## 6 - while my guitar gently weeps

Kir: \*begins to play guitar and sings:

I look at you all see the love there that's sleeping  
While my guitar gently weeps  
I look at the floor and I see it needs sweeping  
Still my guitar gently weeps

I don't know why nobody told you  
How to unfold your love  
I don't know how someone controlled you  
They bought and sold you

I look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weeps

I don't know how you were diverted  
You were perverted too [in this term meaning diverted from what was right]  
I don't know how you were inverted  
No one alerted you

I look at you all see the love there that's sleeping  
While my guitar gently weeps  
Look at you all...  
Still my guitar gently weeps.....

have to give the credit to her..... Like i'm gonna do that.

Kir: \*in near tears\* well, you might have been lying about love, but I wasn't! \*leaps into her ship with Pir\*

Pir: \*whispers\* bye bye Gir.....
