1 - When Vampires Attack

They're coming to get us
I feel it in the air
The scent of evil
Chaos and despair

They smell my blood
and up they rise
Undead for ever
now comes my demise

With bat like wings
and pointy teeth
sucking the blood
of all they meet

He points at me
and then he screams
Come join us now
Its a better life then it seems

I'm one of them now
A vampire too
You'd better watch out
cos i'm after you XP XP
