Chapter 1 - My Love	2
Chapter 2 - my love for you	3

1 - My Love

I love you now
I loved you then
I'll love you forever and ever again
I need you now
I needed you then
I'll need you forever and ever amen
I love you Jason
You are my world
My past
My present
And my future
I love you so much
As words can not describe
You are My past
My present
And my future
I love you

2 - my love for you

thinking of you night and day
wishing you weren't so far away
my love for you will never fade
you have to admit we got it made
missing you when your not here
especially when there's something to fear
i miss you more and more
i wanna start a war
so here is the end to my little trend
I love you
you are my past
my present
and my future
