1 - erandor the new kid

When the news was spread everyone was wondering about this new mystery kid. Once he got to the village people were talking about the way he looked. Even though he's from a different branch of the leaf village they thought he was a spy like kabuto from the sound village. When he got moved into his new house Naruto and his friends went to meet him. "i wonder if he has any secret jutsu that he could teach us!" naruto said "is training and learning new jutsu all you think about Naruto?" Sakura asked "stop fooling around I want to meet this new kid for myself."sasuke said. When they saw his house they noticed him sitting on the ground waiting for the moving to be finished "Hey new guy!" Naruto yelled to get his attention, he looked at him and said "yeah?" "whats up?" naruto replied "nothing really now please tell me what you want so i can get started on my training!" he said in a way thats makes it seem like he doesn't have time for this. "well i wanted to know if you wanted to train with us!" Naruto said, he thought about Naruto's offer and finally accepted. They went to go train in the feild they usually train in "So what's your name?" Naruto asked "My name's Erandor i come from a different branch of the leaf village." he replied. They were training their kunai and shuriken throwing and Erandor was the best of all of them "wow you must train a lot." Sakura said "Yeah it's all i really have to do." erandor replied. Once they were done training they went home and got some rest for the next day

2 - Chidengan erandor's secret jutsu

The next day when they went to go train again they decided to train their ultimate jutsu. "Chidori!" sasuke yelled as he jabbed a log with chidori "Rasengan!" naruto yelled and left a huge hole in a rock sakura just uses a jutsu of her own. Then when it's erandor's turn they stare at him and he uses the same hand signs as chidori but then starts to spin chakra like rasengan, the electricity and chakra spun together into a tight ball that was sparking with electricity, he then yelled "Ultimate jutsu, Chidengan!" he then hit a tree and it burned up and at the same time got a hole in it from the power spinning. The others stared and naruto said "that was awesome! how did you do that?" "I just learned the two jutsu and then when i was training i wondered what the strength would be if i combined them, which made Chidengan.". As they were going home kakashi sensei came up to them and said "Hello everyone I need a mission done by you four." erandor said "why all four of us im not part of their team and while i'm at it im not part of any team." "Well for you to be an actual ninja of our village you must complete one c rank mission if a ninja of yourself wants to be on a team." Kakashi stated "Okay if I must il do really want to be a part of this team.". They went to get their mission assignment and to protect a important high priest of the waterfall village.

3 - erandor's first official leaf village mission

They went to the village gate entrance to wait for the high priest to meet with them so they can get to the waterfall village safely. "Well I guess we just wait till he gets here." Kakashi said, as they waited they saw the priest arrive in front of them "I appreciate it that you are leading me to my village so i can arrive safely for a confrence of all the priests in the village." the priest said as he spoke to them. Once they were close to the waterfall village the high priest lead them to a waterfall and he then showed them the way to the village which was concealed somewhere in the waterfall. "We are here thank you ever so much for leading me to my village safely but I don't recall telling you my name, I am Hidoku of the high priests.". But when they were in the village rouge ninjas started to attack "Naruto, Sakura, Sasuke, Erandor get down!" they had no idea why but they did as their sensei said and got down which helped them dodge a kunai. Then Erandor said "No it can't be not them." "What who!?" Naruto said "I know them these are the same rouge ninjas who attacked my village, they are the death bound ninjas." "Why are they called that?" Naruto asked "you don't want to know.". Then the ninjas appeared in front of them "Well well well if it isn't Erandor what brings you here?". "I'm on a mission so just leave now or I'll have to kill you!". Why did Erandor want to kill these ninjas well find out in the next chapter see ya

4 - erandor v.s kisuba fight to the death

Erandor and the ninja were staring into each others eyes before erandor broke the silence " Where have you been Kisuba last i saw you was when you left the village and became a rouge ninja." "Kisuba?" naruto asked "Yes he used to be a great ninja of our village until he became a rouge ninja." "So erandor have you finally mastered the birth trait of your clan afterall being your old sensei i must know if you have or not." Naruto, Sakura, and Sasuke all said at once "OLD SENSEI?!" "BIRTH TRAIT?!" sauke yelled by himself. "So you still wanna know?" erandor questioned "yes being a former pupil of mine I should keep track of your skills." "Then you will have to fight me to find out!" "Fair enough Konojo!". They ran at each other kunai in one hand shuriken in the other Kisuba threw a shuriken and used a jutsu to make it grow "Metal morph jutsu!" the kunai grew larger and larger naruto thought*whoa that kunai is big enough for gama bunta the cheif toad to use* erandor made rapid hand signs and stopped the kunai with his own "Amazing he stopped that kunai with his own by applying chakra to it!" Sakura exclaimed. The battle raged on but all of a sudden erandor's eyes went from green to yellow and he grew claws and ears like a wolf Kisuba froze in amazement as well as fear he realized that erandor mastered the clan trait "Kakashi sensei whats going on is this the birth trait that kisuba was talking about?" naruto asked "Yes naruto it's like the sharingan but way better its called lycantrophe he can turn part wolf whenever he activates his full moon charm around his neck (Authors note yes I totally just made that up right now)so he's just as good as sasuke." "BUt it's more than that he has a wolf demon in him just like you or garra except it was sealed in him more recently I would say about 5 years ago judging by the ears and claws if it had been longer he would have a tail." "This will be your last battle Kisuba my birth trait willincrease my chakra and i will destroy you!!" Erandor said in a demonic voice. He then made the handsigns for chidori but rotated his chakra for rasengan only to be one thing his own jutsu chidengan he charged at kisuba when the time was right and he had yellow chakra mixed in which was from the demon in him his hand went through kisuba, Kisuba was kneeling on the ground coughin up blood because of the impact and the hole in his stomach. when he removed his hand from inside himhe went back to normal and passed out. pleeze comment if u want more chapters or have any suggestions because i've had writers block so till next chapter see ya!

5 - erandor lycatrophe warrior, monster or friend

After the battle they headed back for the village due to a successfully done mission erandor was able to join a ninja squad of his choice. "So Erandor who's squad will you be joining?" asked Tsunade the fifth hokage Erandor thought to himself *Well this is gonna be a tough choice i could join squad 7 with naruto, sakura , and sasuke since I already know them but I would like to see everyone elses abilities as well...* "OK I have made my decision i will be on squad 7!" erandor exclaimed pointing at the ninjas squad. "Are you sure?" Tsunade asked "Positive." "Alright I gues your mind is made up so squad 7 it is." "YESSSS! this is so cool we get a Konojo on our team!" Naruto exclaimed in happiness Sakura asked "Well this is gonna be a great experienc having another ninjas on our team." Sasuke said "well we could use another friend."

The next day during training

"Erandor why don't you practice your lycantrophe abilities so you can help with that on our next mission?" Kakashi sensei asked "Because tonight's a full moon if I practice now I wouldn't be able to turn back until morning, and if I stay out on a full moon to long I will develop a horrible bloodlust." "Well then maybe some other time then." kakashi said nervously. After training finished early kakashi gave them the rest of the day off "Can you beleive he actually gave us a brake from training and missions for once?" Naruto said "No not really maybe because he has something to do." sakura said "HEY! SAKURA!" called a voice from the distance Sakura looked the way it came from and she saw Ino and her team "Oh hi Ino what are you doing here?" "I just wanted to see if you and your friends were doing anything." "Ah what a drag." shikamaru remarked and chouji just sat there eating chips. Then Ino caught a glimpse of Erandor " HEy are you the new guy in the village that just joined sakura's team?" "Well yeah were you hoping I picked to join your team?" " Well kinda we need better skills on our team." erandors watch started beeping "OH NO I Can't Stay I GOTTa GO BEfore it's TOO late!!!" Erandor said panic strikken Naruto grabbed the hood of his sweater and said "why it's only sundown are your parents strict or something ""Can't tell you!" "WHoa you're new friend is weird well we gotta go"ino said and ran off with shikamaru and chouji. Erandor got free of naruto's grip and ran in the other direction towards his house "Hey where Are YOu going!?"naruto said angrily erandor immediatly stopped because the sun went down and moon was coming into view. He started clenching his chest in pain and fell to his knees "ERandor!"Sakura exclaimed and ran over to his side to see what was causing his pain and he automatically yelled"GET AWAY FROM ME!GET SOMEWHERE SAFE!BEFORE IT"S...GAHHHHHHH!" he screamed as he started to grow hair all over his body his arms grew muscular, and he grew claws and a tail his face was concealed under his hood "Erandor! whats wrong?"she reached out towards him to make sure he was ok, but a yellow swirl of chakra surrounded him and his hooded sweater tore into shreds revealing his form. Find out what happens next in part 2.

6 - Erandor lycantrophe warrior : monster or friend part 2

Sakura, Naruto, And Sasuke just stood there frozen in fear of what their new teammate had become was he even able to see them as his friends? Erandor howled as if he were calling for more wolves he lunged at naruto "Hey what's the big idea?!" "Naruto he doesn't know what he's doing he's in a horrible blood lust!" Sakura yelled. Erandor was struggling all of a sudden and it seemed like he was trying to fight his instincts " uhh G..E..T out ..Of here..AHHHHH!" *is he trying to over power his werewolf state?* sasuke though to himself. HE then was chasing them through the village trying to rip them to shreds with his claws, it seemed to go on for endless hours they were scratched and bruised "When will the sun rise!" naruto exclaimed in the lowest voice he could "sakura checked her watch and it read 5:59 "good we got about 5 minuytes till the sun rises and it's a good thing kakashi gave us the week off or we would never keep up with training and missions." sakura said. They went on for 5 minutes then the sun risedand erandor fell to the ground and turned back to normal "Huh what happened all i remember is transforming into a werewolf and then nothin'" "well we'll tell you later after we get healed and some rest.

LATER THAT DAY

"Ehhehehe sorry guys i couldn't control it you know with indstincts that come with the lycantrophe." Erandor said nervously " It's ok it's in your blood." sakura said "Well let's get some rest we could use it after the night we had>" sasuke said They looked over at erandor and he was already asleep. next is a new story about all of their new adventures together

7 - Sagendo: A familiar face

As Erandor and naruto were hanging out at the ichiraku ramen shop "So how's your training going?" naruto asked "Eh fine except for the fact that my wolf form is hard to control." then their orders came in "ALRIGHT! extra large miso ramen.". After they finished their ramen an voice yelled Erandor's name, Erandor immediatly jumped out of his seat and ran in the direction it came from "Hey where are you going?" naruto yelled and ran after him. "Sagendo!" Erandor yelled while stopping in front of a ninja that he seemed to know "Erandor what's going on I heard you moved here so me and my family did too." "That's awesome now you can try to join a ninja squad and we can hang out just ike old times.". Naruto walked up to them and said "Did I miss something?" "Oh sorry Naruto this is my friend sagendo we knew each other since we were little." "oh thats cool does he ave a cool power like you?" "Well you will have to see for yourself next time we train.

With sasuke and sakura

"I wonder what erandor and naruto doing." sakura said to herself "Huh like it matters i bet they're probably eating ramen or training."sasuke replied "Yeah you're probably right"

8 - Sagendo: A familiar face part2

Sagendo, Erandor, and Naruto were hanging out near a lake they sat there with their feet in the water until Naruto broke the silence "Hey guys how about we try to find sakura and sasuke and introduce Sagendo!?" "that would be a great idea naruto i bet they would be happy to meet him.". Sakura and sasuke were looking for erandor and naruto and gave up and decided to rest under a tree sakura sighed exhaustedly "They could be anywhere it will take hours to find them." "don't give up so easily sakura if I know naruto he'll probably find us." they sat for a few minutes then suddenly they heard something "psssst.psst " they looked around until erandor popped down in front of them upside down "Hey!" They both screamed and they could hear naruto laughing. "naruto?" sakura said then naruto and an unfamiliar ninja popped upside down like erandor "whos that guy a friend of your's?" "yes this is sagendo he's a friend of mine from a long time ago and now he moved here." erandor explained. "thats cool." sakura said. they walked around until it eventually got dark then they all went home.

after many bandages...and beatings from sakura

"So sagendo do you have a clan secret too?" naruto asked

"why?" sagendo replied

"well since erandor can turn into a werewolf can you turn into something like a.....GUINEA PIG MAN!?"

"Uhhhhhhhhhhhhhh.....no."

"You idiot he can turn into a vampire." sasuke said to him

"Oh thats cool too but I really wanted to see a guinea pig man or a mongoose dog."

"Why don't you show us?' sasuke asked

"well I don't see why not." he pulled out a bat "blood charm!" he exclaimed and he grew fangs, his eyes turned red, and his skin got darker.

"COOL!" naruto yelled.

10 - meet the family

After a mission of finding the dog they tried to find before but Erandor messed things up by calling wolves instead and had to cut the mission short, this time they decided to look instead of using jutsu or powers. "Who's dog is it we're looking for anyways?" Erandor asked "I think Kiba's dog Akamaru got lost and is wandering around somewhere." Sakura replied "wow who would've thought Kiba would be that careless and about Akamaru." Naruto said in a nonchalant way "Let's get this over with this mission is boring." Sasuke said angrily because the mission was pointless. They searched for about an hour before they found Akamaru's tracks and followed them until they found him sleeping in a clearing. "distance from target?" asked Kakashi using headphones with a mic to the others "4 feet." Erandor replied "ok go for the target on my mark ready.....NOW!" Erandor and Sagendo cornered him off and Sasuke grabbed him. "I got him!" Sasuke yelled "ok mission accomplished let's return him to Kiba." Kakashi said to his team they went to the village and returned Akamaru to Kiba "well we finished early today." Sasuke said "Hey I got an idea why don't we go introduce you guys to my family?" Erandor asked "that would be great!" Naruto replied "sure." Sakura said "whatever" Sasuke said "nah I gotta go home." Sagendo said "ok then let's go!" Erandor exclaimed they walked through town until they came to a house "here we are." Erandor said "wow it looks nice." Sakura said they walked inside and heard wolves barking "hey stop barking" Erandor said as a red and black wolf rushed towards them "why is that wolf red?" Naruto asked "oh he has the powers of fire so we called him Cinder" Erandor replied "and don't tell me his name's Smokey?" Sakura said "well actually yes and he has powers of darkness." Erandor replied. They walked into a living room and all you could see were people who looked like Erandor and they were all sitting and talking "wow you have a lot of family members" Naruto said in amazement "well most of them are cousins who came for a visit." Erandor said then someone who looked a lot like Erandor walked up to him and said "Hey Erandor who's your friends?" "this is my ninja team I joined this is Naruto, Sasuke, and Sakura." he replied "oh and this is my brother Kinudor." Erandor said "well we kinda guessed he was your brother." Sakura said as they introduced themselves to all of Erandor's family then Sakura realized something "hey Erandor why don't you have a tail?" Sakura asked "oh yeah I forgot my family grows their tails at a certain time in their life and tomorrow I will have a tail." "whoah you're gonna grow a tail tomorrow?" Naruto asked "yeah" Erandor replied. wait till next chapter to see his new powers which come with his tail!

11 - Erandors new tail:wolf tail jutsus

The day after naruto and the gang visited erandor's family erandor was a bit late to show up for the day's duties.

"ahhhh.Where is erandor with kakashi sensei?!" sakura exclaimed angrily

"Sakura remember he said that today he would grow a tail like the rest of his family so he probably has to wait for it to grow fully."Naruto explained

"....you know that's actually a smart idea that could be the problem."she said.

they waited about another minute before they saw erandor walking towards them.

"Where have you been mister and I want the truth!" Sakura exclaimed

"oh I was just getting ready since I had to let my tail grow a little more."erandor said

"HA told you Sakura I was right."Naruto gloated loudly

"Fine so you were right I guess there's a first time for everything."Sakura said.

Then about 3 minutes later kakashi sensei appeared late as usual.

"sorry I'm late I just got caught up on the road of life."

"YEAH RIGHT."naruto and sakura yelled in unison

"Ok shall we begin the missions of today." kakashi sensei said nervously.

They went off to do a easy everyday mission in other words they had to get rid of weeds in a farmers garden.

"Ahhh isn't there an easier way to do this?!" Naruto whined

"Well I could use my new jutsus to weed this garden faster." Erandor said

"You mean your tail comes with special jutsu?" Sakura asked

"Yes thats exactly it." Erandor replied.

They waited to see what erandor meant they saw him doing many handsigns and then finally he stopped.

"lycantrophe style tail whip jutsu!"Erador exclaimed

Then his tail grew longer and he swung it around like a whip hitting all the weeds so that the mission would be finished early.

"woah that was cool."sakura said

"Yeah thats will come in handy on other missions or in fights."naruto said

NEXT CHAPTER LATER OR TOMMOROW

12 - Ebi Miroto:New ninja in town!

After the days missions were done Erandor and Naruto decided to go get some ramen.

"Extra large miso ramen for me."naruto said

"I'll have a large beef."erandor said.

They sat there eating their ramen until a unfamiliar person tapped erandor on the shoulder.He tured around quickly to see a girl in a black kunnoichi dress,green hari,light green eyes,and wings on her back this intruiged erandor.

"Can I help you?"Erandor asked

"Hi I'm Ebi Miroto I'm a new ninja here and I need to go to lady tsunades office to get on a ninja team,so can you help me?"the girl said

"uh sure first you need to pick a sensei to take you there so you can be approved of a certain rank mission then you get to pick a team to join." erandor said.

Then a puff of smoke appeared and then they heard "Hey every body is life trein ya-"

"guy we already know it's you so enough with being a dork."erandor said cooly

"Awwwww but I didn't even get to finish my catch phrase."guy sensei whined

"Your catch phrase is weird and you made one of your students look exactly like you so please stop."erandor said sounding very annoyed.

They then led Ebi to lady tsunades office to get her an assignment then get her on a ninja team.

"Well what do we have here?"lady tsunade said

"this is the new ninja Ebi miroto she needs a mission then a sensei so what rank?"

"hmmmm.....lets make it a C rank since thats what we did with erandor."tsunade said

"Ok then lets go."Ebi said.

Their mission was to escort a doctor to the village hidden in the the clouds and as they got to the village and got the doctor to the hospital they were headed back.

"Well that was an easy mission."Ebi said happily

"Yeah too easy." erandor said dissapointed.

they got back to the village of konoha and they went to get her a sensei.

"ok what squad do you want to join?" tsunade asked

Ebi sat there for a while looking at each squad she could choose from and had a look on her face that made it seem she was having a hard time of choosing

"I do'nt know which squad to choose should I chose team 8 with kiba ,shino,and hinata or team 10 with ino,shikamaru,and choji but I could just join team 7 with erandor,sagendo,sasuke,sakura,and naruto* Ebi thought

She then made her decision "I chose team.....7"

"sweet another team member soon we are gonna have enough ninjas on our team to start our own country." erandor said jokingly.

The day after Ebi joined they went to train.

"Chidori!" sasuke yelled as he lauched his special jutsu

"rasengan!" naruto yelled

"chidengan!" erandor yelled

ebi then made a few handsigns and bit her finger making it bleed

"Summoning Jutsu!" she yelled as a puff of smoke appeared from her hand and she summoned and big dog

"whoa you have a summoning jutsu?" naruto asked in amazement

Ebi nodded her head signaling a yes.

More chapters coming soon so stay tuned or else *pulls out shotgun*

13 - ninja initiation

Erador woke up to the blaring alarm of his clock. "ugggh" he grunted as he reached for the snooze button, but he realized it was his phone "Hello?" erador said tiredly "Hey erador it's Kakashi sensei just telling you that you and the rest of the team have the week off." "Well I guess since you woke me up I should start my day." he hung up the phone and got dressed. He left to go to the ramen shop where he would meet his team. When he got there he was the second one there after Naruto of course "Hey erador how's it going?!" he exclaimed "I'm fine, oh and kakashi gave us the weekend off." erador responded "Awwww man why did he bother telling you and not the rest of us?" "I don't know but he sounded hurried to go somewhere." erador said "HmMMM oh well I guess we just wait for the rest of them to come." They waited for about ten minutes before sakura appeared "Hey sakura!" Naruto exclaimed "Oh hi guys." sakura, after a minute or so sasuke and sagendo "hey guys I got a great idea ebi joined yesterday right," "Yeah" they all replied "well lets give her initiation tests!" erador said "Well this will be fun!" naruto said "sure why not." sagendo said "I guess?" sakura said "why not I don't have anything better to do." sasuke said "then it's settled we initiate Ebi today!" erador said. They waited a while before ebi came "Hey guys, what's up?" she asked "oh just waiting for you." erador said casually "hey ebi you wanna be accepted by the team as our friend right?" naruto said "yeah sure." ebi said "well then we have to initiate you." he said "like how?" "by passing several tests." he said giggling under his breath. They went to the training field "ok first test you must go to Jiraiya the toad sage and ask to be the subject of his next book." naruto said "hmMMM that shouldn't be too hard" she said *that's what you think* naruto thought. She found jiraiya and the others hid in the trees "uh excuse me jiraiya I want to be the subject of your book." "Well this is a rare occasion that I get a girl your age to want to be in my book, but do you know what this book is about?" "um no isn't it about new ninjas?" she asked Jiraiya burst out into laughter ".....no come closer and I will tell you" she came closer, he whispered in her ear, her face turned beet red ".....well that was embarrassing." she said before she walked away. The others burst out in laughter when she got back to the training field "OH MY GOD DID YOU SEE THE LOOK ON YOUR FACE!!!!" erador said as he was howling with laughter (werewolf pun intended) "well are there any other tests?" she asked "there weren't until you said that." naruto said, ebi cursed under her breath. "next test is that you have to either make out with akamaru, ton ton, or gama kichi, take your pick." "do I get another test other than this?" "well you could use the transformation jutsu and go into the boys locker room." "I think I want the second test." she transformed into a boy and went into the locker room "do you think she picked this test because she is a pervert or that she doesn't want to kiss a dog no offense erador." naruto said "none taken, hey!" erador said, it was only about one minute before she came running out with her face redder than it was after the first test, they burst out in laughter "ok that was the last test ebi your one of us."
