Chapter 1 - 1

Tarnished
Bree Lane
225

I used to be normal;
your cruelty partnered
with deadly chemistry
shattered and scarred me.
I was innocent.

I haven't moved on,
still in-between
forgiving you
and hating you.

What can I do?
& so impossible
to forget what changed you
so completely.
It's hard to trust.

How many times
was that trust used against me?
