2 - Life In Toonyville

Toonyville, one of the most craziest towns known in the tooniverse. Famous for their craziness and their pie. The place was loaded with gangs, and danger around every corner. Down the street was a sky blue dog with a navy blue shirt with fireworks on it and baggy brown shorts running for his life. His name, Tom Pawz.....

A gang member threw a knife towards Tom missing him by a hair (literally)

Tom: Hey watch it with those knives!

Gang Bunny: You're a dead man pup!

Tom: What did I do!? All I did was ask a question!

Gang Cat: No one dares talk to us without authority!

Tom: Jeez, sounds very petty if you ask me...

gang member throws a knife

Tom: *Girly Scream* *runs faster*

Tom runs and slips into an alley. The gang runs right passed the alley and Tom gave a sigh of relief.

Tom: I can't stay here and continue living like this everyday.....If I do I'll get killed!

Tom leaves the alley and walks to his little blue townhouse. He goes to his living room where his parents was. He began to say his announcement.

Tom: Mum, Dad I have something to tell you....

Tom's Mom: What is it sweetie

Tom: I decided to move to Toontown.

There was a long silence in the room, Tom's Dad spoke up.

Tom's Dad: Well it could be for the better...

Tom's Mom: He'll be better off and safer if he goes to live there.

Tom's Mom: Okay, you can go... But be careful!

Tom: Thanks a lot! *hugs his parents*

Tom runs up the stairs to pack up for his journey, his journey to Toontown.

When he finished packing he went downstairs to say his goodbyes. After a whole bunch of kissing and "I love yous" Tom went out the door and to the train station. Tom bought his ticket and hopped on the train to toontown. Tom stuck his head out the window as the train moved. He began yelling out.

Tom: Toontown here I come!

3 - At Toontown

Tom made it to the Toontown Train Station where there were a bunch of different guides to help you along and stuff. A sky blue dog with a red and orange shirt approached Tom to greet him.

???:Hello new comer! Welcome to Toontown!

Tom: Hi there!

???:I will be your guide and help you around for little while!

Tom:Okay...

???: My name is Flippy and-

Tom:Hey! That's the name of that military bear dude from Happy Tree Friends! X3

Flippy: Hey stay on topic! *thinking* I see we have an idiot in our hands....

Tom: So now what?

Flippy: Like I was saying, I'm Flippy, leader of the Toontown council.

Tom:OOOOOOOOOO

Flippy: Now if you stay here you need to help us defeat the evil cogs.

Tom:.....

Flippy: You will learn that in school.

Flippy: When you finish school you will be a citizen of Toontown.

Tom:Okay!

Flippy:I will now assign you to an estate.

Flippy searched the computer for an estate for Tom. So far all of them seem to be full. Then he finally found an estate for Tom to live in.

Flippy: Okay Tom, I found ya an estate!

Tom: Yay!

Flippy: Follow me..

Flippy took out a portable hole and put it on the ground he signaled Tom to come, Tom looked at him puzzled.

Flippy: Jump in nothing bad will happen.

Tom: Okay... *jumps in*

Flippy: *jumps in*

The landed in the estate. Tom looked around in fascination, it was nothing like where he use to live. It was bright and clean environment, and not gloomy and dirty.

Flippy: You'll live here *points at green house*

Tom: Pwetty house!

Flippy: Your neighbors will help you from here. See ya later!

Tom: Bye Flippy!

Tom heads to meet the neighbors....
