I was having a really depressing/disatorus(sp?) week and almost gave up.

1 - Untitled

Please don't cry when you hear I'm gone,
I've went to a better place far beyond.
Dry those tears, don't spill them over me,
'Cause where I am I will be happy.
Tell my parents I love them and goodbye,
And tell all not to cry.
There was just so much that I could not handle,
So I ended my life, like you would put out a candle.
Remember I still love all of my friends,
And I will save yall a spot in Heaven.
