Chapter 1 - Forever

1 - Forever

Forever

I try as hard as I can
I promise, I won't let you go
I'll let you hold my hand
If you need anything let me know.

I'm going crazy
I try as hard as I can
Just to be there for you
Just to understand.

I'm right behind you
Lead the way
I'll be here to protect you
I promise I'll stay

I'll keep your secrets
Hide them from the world
it so you have no regrets
Be sure your cries will be heard

If you let me, I'll help
I'll be there every day
I'll watch your back
I'll wash all your sins away

Just give me a chance
Open your heart
Just let me in
I'll take care of you forever...
