Hitaka: Don t worry Seth I ll help you!!!

Cody: Seth!!! What s wrong?! runs over to Seth- Oh my god... stares in astonishment- why don t we just pull the girls off of him that ll work!

Hitaka: I already tried that& and it didn t work

Even though Hitaka warned Cody he still tried, and like her it made no difference. He tried tackling them making the girls get off but when he did they moved and he tripped over a stick and went flying into a tree.

Hitaka: I told you so. Ouch Cody you hurt?

Cody turns around and walks over to Hitaka. Cody s face has some scratches and some are bleeding.

Cody: Do I look like I m okay?!

Hitaka: No you don t. Come on, Hinata should have some salve to help heal your scratches.

Cody: Oh Hinata! Lets go!

Walks around the yard looking for Hinata and asking people if they ve seen her but no one has. Then they saw Kiba and May-ling playing with Akamaru and Kiba messing with May-ling s hair.

Cody: Hey Kiba! Have you seen Hinata?

Kiba: Nope I haven t says between laughs-

Cody: I think they re getting too close& Hitaka are you sure it was okay to leave them alone?

Hitaka: Yeah I m sure they go perfect together! Well let s check inside of the house.

So Cody and Hitaka walk into the house.

Kitchen search:

Hinata where are you? Cody said while looking inside of a cabinet filled with dishes Uh Cody I don t think Hinata would fit inside of a cabinet she said while closing the cabinet in front of Cody. Are you sure? Cody asked unbelievably Yes Cody I m sure. She would fit under the sink not the cabinet! Hitaka said walking over to the sink Of coarse! I was so stupid to say she would fit in the cabinet! he said while following Hitaka to the sink. Hitaka and Cody both looked under the sink to only find cleaning appliances. Okay so maybe I was wrong& said Hitaka

Bathroom search:

Hinata are you in here? Again Cody and Hitaka had a pointless search in the bathroom. The only point in it was to find Hinata but Hinata wasn t in the bathroom sh& don t tell Cody and Hitaka! I think Hinata s in the drain. Cody said dumbly She s not in the drain she s in the toilet! Hitaka said confidently She s in the drain No She s in the toilet!! She s not in the bathroom, drain or toilet! Naruto said bluntly. How do you know Naruto? And where did you come from? Hitaka interrogated Well I was going to go to the bathroom. And overheard your conversation when I walked over here. She s not in the drain or toilet, she s in the medicine cabinet! Naruto answered dumbly. She s in the toilet! Hitaka said confidently No

Cody: &~whispers~ & where's my Ms. Blush fest? & (is referring to Hinata)

Hitaka: Okay well we need to take these people shopping for clothes cause they definitely can't go walking around like the way they are.

May-ling: OH YEAH SHOPPING!!! ~Throws arms into the air cheering~

Seth and Cody: Ah, man shopping&. ~slouch into their seats deeper~

Hitaka: Okay we're going to split up into four groups ~says with hands on hips~ May-ling you're getting the girls, Seth and Cody you're getting the guys and I'm going to take some of the guys and girls with me. Got it?

May-ling, Seth, and Cody: Got it!

Hitaka: Good okay ~runs up stairs and yells~ COME INTO THE LIVING ROOM! ~Runs outside and yells~ COME INTO THE LIVING ROOM! ~Runs back into house and goes down stairs and yells~ COME INTO THE LIVING ROOM! ~Then out of breath comes into the living room yet no one came. Cricket, cricket~ Damn it& ~Seth, May-ling and Cody plug their ears~ EVERYONE COME INTO THE LIVING ROOM!!! ~Then everyone comes into the living room~ Okay thank you everyone. Take a seat. Now that we are all here I have an announcement.

May-Ling: ~stands up~ At long last we get to go shopping!!!

Hitaka: May-ling is correct we get to go shopping. We are going to split into four groups okay? ~Everyone nods head and Hitaka holds up a piece of paper~ Okay now With Cody: Shikamaru, Choji, Rock Lee and Shino. ~Cody flails his arms around~ Okay&. Going on. With Seth Sasuke, Naruto, and Kiba! ~Seth just sits there all casually, Sakura and Ino give a girlish sigh then give each other death glares. Sasuke glares at Naruto and Naruto glares at Sasuke and Kiba just gazes at May-ling& Or should I just say is daydreaming and taking no heed of Hitaka s~ Now with May-ling is, Ten-Ten,

Sakura, and Ino ~*May-ling gestures the girls over to her and does a little dance freaking everyone out~* and now with me! Hinata, Temari, Gaara, Kankuro, and Neji! Yahoo! Okay come on peoples lets gather into groups and stuff so we can go!

Shikamaru, Choji, Rock lee and Shino walked over to Cody, Sasuke, Kiba and Naruto walk over to Seth, Ten-Ten, Sakura, and Ino walk over to May-ling and the rest walk over to Hitaka. Hitaka walks over to Seth and Cody Hey you think we can ask Her if we can go to the store while it s closed, since it is 8:00 and the store s closed? We can t have anyone seeing them. Or something chaotic will happen. Hitaka asked Yeah, I think we can ask, it s been awhile since we ve seen her anyways Seth replied Got it well we better get going, We ll take the van to get to the mall Tell Cody and May-ling I ll get ready. Hitaka walked away and into the garage. Seth informed Cody and May-ling.

9 - Hitaka's Group

Everyone went into their own groups, and the Leaders were ready to do their work.

Okay, Neji, you're first! Hitaka giggled. Oh, great. He responded, not very happily. When Neji came out it didn't look like Neji, his hair was shoulder length and parted like a surfer cut, very fitting. He was wearing a silver short-sleeved shirt with a black stripe in the middle and had black cargo pants with white and black Airwalks. Neji-kun, you look nice. Hinata said with surprise. Yes he does look nice doesn't he? Hitaka agreed. Everyone marveled at Neji's nejjiness.

Okay, next is Temari! This'll be fun! Hitaka said happily. Oh this'll be nice. Temari said sarcastically. When she came out, everyone's jaws dropped, dropped to the floor. What are all you guys staring at? Temari said with that death glare and smooth voice of hers. Temari had her hair down and was wearing a red halter-top and dark faded jeans that swept the floor, with black converse. She had on light red eye shadow, with black eye liner, and red lipstick with blush. Full fledged makeup. Don't tell me that's my, my, my, SISTER! Gaara said in absolute shock. Gaara, I'm afraid so. Kankuro said in equal shock. Neji gazed at Temari in shock and amazement. Stop looking at me Neji. Temari retorted. Everyone looked at Neji and he just looked away.

Okay then! Now is my favorite! Gaara! Come here Gaara, come here! Hitaka said all babyish, Don't treat me like a dog, please, don't. Gaara said annoyed. She spent so far the longest with Gaara. May-ling came over to visit and saw Neji and Temari and jumped for joy. Oh you guys look great! Oh thanks. Neji and Temari said somewhat weirded out by May-ling. All of a sudden May-ling shrieks happily. OH!!!!!! Gaara walked in wearing a black long sleeved shirt and black cargo pants, his hair messy like usually, and still had the black around his eyes but Hitaka had to pencil on eyebrows. He actually had another option just having his hair longer and in his hair in his face. Is that my brother?! Temari said in almost more shock than Gaara and Kankuro over her. He actually looks normal for once, and pretty cute. She whispered to herself.

Okay it's Hinata it's you! Hitaka exclaimed like she was an announcer on this lame tv show. Okay Hinata whispered. Hinata came out about 15 minutes. Hinata was wearing a lavender and white lined little beanie, with a short sleeved white and lavender zip up jacket with a white mini skirt. She was wearing white glittery eyeliner and her nails were painted with white glittery nail polish. You look good Hinata! Temari said with a smile on her face. *I hope Naruto likes it!*

Kankuro-kun! Your turn!!!! Kankuro had a weird look on his face and just walked into the room with Hitaka. You heard a great squeal from Hitaka's room about 10 minutes after Kankuro went in, May-ling came rushing in to see what the matter was, and all it was, that Kankuro was looking FINE. Well in May-ling and Hitaka's minds. May-ling then rushed back to her station and continued with her work. When Kankuro came out all of them were astonished because, for one he didn't have any of his Kabuki makeup on. He was wearing a black t-shirt and olive green cargo pants with brown skater shoes. Everyone was surprised with Kankuro's appearance, mainly because, he didn't have his puppets and he Kabuki makeup.

That's the end of Hitaka's group

Now for Seth s groups

Okay Sasuke you re up! Oh my god I just sounded like May-ling, I m not gay I swear! Sasuke stares at him Are you sure? Yes I am sure! Okay Sasuke, now Sasuke came out wearing an elbow long cuffed sleeved navy blue button up collared shirt, with white pants and white Airwalks.

Naruto you re next! Yes! Watch I m gonna be the best!!! Naruto did his usual brag. Naruto was wearing a gray long sleeved shirt with a light green jacket and white buttons. Dark blue pants with white strips coming down from the pockets also he was wearing white and blue Nike shoes. No way, Kiba you re not gonna look as cool as me! Naruto retorted, Why would I want to compete with you? Kiba smirked

I know I m last, Kiba said while walking with Seth. Kiba being the dog boy he was wore a green shirt with a dog with an eye patch, and it said, Fear the Dog . With brown corduroy pants and white converse. You look really nice Kiba! May-ling poked her head in and said to Kiba. We re all done May-ling, and Cody is done too. Okie-Dokie! So am I
Now for the last and final group May-ling s.

Okay, we re gonna have fun with this, I bet you will love this, since all of, or maybe most of you like fashion am I wrong or and I right? I m gonna look the best for Seth! Ino exclaimed, not surprisingly loud. Oh shut it piggy! I m gonna be the best! Sakura argued. Will you guys! Shut it! Ten-ten and May-ling said together. Then complete silence. Okay we will continue

Okay Sakura you re first, joyous Ha! Watch out Ino, I m gonna look the best! Sakura, well sounding like Naruto, bragged. Oh yeah, right Ino mumbled. Sakura came out wearing cherry blossom pink halter-top and a red, pink and gray plaid mini skirt. With black and pink shoes, mainly pink. For make-up she was wearing light pink eye shadow, pink lip-gloss and of course, pink blush. You re not gonna look as good as me! Oh will you just shut up Sakura! May-ling said, agitated. Jeez& You re annoying&

Okay Ino, you re next! Ha! I m gonna show you Sakura! Ino thought. Ino came out wearing, a light purple tank top, dark purple mini skirt black and purple stockings and black converse. She had on light purple eye shadow, and light pink lip-gloss I am surely proud of this! Are you happy Ino? May-ling chimed Of course! So ten-ten, who looks better? Sakura, Ino stuck her tongue at Sakura, Or me? Ino said while raising her arms up and smiling extra sweet to Ten-Ten Hmmm&. Ten-ten thought, I m not sure it s a tie both of you look nice!

Well, If you think that they re so nice, you re gonna love what I do to you, Ten-ten! Okay& May-ling Ten-ten said freaked out. Ten-ten came out with a dark green long sleeved shirt with a pale pink design in the middle, over it was a light gray jacket that went down to her knees, it kind of looked like a trench coat, but not really. With that she wore black skintight capris, and white converse. Her hair was up in buns, with gray silk coverings, and some more of her hair hanging down, not just her bangs. Her make up was consisting in light green eye shadow, light cherry blossom pink lip-gloss also her nails were painted grass green with pale pink flowers. Sakura and Ino collapsed is absolute shock. What s their problem? Ten-ten asked, not knowing how cool she looked. May-ling was done and went to check up on the boys. She peeked in Cody s room, and say Kiba standing there and said hi, and then left.

FINA-FREAKIN-LY!!!! I AM DONE!!! DONE! DONE! DONE! Okay, I m done, finally with this description,

I m happy, it s taken me like the last week or two to finish, it s not easy you know! So just learn to deal with this! Okay I m done ranting, you re probably thinking jeez! Took her long enough! Lol Okay now I m FINALLY done ranting, I know I can talk a lot if you let me! Lol. Hope you liked my descrition!

11 - Names, Ramen, and Nosebleeds

Okay now that I am done with all of the freaking descriptions I can get on with the story!!! But seriously don't hurt me with the description!!! I tried I really did!!! Well I hope you like this chapter (it actually has something to go on with the story!)

-----()-----()-----()-----()-----()-----()-----

Everyone went down into the living rooms, and when everyone saw each other, there was a lot of Wow's. The most astonishing people were, Gaara, Kankuro, Temari, Neji, Rock Lee; Shino (but that was mainly because he wasn't covering his face) Ten-ten, Naruto, actually looked attractive, and Shikamaru. Ino and Sakura swooned over Sasuke, especially Ino. Hinata blushed when she saw Naruto, and Naruto; well he just was paying attention to Sakura. Okay, you guys are all going to be enrolled into St. Jimmy High School, which is our school, she pointed to herself and also May-ling, Seth and Cody, So here are all of your names, she takes out a piece of paper to read off of, she needs it or she'll forget. Okay, here we go! she hands the piece of paper to Shino, Justin? Shino asked Yes, those are your names, deal with it. Next to Kiba, Jesse? Hinata Tiffany? Shikamaru Garrett? Choji Chad? Ino Melissa? Gaara Dominic? Hitaka smirked at Gaara's reaction; hey, give the girl some credit. You have to admit Dominic is a hot name? Right? Well I at least think so. Temari Sarah? Kankuro Connor? Naruto David? Sakura Samantha? Sasuke What kind of name is Jason? Okay, weird name& Neji Danny? Rock-lee Scott? Ten-ten Alex?

Yes, now those will be your real names for my school. You are already registered, so you will receive your schedules tomorrow, don't worry we'll show you around and you'll get along just fine! May-ling explained for the group. Then a splendid scent filled the room at first only Kiba could notice it, since he has the best sense of smell, then everyone else started to notice it. They all followed the scent, and it led them into the kitchen. There in the kitchen there was Hitaka standing in front of a big pot with smaller ones boiling on the stove. What is it? Shikamaru asked, It's the best food in the world!!! RAMEN!!! Naruto exclaimed at the top of his voice, and ran over next to Hitaka. Yes you're right it's ramen! Miso Ramen it's almost done, I hope everyone likes it; it's been awhile. After that Cody came into the kitchen running, Ramen, Hitaka's ramen? Where? Where? Cody exclaimed full of excitement. Seth slowly emerged out of the shadows; no one even knew he was there, except for Hitaka since she was talking with him earlier It's been a while since you've cooked it hasn't it? Seth whispered, trying to not make it completely obvious that he was there, (mainly because of Ino and Sakura) Yes it has been a while hasn't it, well dinner will be ready in about 30 minutes. Hitaka said loudly so everyone heard Be prepared for the best ramen you've ever had! Cody said, bragging about Hitaka's cooking. The entire Naruto gang was shocked, not just of what Cody said, but at the volume, Jeez... He's louder than Naruto Inner Sakura said Oh Can't wait! Sakura said. All of the girls went into Sakura's room, discussing girl stuff. Some of the boys went into Hitaka's backyard to talk. May-ling walked outside, wearing her light blue Ugg boots, under the night breeze she shivered and her mini shirt lifted a bit, because of the wind, but she held it down with her hands. Akamaru ran over to May-ling, she bent down and scratched the dog You know, he used to fit on my head Kiba said while walking up to her and Akamaru he was wearing his gray jacket that was bought for him. May-ling watched as his eyes glittered in the slight moonlight that was out. Oh, hi Kiba. Akamaru just ran over to me, she paused just admiring him he really used to fit on your head? she finally said, snapping out of her trance. Kiba, May-ling and Akamaru talked, yes even Akamaru. Their conversation was interrupted because Hitaka came out with a

flour covered apron banging a pot Okay everyone dinner s ready we re gonna eat outside tonight, it s nice out. Hey May-ling can you help with getting the tables out? Seth can you help May-ling? Hitaka chimed in. May-ling got up from where she was talking with Kiba and walked over with Seth to get out the tables, while Cody got out bowls, and chopsticks. Everyone sat down waiting for their dinner, Hey, why did Hitaka say she hasn t made the ramen in a while, and why did she sound so sad when she said it? Naruto inquired. Seth was the one to answer that, Well before Hitaka s mother and father died, her mother left a couple of things behind, like this house, and a hell a lot of money. She also left a secret family recipe for different kinds of ramen, since Hitaka s mom use to make it when she was real little. She doesn t remember very much since her mind blacked it out, but she does know how to make the ramen and very well might I add. Seth said in a bit of a depression, everyone listened intently Seth can you help me with serving? Hitaka said with a couple bowls of ramen on a large platter Sure Seth agreed as getting up from his chair. So the ramen bowls were served and with a clicking of chopsticks there was a group Itadakimasu! Everyone ate eagerly, since they hadn t eaten all day and also it smelt like something heavenly it was hard to describe. Everyone was done with it quickly, and all put the dishes into the sink and counters in the kitchen. Everyone thanked Hitaka, and went up to their rooms for a good night s sleep. Hitaka and May-ling stayed up a little longer cleaning dish, and then talked a bit. Late at night around 11:00 Seth, Cody, and May-ling went home. Night Hitaka! they all whispered and went off to their homes.

Wow, was that a long day Hitaka said relieved as she jumped onto her bed See you ve finally came Hitaka Gaara whispered lurking in the shadows. Hitaka jumped up in surprise, forgetting she was sharing a room with him. Oh Gaara, I forgot you were sharing a room with me! she said out of breath, out of surprise. Gaara chuckled at Hitaka and just laid down on her futon, Have a good night, Hitaka-san Gaara whispered quietly as he stared out of her window, having a good look at the full moon. Hitaka, without thinking began to undress getting into her pajamas, Gaara, wondering what she was doing looked over to see a half naked Hitaka, she had just taken off her bra to reveal her chest Gaara yelped in surprise, and because of Gaara s yelp out of the surprise made Hitaka yelp in surprise, and embarrassment she covered her self with her hands GAARA!! she exclaimed What? It s not my fault! he said while covering his eyes and turning around, You could've said something Hitaka! Well sorry I thought you were asleep! Hitaka said sassing She quickly put on a red speggetti strapped shirt and black shorts There I m done. She said to Gaara who turned around and saw what she was wearing and started to get a small nose bleed, with the moonlight hitting her slim curvy body he got one, he was being such a pervert. What are you looking at Gaara? she questioned him suspitiously while walking over to him Nothing he said quickly while quickly whipping away the blood. Hitaka bend down right in front of Gaara with hand on her knees. Gaara, just by looking forward could see right into her shirt& right at her breasts, and just as quickly as the other nosebleed went, it came back and Gaara blushed slightly. Hitaka quickly noticed it and stood up straight, Gaara, Gaara, Gaara she sighted while walking over to her bed. Gaara laid down on the futon, and Hitaka lay on her bed underneath the covers Night Gaara she yawned, Yeah, night he responded, half there and half not.

Everyone went to sleep with one thing on their minds&. School. It was only one night away.

Okay I m going to take a break on ~Coming~ and work on my other stories, I hope you don t mind. Well hope you liked this chapter!!!

Gaara: man freakin nose bleed won t stop!

Hitaka: stop being a pervert Gaara

Gaara: hey whose breast were right in front of me?! It wasn't MY fault

Hitaka: You're still a pervert

Gaara; Hitaka, Hitaka, Hitaka sigh-

Me: -sigh- Both of you stop.

12 - First Day of School

Alright man Has it been a long while since I've written a chapter or what? Okay well FINALLY the first day of school ^0^ WHOOP! Okay here we go! Also I'm thinking bout going into the style I use to do earlier in the story, the main reason I stopped because I got too lazy so it might switch on and off, please bare with me.

Gaara: I am a red pencil box

Hitaka: What the frack?!

Gaara: I am a red pencil box

Hitaka: What the hell do you mean, a red pencil box? WTF?!

Gaara: box, box, box, box, box, box....

Hitaka shoots straight out of her bed to hear the sharp irritating noise of her alarm clock. "DAmn... Man was that a weird dream or what... And an even greater thing I have school today..." Then it hit her, "OH MY GOD I HAVE SCHOOL TODAY!!!" She ran into the kitchen grabbed a pot and a wooden spoon and ran through all of the rooms "TIME TO WAKE UP TIME TO WAKE UP!" She quickly ran into the kitchen and put the waking implements back and then ran back up stairs and told everyone to wake up, again, and get dressed in the clothes that they had put on yesterday. She herself changed into a black short-sleeved shirt with a gray tank top over it that had a blue and red broken heart in the center with a red rose at the bottom and part of a crescent moon near the bottom sides. She also slipped on some black and red plaid capris with black air walks. She decided to change before deciding to wake up Gaara. She slipped on her fingerless gloves and then shook Gaara awake, "Huh what, I didn't do it... Oh sorry Hitaka, uh... G'Morning" she nodded in some sort of response "Get dressed please, we have school, when you're done please come up into the kitchen." She yawned and then headed up the kitchen herself. Everyone was there and she got out small rice bowls and served up rice for breakfast with hot tea. They quickly finished and they all got the new book bags that they had received from school. They were black and white, for sophomores, each grade had different book bag colors and they got to choose what style of backpacks they wanted. Some of the girls got one shoulder strap messenger bags and some got one straps that hung on their back but the strap instead went across their chest. The boys all got regular two strapped backpacks just to keep it simple. Then just as Hitaka was about to go down stairs get her bag the door bell rang and May-ling and Cody stood at the door ready for school. May-ling wore jean Bermuda knee shorts and a blue spaghetti strapped shirt over a white tank top, but she always liked to look nice for school. Cody really didn't care too much but at least had a good sense of style, he wore blue billabong shirt with blue and black basketball shorts and black and white air walks. "hey gusy!" Hitaka said as her happy greeting, "Uh... Where's Seth?" "He's in the car, didn't want to come out." Cody answered, "Not surprised" Hitaka said while rolling her eyes then chuckled to herself. Everyone was at the door and they all walked out of the house, the girls went into May-ling's car, a blue Volvo wagon, but Temari went with Hitaka, also with Hitaka was Gaara, Kankuro and Kiba, she had a black '96 Chevy Impala. Cody had a black Focus ZX3 and he had Shino, Rock-Lee, Neji and they squished Sasuke between Rock-Lee and Neji. Seth had a silver Mitsubishi Eclipse and he fit in Naruto, Shikamaru, and Choji. They all drove off to the high school. They all unloaded and Hitaka hung out with the boys and May-ling hung out with the girls and showed them around and so did Hitaka and the boys. There were three girls talking two of them with an instrument case, one being smaller than the other.

One girl had short black hair and was wearing a green and pink beanie with some stars in front. She was wearing a black long sleeved shirt with a light pink shirt over it and jeans. The girl with the larger instrument case had short auburn hair with it covering half of her face. She wore a baggy green sweatshirt that said Lost and dark faded jeans. The girl with the smaller instrument wore a white and orange thin striped shirt with lace at the top and at the bottom of her shirt, and she, too, wore jeans. She had her brownish blonde hair pulled back in two French braids that hung down to her mid-back. The girls walked toward Hitaka and the boys when they saw her, "Hey, what's up and who are all of these guys?" the one with the smaller instrument case asked. "Oh well these are some ... friends of ours" Cody answered after squirming out of the crowd to see the three girls. "Ooooooh, that's cool want to introduce us?" The girl with the beanie asked. "Okay this is, Dominic(Gaara), Jesse(Kiba), Garret(Shikamaru), Chad(Choji), Connor(Kankuro), David(Naruto), Jason(Sasuke), Danny(Neji), and Scott(Rock-lee)." Cody addressed each one with a point, "Oh and this is Aki, Erin, and Samantha" Hitaka said pointing to each of the girls, Aki was the one with the beanie, and Erin had the smaller instrument and Aki had the larger instrument. The school bell rang and in a big mass they all went to their classes. Hitaka, Aki, and Samantha had 1st period together, Geometry. Shikamaru, Neji, and Sakura had the class too. When the teacher was done taking attendance she said the new students were to introduce themselves. "I'm Samantha" Sakura said sweetly. "I'm Garret" Shikamaru said lazily, "I'm Danny" Neji said while moving some hair out of his face so he could see. "Oh. It looks like we have two Samantha's. Very nice, very nice." "Just call me Sam, so we don't go getting confused over who's who." Samantha said. "Great Sam and Samantha, let's not get confused." The teacher said cheerfully. Samantha didn't know that Hitaka's friend was also named Samantha. Also, Hitaka had made a dreadful mistake, Samantha had 3 classes with Sakura and in 4 of her classes she had a girl also named Samantha, two of them now Sakura. She forgot, while making nicknames about Sam and gave an apologetic look to Sam who just nodded saying it was alright. Everyone from Naruto had every class with someone they knew, whether it be their new friends or their already friends from Naruto. Finally after the fourth period bell rang for lunch everyone rushed out of their classrooms for the lunchline. They actually served real food, that was actually HEALTHY for you, but it wasn't too bad, it actually tasted good too, unlike the food from elementary school that had purple polka-dotted hot dogs and sugar water that was disguised by saying vitamin. But when they all sat together they took an entire row in the lunch room, so they just decided to go outside and eat. Everyone was introduced to each other. Sam glared at Sakura, she didn't like her, she seemed like a slut, and that definitely was for sure. She flirted with all of the guys that came up to her, and acted all cute around them. She fit in with the popular girls just fine, all pink and pretty, definitely pretty slutty. Well, Sam watched Naruto and though Sakura was cool, but wasn't her favorite character. Since she learned she was actually Sakura she might change her opinions about her, but for now they were stuck. Sakura sat right in between Sam and Seth and started to chat with Seth and completely ignored the fact she had stepped on Sam's lunch, not making it so she couldn't eat. Sam just got up and threw everything away. She sighed and decided to sit next to Hitaka with May-ling. They all chatted and the lunch bell rang and were all out to their classes.

Okay so how do you think, do you guys like the dreams? Like have the dreams like this and the rest of the dialogue regular? Well I'll try to get the next chapter up.... eventually haha comments welcome

“So...” Aki said while trying to think up of something to say.

“Awkward silence...” Erin followed.

“Hey you guys there’s something I need to tell you all, and well... How ‘bout you all come over to my house this afternoon?” Hitaka offered.

“Sure! Love to!” Aki and Erin chimed in together and then giggled at the notion.

“Sure.” Sam agreed too. Everyone else was already going over to her house so she decided it’d be good for everyone to know who these “new students” were. Only Sam watched Naruto along with Seth, but other than them they no one really watched the show, so they didn’t really know what was up with the name changing and all of that.

Hitaka and her giant herd of people drove back to her house and sat themselves in the living room. “So, now is the hard part, you know all of these new students look a bit odd, the pink hair for instance,” Sakura slightly shrunk in her seat. “Well the thing is... All these new people are from... a television show” Hitaka barely grumbled out.

“Oh! That’s why they looked so familiar I didn’t really want to ask, Hitaka, because you know a person could’ve just dyed they’re hair that pink or... Well... they could’ve all been Otaku’s and really good at cosplaying!” Seth said in wonder.

Sam stared at them intently and after noticing they’re somewhat familiar looks she jumped and couldn’t help but yell, “You’re all from Naruto! That’s amazing! How did you get here? Or are you guys, like Seth said major Otaku’s and really good at cosplaying?” Sakura stepped up and nodded.

“Yes we are from... This show you call Naruto. We came here on a mission. But when trying to complete our mission we were stuck and couldn’t go back to our village.” She stated in a matter of fact tone.

“Wait... These are the people that you talk about all the time?” Erin questioned Seth, Hitaka and Sam. They all just nodded in response. “So how did you guys get here?” Neji then stood up and addressed them.

“We all went through television , it was used as a portal to get us here. A very difficult jutsu was used to get all of us here, and I don’t think that it was powerful enough or strong enough to stay in session for that long to help get ourselves back. In conclusion, we are not able to get back to our village because we can’t get back through the television.” He concluded. Erin nodded and quickly understood, still a bit confused though, but anyone would be fairly confused when just hearing this information.

“So... Well do you all understand...?” Hitaka took a chance in asking.

“So this guy,” she pointed to Gaara.

“Why yes it is,” Hitaka responded, “why do you ask?”

“So this is the guy you’re always ranting about!” She exclaimed in pure giddiness. Hitaka couldn’t help but blush since Gaara was right there.

“Can’t we talk about this some other time?” Hitaka exclaimed while slightly blushing.

“Oh come on, now I want to know what this girl is talking about.” Gaara gestured to Aki out of fascination .

“Oh it’s nothing!” Hitaka tried to cover up, “So... you guys I think we should all do our homework and--”

“So Aki what’s this about Hitaka ranting about Gaara...?” Cody interrupted .

“Yeah well all of the time she just has a tendency to rant non-stop about Gaara. Gaara this. Gaara, that. It’s actually really funny to listen to. Yeah he has this really awesome attack that just goes ... yeah see what I’m saying?” Aki couldn’t help but giggle and Hitaka couldn’t help herself from blushing deeply in front of Gaara. All Gaara did was chuckle slightly and then stood up and left the room into Hitaka’s.

“Yeah... We should show you guys what it is that you need to know what to do about your homework!” Hitaka suggested.

“Wow I’ve never heard you so enthusiastic about your homework!” Cody jabbed.

“Well it’s never too late to start!” Hitaka said while skipping into her room.

“Wow... I really never have heard Hitaka so enthusiastic about her homework,” Cody paused thinking about what could possibly have caused this sudden enthusiasm in homework, “I think she’s sick.” he concluded.
