Chapter 1 - Love is not something meant for me

1 - Love is not something meant for me

Love is a funny thing
It can kill
It can make you sad
It can make you sick
It will gnaw at you
Till there's nothing left
Nothing but
The sad reality
The reality that
Love isn't meant for you
Love can be happy
But not to me
Love is something
I'm not supposed to have
For if i love
I only get hurt
Love is not something
Meant for me
