## 1 - the big move

When his alarm clock went off he woke up and shut it off and layed in bed for a few moments. Then he got up and went downstairs for break fast. Inuyasha went downstairs and saw his brother Sesshoumuru watching the news as Inuyasha started to eat his eggs his father came in and yelled "happy birthday Inuyasha!!!". He looked at his father and said "Thanks dad." his father gave him a present and he said "Well open it you will be surprised at what you got.". So Inuyasha opened the package and saw a feudal japanese outfit and a sword which he automatically knew what it was he grabbed it and said "Your giving me the tetsaiga?" his father said "well of course its your turn to inherit the sword.". Inuyasha went to his room and put on his new outfit and his hat which hides his ears. His father came up and said "son pack your stuff we're moving" Inuyasha said " Why are we moving i like things the way they are right here!!!!" his father said "Because we need to keep our family secret safe so lets go. When they put the last of their stuff into the moving van they followed them in their car. Inuyasha thought "this is going to stink i wont make friends as easily as i did here" and they left their old house behind

## 2 - the girl named kagome

When they arrived in the new neighborhood they saw their new house their father said "well this looks nice what do ya say boy's?" Inuyasha and sesshomorru both said "Whatever.". their father said "Well you go meet the neighbors i heard they have a daughter the same age as you Inuyasha." Inuyasha blushed and said"DAD!" sesshomorru chuckled at Inuyasha's embarrassment. Inuyasha looked at the house and stared when he got out of the car, then their neighbors came out to meet Inuyasha's family their daughter snuck up behind Inuyasha and yelled

### 3 - continuation of chapter 2

"Hi!!!!" Inuyasha jumped 2 feet in the air and when he landed he yelled "Don't sneak up on me like that!" "oh sorry, Im Kagome your new neighbor." inuyasha said "well nice to meet you my names Inuyasha.". Inuyasha and kagome went to hangout at the mall. While they were walking through the saw kagome's friends they ran over and said 'Hi kagome who's your friend?' she said "well uh..." one of her friends interrupted and said"Oh don't tell us kagome is he your boyfriend?". Kagome and Inuyasha blushed at the comment and both said"no nothing like that we just met!" which made them blush even more. then kagomes friends laughed and saidi 'Well we gotta go see ya kagome.". later when they left the mall and went home they said their goodnights and went to bed. The next day Inuyasha met kagome outside near an old tree. Kagome told Inuyasha 'It's my families sacred tree where it was said to be guarede by a priestess from the feudal era.

## 4 - Inuyasha's secret revealed

While they were admiring the tree a strong wind blew and blew Inuyasha's hat off and Kagome looked over at him and said "hey why are you holding the top of your head like that?" Inuyasha panically replied "uhhh.... no reason heh heh heh!" "then put your hands down" she said "no!" he said then Kagome grabbed his arms and pulled them down off his head and she saw his ears, she stared for a few seconds and then grabbed them and started to feel them "are these real?" then he said "yes im a half demon just dont tell anyone or it will cause people to panic." Kagome said "why would they panic your ears make you look so cute." Inuyasha started to blush after she said that. From then on Kagome promised to keep his secret safe

## 5 - why i wrote this story

Hi i'm erandor but just call me tye but never tyler!!! ok? so anyways the reason i wrote this story is because i wondered what it would be like if Inuyasha originally lived in the present and met kagome that way and this is also a little spoiler for what's coming up in the next stories. So later when inuyasha and kagome go to school they will meet miroku (still as pervy as on the show just to keep his character) he will meet Inuyasha in the locker room and ask him whats up with him and his ears and i wont go further than taht dont want this to be to much of a spoiler. They will meet Sango in home room because she will be sitting next to kagome and inuyasha but this is a little spoiler so deal with it. and of course who could forget that fox demon shippo? they will meet him outside of school at the park and they become friends because they stop bullies from picking on him so thats all the spoiler for now and dont worry koga and inuyasha of course are gonna be rivals in my series of stories so if you have any ideas for my stories please comment on my profile if you want me to acknowledge you in my stories well thanks for reading my stories see ya.

## 6 - new guy in town

Inuyasha woke up to his alarm "uhhhh.man why do i have to get up so early?"he asked himself,his brother opened the door and replied"becasue we have to train our fighting skills with dad.""Did I ask you Sesshomoru?"Inuyasha asked angrily,he didn't answer to this question. Inuyasha went downstairs after getting dressed in his kimono and got the tetsaiga,"good morning boys ready to go to then training court?"their dad asked "we have a training court here?"Inuyasha asked "yeah me and your brother made it yesterday while you were hanging out with Kagome."he replied, they went outside to the new training court."wow this is cool"Inuyasha said looking around the place,there was a weight lifting bench,a sand bag and several other traning equipment some only used by demons."ok boys first we will train speed on the treadmill."their dad told them"ok I'll go first "Inuyasha replied,he set the speed to the highest it would go,he ran at the speed easily,ten minutes later he turned it off "woah what a workout!"he exclaimed.Later after training they went inside to rest,their faces were red and covered with sweat,INuyasha was laying on his back and panting"whoa I didn't think dad would worj us too hard."Inuyasha said in between pants,even Sesshoumuru was tired
