**Chapter 1 - Friends for after end**

**2**

## 1 - Friends for after end

I used to walk with Death  
From the time that I turned six  
Running through graveyards and tombs  
And setting fire to sticks

He is my bestest friend  
Our relation will never end  
For even when I pass  
His hand is there to lend

Death is not as evil  
As grotesque as he may seem  
For even at the times of bad  
he's there to mend the seams

From inside the rambling I give  
A message is there to send  
A friend will always be there  
Even after the end....
