**Chapter 1 - Solitude**

**2**

# 1 - Solitude

Sitting here  
Freezing my bones  
Crying here  
Wishing that he'd come home  
I waste my days away  
Looking for happiness that will stay  
In your arms is where I want to be  
Nobody can take that feeling away from me  
Baby take me away from here  
Show me what it's like  
To live a life without fear  
And

Chorus:  
{Solitude  
It's not what I came here for  
Solitude  
Just to escape the pain I felt before  
Solitude  
Is no friend to me  
Solitude  
Somebody save me PLEASE!}

I searched in vain  
For somewhere safe  
I cried in pain  
When I felt her hate  
I'd just stare at your picture  
While she'd scream at my sister  
Then when I'd call you  
Things I meant to tell were just too hard to  
You knew of my fear  
But the picture wasn't clear  
I really need you now  
Eternal love I vow  
And

{Chorus}

I can't stand to be alone  
I'm depressed and no one's home  
Just call and say you love me

Is my loneliness that hard to see?

{Chorus X2}
