suzy said

when suzy got there her sis asked

what do u want for chistmas

all suzy could say was a raggedy ann doll

so on christmas brittney gave suzy a raggedy ann doll.

## 2 - the curse begins

suzy me and mom are going out to a restaurant

we'll be back at 6:00 if you need anything we hired a  
babysitter.

brittnay said as she walked out.

suzy went back to playing all of a sudden

she heard foot steps.

and singing

*suzy i'm alive*

*suzy i'm gonna get you*

*suzy i got a bucthers knife*

*suzy i'm walking up the stairs.*

as soon as she heard it she ran in her closet

wich led to her moms room.

*suzy i'm in your room now*

*suzy where are you.*

suzy ran down the stairs to find the

babysitter dead.

then her sis came

britt raggedy ann's alive

are you mad how can a doll

be alive. brittnay said.

it's true said suzy but

it was to late the doll killed her sister the rest of them survived

the doll they burned.

### 3 - nightmares

suzy told her friends about this

well she really told everyone.

they were all scared except one

boy named corey who didn't believe

in any ghosts or dolls coming alive

she even told him the song he still

didn't believe.

though at night he was scared but told

himself nothings wrong ghosts aren't reall

everyone else had nightmares of suzies story not

corey.

since he didn't believe he died.

no one found the murder weapon but suzy claims

the doll killed him because he didn't believe.
