Chapter 1

Heartless Lover

Tea's POV

A shiver ran up my spine as I stood there, fixed on the picture before me. Him, my lover, my friend & I can't believe him! I thought he loved me not her &. NOT HER.

Bastard, you Bastard! I whispered hoarsely. He jumped round to see me standing there, tears streamed down my face as I stared into his deep blue eyes, my shopping bags fell from my hands as I ran from the room.

Tea, TEA, TEA COME BACK IT WAS A MISUNDERSTANDING! I heard him screaming. Yet I kept on running through the endless corridors of his manor until I reached the door. A guard opened it quickly for me as I rushed past him in a flurry of tears, through the gates and down the street. I didn't stop not even when rain fell and lightning flashed. Beads of rain hit my face like daggers as I sprinted down the high street. People gave me awkward sideward glances as I pushed past them forcefully, trying so hard to see my destination in the distance.

Suddenly it appeared as I swerved round a corner. The Game Shop, yes! I finally made it. I grinded to a stop at the door, I raised my fist and rammed hard three times on the wood. I stepped back, tears were still staining my flushed cheeks as I panted heavily, my breath showing on the winter air.

The door swung open to reveal a surprised looking Yami standing there. He stood wide-eyed as if in shock from the sudden interruption of his shower, which left him coincidentally in just a towel.

Can I come in? I spluttered shivering from head to foot.

Change of POV

Yami glanced down at himself. Well, I'm kind of- he stopped as he noticed the look on her face; tears had stained her flawless cheeks, the rain had managed to soak her through to the bone making her hair stick to her face and her top tugged tightly at her perfectly rounded chest.

Yami blushed hotly at this last comment and stepped aside to let her in.

Err! I'll just grab you another towel and make myself well &. decent!

Im sorry to barge in like this I didn t meant to I jus- Tea choked on her tears slightly.

You know what my clothes can wait! Yami said as he tied the towel tightly round his waist before pulling Tea into a hug. She cried hard into his shoulder as he rocked her back and forth.

You want to talk about what he did? Yami asked, as if reading her mind. She snivelled and nodded. But you go and get dressed first!! She giggled wiping her eyes. He smiled and seeing her laugh.

If you insist he chuckled before leading her into the living room and setting her down. He grabbed the blanket of the back of the sofa and gave her a light kiss on the cheek before bounding up the stairs to complete his task. Tea blushed at the feeling his lips left on her cheek. Oh how she wished it had been her lips he had touched. She had to admit; she had liked him for a long time now but covered it up by getting on with her life with Seto. Bad mistake!

Yami entered the living room again this time fully dressed and ready to talk. He plopped down on the sofa next to her and gave a small sigh. They both turned to look at each other. That s when they realised how incredibly close they were; their noses were almost touching. Tea blushed furiously whilst Yami managed to successfully keep his posture and stop himself from throwing himself on her and smothering her in kisses.

So &err&what happened? he asked. For the next hour or so Tea poured her heart out to him. How she caught seto and serenity together, how she wanted so badly to just forget about him and move on and most importantly how she wanted to get her revenge!!

Well I don t think that revenge would be the best way Yami laughed.

Oh and what would be? she asked clearly amused.

Erm&dancing&

Dancing? she asked, a slender eyebrow rose as she stared at him confused. Yami suddenly became excited at his own suggestion. He jumped up making Tea laugh slightly in surprise.

Of course! You need to get it all out of your system right? Well lets just go crazy come on dance with me. He gestured as he turned on the CD Player full blast and began to do fast Hawaiian dancing. Tea giggled at the sight. She then burst out laughing as he wiggled his bum in her face. She slapped it away in an effort to stop her blushing. He made a puppy face as he rubbed his sore bottom better. She laughed and joined him in mad dancing.

FEELS GOOD DOESN'T IT!! Yami yelled over the stereo.

WHAT?????

I SAID IT FEELS GOOD DOESN'T IT

OH YER IT REALLY DOES

WHAT? Yami screamed straining to hear her.

WAM!! They both crashed into each other and knocked the stereo off in the process.

Ow Yami get off your heavy!! Tea laughed. Yami opened his eyes to see Tea lying underneath him. Her soft skin rubbed against his as they tried to untangle themselves. Yami bent down to untangle his hair whilst Tea bent upwards to do the same. Their lips brushed softly in the process. Tea's eyes widened in shock as did Yami's. They immediately broke apart but still lay on the floor, one on top of the other. Yami smiled sweetly at her as she stared up at him. Lust filled her eyes as he bent down again brushing lips once more. The kiss deepened as their need for each other grew. His tongue brushed her bottom lip softly trying to gain access. When she didn't give he tried a different approach, he bit down softly on her lip and sucked it gently. This time she didn't open either.

Hehe! Im not going to let him win Tea thought happily, she was then abruptly brought out of her thoughts by Yami's hand travelling up her top. She gasped and then realised her mistake. Yami's tongue plunged down into her mouth deeply before swirling it round in slow passionate movements. She moaned in pure bliss as his warm body lay on hers.

What am I doing? This is Tea my friend&but I want her so badly to be mine Yami thought.

Tea suddenly broke apart from the kiss; she quickly pulled herself from out underneath of him and brushed herself off. She then looked startled at looked at the floor.

I found it!! she cried as she bent down and picked up &well¬hing.

Tea what's going on? he asked clearly bemused by her strange behaviour.

Tea pointed behind him. He whirled round to come face to face with Seto Kaiba.

Oops&.

2 - Healed Wounds

Errr..hey Kaiba! Yami stuttered. What are you doing here?

I came to find her Seto glared at Tea who smiled sweetly.

Hey Honey she gave a small wave.

What we re you doing with him? he glared straight through Yami to Tea.

You see the here s the thing Kaiba -

I WASN T ASKING YOU MOTO Kaiba yelled before grabbing Yami and throwing him aside into the wall. Tea screamed as Seto approached her, hatred filling his eyes.

I said what we re you doing with him? he hissed in her face.

I-I.. Kaiba p-please stop it she stuttered.

Stop what? IM NOT THE ONE WHOS DOING ANYTHING TEA! he yelled. His hand was above his head posed and ready to slap when someone gripped it tightly from behind and then twisted it behind his back. Seto winced in pain.

Don t you dare touch her the person whispered in his ear.

Don t tell me what not to do Yami Kaiba whispered back before swinging round and punching Yami in the face. He grimaced and gripped his jaw; wiping the blood that fell from his nose.

Yami stop it please.. Tea cried ; tears now streaming down her face choking her words. Yami took no notice of her and lunged forward to Seto and kicked him in the stomach then punched him hard across his jaw. Seto yelled in pain as he gripped it tightly.

YAMI ! Stop please stop hurting him you ve proved your point Tea cried as she fell to her knees. Yami stared at her for a while, analysing her. He looked over to Kaiba who was still on the floor nursing his sore stomach. He walked over to Tea (still keeping one eye on Kaiba) and picked her up of the floor gently.

Im sorry he whispered. Im generally sorry Tea sniffed in reply and nodded. She glanced over at the crouching CEO.

Deal with him please. she almost ordered. Yami nodded and walked over to Kaiba. He crossed his arms over his chest and stared down at him.

Get out he said. Kaiba stood up and looked over at Tea for the last time. His eyes almost softened at

her sight but then quickly turned back to the cold stare as he looked down at Yami. To Tea it seemed that they were staring at each other for hours until Seto finally gave up and stormed out of the shop. Yami collapsed onto the couch behind him and sighed. Tea walked over to him and hugged him tightly.

Come on lets get you cleaned up she said matter of fact.

Later on:

Ouch! Yami winced as Tea dabbed his wounds with antiseptic.

Do you want them to get better? Yami nodded. Then let me clean them!!

Yami sighed. He looked up at Tea as she leaned over him dabbing his cheek. He got lost in her features. Her royal blue eyes looked worriedly down at him as she cured his cuts. Her hair lolled lazily over her shoulders rounding her face perfectly. Her flawless skin and rosy cheeks made her seem like she was sent from the heavens above. Her body had been perfectly sculpted by expert artists. She leaned even closer to him to get a better look at his wound. This caused Yami to blush as he tried to stop himself from looking down her top. Ra she was perfect. And she was his for the taking. (Yami isn't like that he just likes her a lot!)

There all better! Tea smiled at her own achievement. Suddenly her smile turned to shock as Yami stood up and captured her in a fiery kiss. His hands slipped round her waist as hers wrapped round his shoulders.

God he s a good kisser Tea thought as she kissed him deeper and deeper until they had to break for air. They're foreheads rested against each other as they breathed heavily.

Thanks Yami smirked. Tea giggled and pulled away sitting down on the couch in the process. Yami sat down next to her and wrapped an arm round her waist.

So err I guess this means we re..

A couple? Tea finished

Yeh.. a couple Yami smiled.

FINITO!!! HAHHAHA IM SO EVIL ^^!
