RANDOM POEM!!!!

As I step into the room, I see your gloomy face...
I can't help but frown as well... these emotions
entire my soul and my heart just wants to leap out
and hug you and hold you in my arms...Do you realize
these deep feelings like pangs in my aching heart...
Why can't I say it...admit it...?
I know that you'll say no....right at my face...
putting me in a glacier of hate and dejection...
Why do I want your lips upon mine? Why is it that
every word you say to me seems to caress my body...
in ecstasy?
I want to say *it* but im too scared... Will you feel
like I do...hopefully you'll understand...

As I walk up to you, mixed emotions of fear and hope
I shiver and cringe in my skin... I clench this Rose
thorns piercing my pure skin...I grip my skirt as I
come close to your warm face...It seems to glow as the
soft hue of the sunny sky touches your face...Your Hazel
eyes glow...intimidating and taunting me...They stare
blanky into space...Are you thinking of me...? Are you
feeling my approaching warmth and fear? Do you even know
I exist....?

To be Continued....
