Chapter 1 - Heartless Love

1 - Heartless Love

Just that one moment
Can turn life upside down
Your heart beats around and round

Waiting for your love
To ask that one special question
Your heart pricks it grabs your attention

You've waited a lifetime
For this day to come
Your heart beats faster and your body goes numb

But he never comes
He never appears
Your eyes swell up with threatening tears

Yet & you wait and wait
Against your own will
Your mind slows down your heart is still

You can't believe
He's done this to you
To leave you here in your moment of truth

He broke our promise
He broke our trust
I'll never forgive him for leaving me in lust

He'll be he'll plea
For me to take him back
But he has to say sorry

I'll make sure of that&
