my friend was the insperation, the same insperation that drove me to drawing that ringo pic. she said: "if someone named their kit ringokit, and he grew up to be leader, he would be ringostar!" and thus, the biography of ringo was born.

1 - ringokit

It was a warm, starry, Greenleaf night when she gave birth to her kits. there had been 3, but two died. leaving only, a tom kit. although he was small, his nose was unusaly large for a kit of his age. [LOL!] At the age of one moon, he was up and about the nursery. but soon, cats resieding in the beetleclan nursery discoverd something about ringokit. he would hit his paws aginst the ground; createing a rythmic beat of *whaps* and *thuds*. [just like drumming] but, the cats in the nurrserly did not nessecarly ENJOY this *whaping* and *thudding* but soon, they would. oh, they would. MUHAHAHAHAHAHA!
