1 - Gigi-Chan (The Creator!)

Alias: Gigi-chan

History: I've started drawing when I was little as...probably when I was able to pick up a writing utensil!!lol I made stories and movies(slide shows) all homemade. It was really fun but my parents only saw it in their eyes nobody really saw it until I got interested in Anime and Manga. My potential grew - they said but I'm still a beginner. But I keep working hard!

Love life: Uh...let's just say there are things best un-known...

Fav Saying: "But I like the cookie!"

What type of person are you?:

Dork of a geek that is critic for movies and such forth (XDDDDDD Ain't I so positive?)

Any plans:

Present Day and Near Future: Make Original Characters and Manga

Distant Future: Go see Japan, eat **REAL** ramen, get married to a **NICE GUY** and have at least 5 kids
-.-*nods* (everyone looks at me weird) I like kids :D!lol
