# 1 - death

Death

feeling death come near; a tremendous power

the innocents, the guilty, all he has slain

holding a black glove and a blood-covered flower

the pendulum swings, announcing last second ,minute ,hour

a shimmer in his eyes, killing urge he can't restrain

feeling death come near; a tremendous power

even though his purpose was to purge and scour

his angst-written face, and sinful soul knows no name

holding a black glove and a blood-covered flower

his presence is noticed, weaklings scream and cower

many make futile attempts, but the efforts are in vain

feeling death come near; a tremendous power

every encounter ends with a Bordeaux red shower

his signature , grief in hearts, a bloody stain

holding a black glove and a blood-covered flower

in silent he enjoys it, screaming getting louder and louder

in the end all you can do is lie still, give in to pain

feeling death come near; a tremendous power

holding a black glove and a blood-covered flower
