# 1 - In Just A Second

In Just A Second

In just a second,  
Your life could change.  
In just a second,  
Nothing would be the same.

In just a second,  
Your world could collapse.  
In just a second,  
You couldn't turn back.

In just a second,  
You couldn't say good-bye.  
In just a second,  
The ones you love could die.

In just a second,  
Without caring or knowing  
In just a second,  
Your grief would be growing.

In just a second,  
A tear rolls down your face.  
In just a second,  
You realize what took place.

In just a second,  
You know about the planes.  
In just a second,  
You know nothing will be the same.

In just a second,  
People come to your aid.  
In just a second,  
You realize the price you just paid.

In just a second,  
You search for the ones you love.  
In just a second,  
You pray to God to send angels from above.

In just a second,  
You realize they're gone  
In just a second,  
You never thought a second could be so long.
