Chapter 1 - mark my words

2

1 - mark my words

Spread the word,
I have a message to tell

It's a foreshadowing
Of things, yet to come
Ignored by many
Feared by some

I need you, to tell This
to those willing To listen ,
Understand these words
and follow wisdom

it's a warning
of the danger that hides
in a sea of hatred:
watch out for tides!

These words must be spread
So they are known
For the signs of darkness
Are already shown

It's a message of fate
To protect the remaining light
But these words are also
The introduction of night

Hear my words,
And keep them in you:

"Time has come"

you are warned....
