1 - Tokko

Your name is Tokko Uji (oogi). You 16 years old. You just transferred from an all girls academy after getting kicked out you moved to Konoha where you go to Konoha High. You have lavender hair that goes down to your lower back with dark purple ends. You've got gold eyes and all ways wear a black snowboarding hat with red goggles. You wear baggy dark blue jeans and a black jacket with a skull and crossbones.

BEEP BEEP BEEP!!!! the alarm clock rang. You woke and got out of bed slowly. You get dressed and eat breakfast. You grab your backpack and skateboard and ride off to school. You get there submit to the office and go to your first class. You bump into someone. "My bad, Temari." She said. Tokko Uji. You reply. You both sit next to each other. More and more people started to arrive. "This is Naruto, Shikamaru, Hinata, and Kiba." Temari says. "Hi." You say dully. "Guys this is Tokko." She introduces you to them. They all say hi. Temari notices a basketball in your backpack. "You like basketball?" Temari asks. "Yea I love it my mom used to play. She taught me how." You say. "There's a basketball team here Ivy." Naruto says. "Did you just call me Ivy?!" You ask surprised. "It's your nickname. Would you rather be called grapey?" He said sarcastically. "The team captain's is a real jerk. His name is Uchiha Sasuke." Temari tells you. "Here he comes!" Kiba says. "It's Sasuke-Kun!" One random girl proclaims. Then soon almost all the girls are swooning over him. "He won't let any girls on his team. He's a sexist" Shikamaru says. "Hmmm....when are the tryouts?" You ask. "Today after school." Temari answers. "Good then we're all trying out for the team." You say. "No there's no way we can get on the team!" Temari yells. BRRRRIIIIIIINNNNGGGGG!!!! School started. Your teacher is Orochimaru. He teaches Sciences. (Me: You got the gaymo as a teacher! HAHA!) Mr. Orochimaru has hit on every single boy in this school teachers and all. Even Naruto!" She says. "Okay everybody we have a new student!" Mr. Orochimaru announces. He points to you and motions you to come up to the front of the classroom. "Tell us about yourself." He tells you. "I'm Uji Tokko (Me: or Tokko Uji), I'm 16 years old." You tell them. "Does anyone have a question for Miss Uji?" He asks. The whole room except for your friends and Sasuke raises their hands. You point to a girl in the 5th row 2 behind you. "Pinkie." You say. "Is it true that you killed a teacher at your last school?" She asks. "No I didn't kill anyone I got kicked out for fighting, I just shot my Uncle that's all." You answer. Your classes went by pretty fast. It seemed that you had every single class with Uchiha Sasuke, it was too weird. School was soon over and you all went to the basketball court which was in the gym. You put your stuff on the bleachers and walk down to the line of people who were trying out. "Noway girls are not getting on my team!" Sasuke yelled. "I bet that if I win in a basketball game to you all my friends and girls get to tryout and get on the team, also you owe me 3 favors." You proclaim. "And if I win, hehe....You'll never play basketball again." He deals. "Fine! First one to 10." You bet. You both shake hands. "Go!" Temari yells. Well to pretty much sum it up you won with 8 points Sasuke with 2. "I win!" You yell.

That's it 4 now! (=^_^=)

2 - THERE IS NONE!!

Everyone made it on the team. Your first game was against the Maiville Majiks. It really annoyed you that their team name was spelled wrong, but you got over it. "Ha! You went so low to that you put girls on your team Baka!" The team capitain said. "I'll take care of him!" You yell to Sasuke. "Your kinda cute, lets make a bet, if lwin you become mine and if you win I'll let you beat me up if you can." He says. "Deal!!" You both shake hands. He walks over to Sasuke. Baka your girl is mine after this game. He says like he already one. "Dont you dare touch her she's **mine!**" Sasuke says with anger.
Sasuke's pov

your inner voice says. "No!" You yell at yourself in your mind. "Dont lie to yourself admit it." It commands. "Uchiha! Uchiha! Get your head in the game!" Someone yells at you. It was Tokko. She snaps you out of your thoughts.

Normal pov

"Uchiha! Uchiha! Get your head in the game!" You yell at the captain who seemed to be in deep thought. He throws the ball to you so you can make the winning basket. Then all of a sudden you feel the warmth of a hand on your @\$\$, you turn around to see who it was and it turns out it was the other team's captain! You looked at Sasuke who had a satanic glare in his eyes. You were so pissed off it was like you could punch someone in the face!

Sasuke's pov

You hand the ball to Tokko. She was about to take the winning shot..."WTF?!" You yelled in your head. "The other team's captain just rubbed her @\$\$! That is it he is so dead!" You were about to kill him when... "Tokko watch out!
