# 1 - Invites

Disclaimer: I don't own Naruto or any of the other characters. (by the way they are ninja in this story and they are about 16)

There was a knock on Naruto's door, he got up from his kitchen table he was in the middle of eating a bowl of ramen.

Naruto thought *'Who could be knocking on my door, I was just in the middle of eating my yummy ramen, I swear if this is for something stupid and they are interrupting my ramen and me they are gonna get.....'* by that time he was opening the door.

"Oh hello Hinata and Sakura-chan!" said Naruto with his foxy grin

"What's up?" asked Naruto

"W-w-well I was wondering if you wanted to you don't have to but if you want to-" she was cut off by Sakura

"Just get on with it Hinata!" said Sakura impatiently

"If you wanted to come to the New Years Eve party we are having at the Hyuga manor!" said Hinata quickly, with a mad blush on her face, handing Naruto the invite

"Well, of course I want to come believe it!" said Naruto excited

"Great" said Sakura elbowing Hinata, she was still in shock

"Marvelous!" said Hinata coming out of her shock

"Well we have to go we still have more people to give invites to even, though Ino and Tenten are delivering some we have lots of places to be, so bye see you at the party!" said Sakura

"Oh and Naruto," said Sakura just remembering "this is a formal event by the way so dress in a kimono and the proper attire."

"Byebye can't wait to see you at the party, Naruto-kun!" said Hinata with a slight blush

"Ok bye see you guys at the party, can't wait also Hinata!" said Naruto with his foxy grin

"Hinata, wait til we get outside to faint." whispered Sakura joking around

But Hinata was really trying not to faint and as soon as they did get outside she squealed then fainted. Sakura sweatdropped then giggled. Hinata woke up within about thirty seconds.

They went on their way again delivering more invites.

They finished their half of the invites except they need to go to the Hokage's office so they could send the three Sand Ninja's invites with a bird and to give Tsunade and Shizune their invites and a few another nin.

"Thank God we are done!" said Sakura wiping her forehead as they came out of the Hokage's tower (or what ever it is)

"Uh Sakura-san...." said Hinata with timidness in her eyes

"Yah?" asked Sakura

"We still have a few more nin, like some of the Senseis, some Jounin, and some other people..." said Hinata quietly so if she didn't hear her she would just do whatever. Didn't work!

"Damn, oh well lets get going." said Sakura depressed

"Ok, well we should hurry so we can get something to eat." said Hinata with growl from her stomach agreeing

"Here you are Kakashi-sensei." said Sakura handing him the invite what Kakashi didn't know is that they told him on his invite to be three hours early so he would actually be on time and they knew he would be to lazy to ask anyone else about the time. Then they left with Sakura giggling to herself.

"Kurenai-sensei, will you come?" asked Hinata handing her the invite

"Of course my sweet Hinata and darling Sakura!" said Kurenai sweetly

"Now then Hinata we still have more people to go to so lets keep moving, see you at the party Kurenai-sensei!" said Sakura

"Sakura, Hinata did you girls remember to tell Kakashi three hours early, because you know how late he can be?" asked Kurenai

"Of course I have to live with his tardyness everyday so we put three hours earlier on his invite." said Sakura

"Well, we will see you at the party Kurenai-sensei byebye!" said Hinata

"Bye!" said Sakura

"Good bye girls!"said Kurenai

"Next is the hospital."said Hinata

"We can check if Tsunade-sama and Shizune-sama are coming we left the invites but they weren't there and we will be able to give the nin their's too."said Sakura presently because after the hospital they would be done.

On their way to the hospital they saw someone in the bushes peeping on some girls playing in the waterfall.

Hinata tapped his shoulder and he turned around.

"Jiraiya-sama what are you doing?"asked Hinata

"Well my fine,arousing ladies I am now looking at two provoking girls!"said Jiraiya with a smirk on his face

Then he got out a notepad and pencil and started drawing.

"Hinata,are you sure we should invite him?"whispered Sakura creeped

"Yes,of course he may be pervy but he is a Sannin."whispered Hinata

"Hey Ero-sennin,what are you doing you are suppose to be helping me with my training-oh hi Hinata and Sakura-chan!"said Naruto

"H-Hi Naruto-kun!"said Hinata with a blush on her face

"Hello Naruto."said Sakura

Naruto looked over at Jiraiya to see what he was doing to keep him from helping him. He saw that he was drawing he got closer to see what he was drawing he was drawing Hinata and Sakura undecent. Naruto took the notepad away from Jiraiya. Naruto's face got beat red with a trinkle of blod coming from his nose then.....

"DAMN YOU ERO-SENNIN,HOW COULD YOU DRAW SOMETHING LIKE THAT,THAT IS SUCH A VILE THING TO DO TO HINATA AND SAKURA,AND I SWEAR IF YOU EVER DO SOMETHING LIKE THIS AGAIN YOU WILL PAY GREATLY,OH JUST WAIT UNTIL I TELL OBAA-CHAN,SHE IS GUNNA KILL YOU!"said Naruto as he started to run towards the hospital going to give Tsunade the picture,with Jiraiya running after him and with Hinata and Sakura looking stunned and unaware of whats going on.

Hinata and Sakura just went on their way to the hospital in silence embarressed in what just happened being told all that stuff by that perv.

They arrived at the hospital giving the invites to some of the people then they went to Tsunade and Shizune's own private patient room where they heard yelling and someone crying and apologizing. They knocked on the door Naruto answered it with a grin on his face pleased that the perv was getting beat.

"Hi Sakura-chan,hi Hinata,whats up?"said Naruto

"W-well we just wanted to s-see if Hokage-sama and Shizune-sama are coming to the party,are they available?"said Hinata curious to know what was going on.

"Well,I'll get Shizune-sama,one sec..."said Naruto

Shizune came out of the room relieved that she didn't have to stay their any longer.

"Shizune-sama what is going on and what was Naruto going to show Tsunade-sama?" asked Sakura still curious to know what happened

"Well,I'll let Naruto or Tsunade-sama tell you."said Shizune as she started back in the room to get Naruto

"Wait Shizune-sama are you and Hokage-sama able to come to my New years eve party?"asked Hinata

"Well,I think we think we would be able to let me check with Tsunade-sama."said Shizune

"Girls you can come into the room." yelled Tsunade

The girls walked into the room and saw Jiraiya on the floor crying and Naruto snickering then when he saw them he turned bright red and started staring at the ground.

"Naruto you BAKA why are you staring at the ground and turning red as soon as we walk in?!"asked Sakura

"Sakura-san don't yell at Naruto he proboly has a reason for it."said Hinata with a blush coming to her face

"Ok fine,now what is going on here and what happened before you better answer me Naruto!?"said Sakura with a glare

"Naruto,would you like me to tell them?"asked Tsunade,Naruto nodded

"What is it Sensei?"asked Sakura

"Well this big Pervert over here,"said Tsunade pointing at Jiraiya "was drawing an obscene picture of you two and Naruto took it from him and gave it to me and I am giving this Perv what he deserves and you girls are welcome to see the photo and also injur this Pervert in any way you think is just."said Tsunade

Sakura having the strength she has went over to Jiraiya laying on the floor groaning and punched him in the face and then kicked him where no sun shines.

Hinata being the shy girl she is just blushed wildly and hid behind Shizune who was hiding behind Tsunade because they both did not want to get looked over by the Perverted Sage. Naruto still looking down at the ground.

"Tsunade-sama are you coming to the New Years Eve party at the Hyuga manor?"asked Sakura done kicking the perv,he was groaning so much and loudly you would be able to hear him through out all of the hospital.

"Yes of course Shizune and I will be there."said Tsunade

"Ok thank you Hokage-sama, well we should go I'm really hungry,what about you Sakura-san?"asked Hinata

"Yes I am too,lets go."said Sakura before she left she kicked Jiraiya in the no sun zone one last time and Hinata gave him a sad look like he is the most pathetic thing on earth.

"Naruto,do you want me to dispose of this picture or would you feel better if you hold onto it so it won't be seen by anyone?"questioned Tsunade giving a glare towards Jiraiya.

"If its okay i would like to keep it so no shall ever see this picture."said Naruto

"Thats fine I know you wouldn't look at this unhealthy picture of Hinata and Sakura."said Tsunade and she handed Naruto the picture and she kept the rest of the notepad so Jiraiya could not look at any of the other pictures.

Naruto kicked Jiraiya a few more times once in the no sun zone ,his legs,and his chest. Then Naruto left to get something to eat at Ichiraku ramen.

Hinata and Sakura arrived at Ichiraku,they sat down and ordered a bowl of hot ramen and a cup of soothing tea. Their ramen and tea came,first they had a sip of tea to calm their nerves then they started at their ramen.

When a boy came and sat at his regular seat which is right next to where Hinata is sitting.

"My regular ramen please."said Naruto

The girls looked up from their ramen and saw Naruto.

## 2 - Ramen

Disclaimer: I don't own Naruto or any of the other characters. (by the way they are ninjas in this story and they are about 16)

The girls looked up from their ramen and saw Naruto.

Hinata gave Sakura a look saying *'What will we say after what he did for us'*

Then Sakura gave Hinata a look saying *'Don't worry, Naruto won't want to talk to us for a while after seeing that picture they both blushed and shuddered 'he'll just say hi then go back to his ramen if he even does notice us'* They just went back to their ramen hoping Naruto wouldn't notice them.

The Ramen Stand Owner put Naruto's ramen in front, Naruto broke his chopsticks and dug into his ramen.

### Five Minutes later

Naruto finished slurping the rest of his ramen broth.

Hinata and Sakura just looked at him because they still had ramen left in their bowl and they had ordered theirs ten minutes ago and went back to their ramen.

Naruto set his bowl on the counter and just happened to notice someone sitting next to him.

"Um, uh, ah hi Hinata oh and uh hi Sakura-chan so what are you guys doing here?" asked Naruto

"Well we were hungry after walking around Konoha today delivering invites, so we decided to get some ramen." said Hinata looking down at her ramen

"Oh ok well I'll be going I'll see you guys at the party tomorrow bye." said Naruto getting up to leave

"Wait Naruto I just wanted to say thank you for what you did today, so Arigato." said Hinata with a bright red blush on her face

Naruto blushed and said "Well it wasn't anything I just thought it was horrible what he did to you guys and I think Granny Tsunade will take care of him bye." said Naruto as he left the ramen stand

"Good bye Naruto see you at the party!"said Hinata

"Bye Naruto."said Sakura

"Whats wrong Sakura-san you didn't say anything to Naruto?"asked Hinata

"Oh nothing I just sort of felt embarressed after what happened I'll be ok."said Sakura

"Ok as long as you say so."said Hinata

"Where are Ino and Tenten they should be here by now?"said Sakura

"I really don't know,I would like to know where they are too."said Hinata

Tenten and Ino came running up to Sakura and Hinata.

"S-s-sorry we are late..... it took longer than we thought."said Ino out of breath

"Whats with you two?"asked Tenten

"Oh its nothing we will tell you later tonight!"said Hinata and Sakura together waving their hands

"O.....K."said Ino and Tenten

"Lets go back to Hinata's house so we can talk about the party tommorrow and so you can tell us what happened."said Ino with a grin on her face

"Fine."said the three other girls

They started walking back to the Hyuga manor.

### 3 - Starting the Slumber Party

Disclaimer:I dont own Naruto or any of the other characters. (by the way they are ninja in this story amd they are about 16)

They started walking back to the Hyuga manor.

As they are walking back Ino says "So.....?"

"So what?"asked the other girls

"So what happened I have to know."said Ino with a pleaing look on her face

"NO!!! we are not telling you til we get back yo the Hyuga manor!!!!!"said Sakura and Hinata annoyed and upset

Ino and Tenten just looked at them shocked they never yell unless they are really upset.

"Ok I'm sorry I didn't mean to upset you."said Ino apologetic

"Its ok Ino I didn't mean to yell."said Sakura calming down

"I'm very sorry Ino-san I didn't mean to yell at you either,we just had a very upsetting incident happen to us but we will tell you when we get to my house."said Hinata also relaxing

"Well I can't wait to get to Hinata's and get into my jammys."said Tenten putting both her hands behind her head and changing the subject

"Don't forget Ten that some of the guys are staying at Hinata's so we have to wear our non-revealing jammys,then later we can change when we will be in Hinata's room for the rest of the night."said Sakura

"Yah,that sucks but I have one question,whats the schedule for tonight,I mean like what are we doing?"asked Ino

"Well,we go back to my house change,set up the food we promised the guys for helping us set up,cook,set up,then its going to my room and the guys to Neji's to do fun stuff.I figured we could do beauty treatments then scary stories then whatever."said Hinata

"Boy you have the whole night planned out when did you get the time to schedule all of this?"asked Tenten

"Well,Hinata and I had alot of time when we were walking around delivering invites."said Sakura

"Ten and I had time too and we have some ideas of our own including do some stuff to the guys."said Ino with a devilish grin on her face

"Do tell,please."said Sakura with a look of curiosity on her face because she knows Ino could come up with all kinds of stuff and with a touch of Tenten it would be so funny and kiniving

"Weelllll....."said Ino leaving Sakura and Hinata in suspense

"Me and Ten thought it would be really funny if we tried some new,interesting recipes on the guys since the only reason they agreed was food and some threatening of losing some idems that would leave them without children.They winced when we told them that,so we say we give them their food with a touch of evil in it."said Ino with a grin that would make a young child cry

"Oh my Goodness I love it Ino!"said Hinata very exited with the other girls just giving her a suprising look for being so devious

"Ino I absolutely love it,its so mean its haliarious,there are a few recipes I've been wanting to try."said Sakura grinning from cheek to cheek

"Ok so its desided plan **Food Revenge is Hell** is a go!"said Ino punching the air

"Well wouldn't it be good stragety if we give them good food first so they don't suspect then bad food later so they will guzzle it down thinking its the delicious one,and we should do it after they help us out so they don't refuse later."said Hinata

"Wow Hinata thats genius,Neji isn't the only Hyuga genius!"said Tenten amazed,Sakura and Ino also amazed

"Well its just simple stragety."said Hinata

They finally arrived at ther Hyuga manor.

"Oh thank God we are finally at you're place Hinata."said Sakura relived that they can finally get into their pajamas

"Yes me too I miss my pajamas."said Hinata

"Goes for me too."said Ino

"Dito."said Tenten

The girls walked into the Hyuga manor took their shoes and went to Hinata's room to change.

Tenten changed into her non-revealing pajamas they are green,silk,chinese pajamas.Sakura changed into a pink nightshirt and pink shorts.Ino changed into a puple tank top with matching pants.Hinata changed into a navy blue,softest nightie.(On aerie.com its cute) And they all had slippers the same color as their pajamas.Tenten wears her hair in two braids,Ino up in a ponytail,Sakura in a half ponytail(when top part of your hair is up and some of it is down)and,Hinata has a navy blue,sparkly,ribbon,headband.

They went to the kitchen,Ino and Sakura started setting up food on a table in a seperate room for people to snack on.They set up chips,candy,pop,tea in the kitchen,an ice cream sunday bar,and some steaming hot ramen.While Hinata and Tenten started to get all the ingediants ready for th chocolate chip cookies.

"Ok all the food is set up but the ramen is going to get col-"said Sakura as she was cut off by a knock at the door.

"I'll get it"said both the Hyugas,Hinata opened the door with Neji behind her

"Hello,thank you for coming you can set your stuff in Neji's room then into the other room to get something to eat."said Hinata stepping aside so they could come in

Sasuke just Hn'ed,Shikamaru just shrugged and said something about it was too troublesome to keep being bothered by Ino,and Naruto just said Hi ran into Neji's room so he could get food,he could smell it a mile away.

The guys set their stuff in Neji's room then went into the room with all the food and started to eat.

The girls started on the chocolate chip cookies.
