I think that this is quite a strage poem.

1 - The Drain Dragon

The Drain Dragon

There once was a dragon that lived down a drain,
And all he wanted was to be free again.
One day there was a girl walking by,
When suddenly something caught her eye.
She saw that poor dragon and then,
She got out a crow bar shaped like a pen.
After she was done the dragon was free,
And nothing could stop him neither you nor me.
