April is the Goth freak of Kadic Academy. However while everyone makes fun
of her, she is laughing at them because they are not royalty like she is.
Okay so here's the scoop on April. Her favorite colors are pink and black.
She hates school because she has no friends. She has a crush on Odd and
Ulrich (Thinks they are total hotties.) Okay now that you know pretty much
everything let's get to the story.
"Hey Odd," April said while walking out of class. "Are you talking to
me?" Odd said in a mean voice. "Hey Odd, cut it out already. You're probably
hurting her feelings." Ulrich said in a baby voice. Barely opening their

eyes, because of laughter, they saw April running out of the room crying.
Jeremy ran after her to calm her down. While Ulrich and Odd recovered from a
laugh attack, Yumi, in a disappointed voice said to them, " Nice one guys,
you really did it this time."

"Yumi! Wait up! We didn't mean it!" Ulrich said as Yumi chased after
Jeremy and April.
" Hey, April! Wait up. It's me Jeremy, from chemistry class?" "Oh, yay,
another person from the group. You come to make fun of me too?" " No, I
didn't. I wanted to apologize for my friends' behavior. They just- they just
wanted to have some harmless fun, but it got out of control. Sorry. He
walked away from her and looked back and smiled.
 Later that night @ dinner
As Ulrich and Odd sat down by Yumi, Jeremy waved at April to sit down by
him. " Hey April, we are really sorry for making fun of you. We didn't mean
anything," said Ulrich. Then Odd muffled a sorry because he already shoved a
whole cake piece in his mouth.
"I am sorry for running out of the room crying like that. It was very
immature of me. So, are we cool?" April said. Then at the same time, Ulrich
and Odd agreed. " Good, Then you won't mind me doing this-" she said. She
stood up and took her cake and shoved it on Ulrich's head and face. Then she
took her milk and poured it over Odd's head. The cook turned toward April
and started to say something, but April beat her to it. She yelled angrily,
" I KNOW WHERE THE PRINCIPAL'S OFFICE IS!!" She looked at Odd and Ulrich and
gave them a dirty look. After she slammed the door shut, everyone except
Ulrich and Odd busted out laughing. (Well except for Sissy, because she
loves Ulrich.) " Yumi stood up and said, " Did you guys learn your lesson?"
As they stood up they nodded and put their trays up.
