1 - Hero

If I was gone would you miss me,
would you cry?
Would you call my name and
come and save me?
Cause I need my hero now, more than ever.
I need your strength,
your heart,
your devotion.
I need you now,
more than you could ever know.
The evil is taking its grip
And i am left right here,
in the middle of this horror.
So i need you to save me
come and take me away
i need your
strenth, heart and devotion
to me...
i need my hero today.

If i was all alone
lost in the woods, so far away
Would you hear my call
would you come so far to find me?
Cause I need my hero now, more than ever.
I need your strength,
your heart,
your devotion.
I need you now,
more than you could ever know.
The evil is taking its grip
And i am left right here,
in the middle of this horror.

I need my hero Today.

If i was stuck in the middle of this war
would you give up your pride
give up your life and run
to my side??
Oh tell me now,
how i can i live in this world

with no heros ever again??

Cause I need my hero now, more than ever.

I need your strength,

your heart,

your devotion.

I need you now,

more than you could ever know.

The evil is taking its grip

And i am left right here,

in the middle of this horror.

Oh i need my hero,

Today.
