Chapter 1 - The Darkness

2

1 - The Darkness

Takeshi Asakura

The awakening darkness takes over,
The once pure heart,
Turns black,
With hate.

His soul gives in willingly,
Because it is what his head asked,
Then evil consumes him,
And an evil smile covers his face.

His friends tears they might have shed,
Of his evil fate,
Turn black,
Into tears of hate.

His angelic side,
Tries to hold back,
But the darkness seeps through,
And takes over.

He thinks his anger makes him stronger,
And makes him focus,
But it doesn't,
It makes him blind to the truth.

No-one can reach him,
Because he is only inches from hell,
They may be pulled in,
And then all hope is lost of saving him.
