Chapter 1 - silver knife

2

1 - silver knife

I was robbed
From my life
Stabbed in the back
With a silver knife

In the fallen knife
I saw what I didn't want to see
I saw the reflection
Of the one who had killed me

I knew one day
My life would end
But not this way
Nor by his hand

And when the light
Leaves my eyes
Only then I see
All his lies
