ino

"They are gunna wish they never went onto the balcony." said Sakura

"Ok lets start plotting our revenge." said Ino

"Guys I'm scared,what do you think they will do to us?"asked Naruto

"I don't know and I don't know when which just makes me even more scared."sai Shikamaru

With the girls

"Hehe we are so gunna get them that is our new project tonight or this morning."said Ino

"They are gunna wish they never went onto the balcony."said Sakura

"Ok lets start plotting our revenge."said Ino

The girls plotted for about an hour then went out 2 get the idem that they needed,the boys in that time fell asleep very uneasy.

The girls got back to the Inn and asked Itachi for the guys room key to pull a prank he raised his eyebrow and handed them the key.

The girls entered the guys room Sakura and Ino squeamish about what was in the box.Tenten and Hinata let it loose then the girls got into the guys' closet with the door cracked open so they could see.

First it crawled onto Naruto who woke up about to itch where the teranchula was then he screamed and jumped onto Sasuke's bed with the teranchula on him then finally flicking the teranchula off him but onto Sasuke.Sasuke then woke up standing on his bed trying to get the teranchula off him finally trowing across the room sadly onto Neji.Neji then woke up jumping up and then jumping onto Sasuke's bed also,also throwing the teranchula across the room but it landing on Shikamaru.It crawled on Shikamaru for a few minutes the girls holding their laughs,Shikamaru finally woke up and jumped onto the bed with the guys throwing the teranchula on the floor.

With the guys huddled together the girls fell out of the closet laughing til their lungs hurt,then the guys unhuddled and brushed themselves off very manly.

Tenten went to go get the box while Hinata went to go get the teranchula.

"Wait Hinata stop!"Naruto said

"Wh-why?" Hinata asked confused

"Teranchulas are poisonous." Naruto said

"No it isn't." Tenten said

"Actually Tenten, teranchulas are unless they have had the poison taken out of their fangs." said Neji

"That's what I was going to say it had the poison taken out."

"Oh well then carry on." said Neji blushing a bit

Hinata picked up the teranchula and put it in the box Tenten was holding.
