**Chapter 1 - Reality**

# 1 - Reality

Past our eyes,  
Is the reality,  
Of those who we love,  
And care for.

This reality is of their true feelings,  
True loves  
True desires,  
And true hatred.

This reality,  
Is like a veil of shadow,  
Covering the truth,  
In their heart.

Those who have a special gift,  
Can see past their looks,  
And see the truth,  
About them.

Because people cannot,  
Just put their faith in looks,  
Because not everyone,  
Is just a pretty face.

But the truth about some people,  
Cannot be found,  
For they shut off their heart,  
And aren't who they really are,

But one of the biggest challenges,  
Is finding out who you yourself is,  
Because you have to reach deep into,  
Your own soul and heart.
