Chapter 1 - Slipped Away

1 - Slipped Away

Na na, na na na, na na
I miss you, miss you so bad

Kagome walked on slowly, her wounds slowly killing her with every painful step.

I don't forget you, oh it's so sad
I hope you can hear me
I remember it clearly

She trudged along the muddy roads of the Fuedal Era, the rain falling on her. With every heart beat her head pounded violently.

The day you slipped away
Was the day I found it won't be the same

A sharp pain rushed through her body. Kagome cringed. She closed her eyes, but quickly opened them.

Na na la la la na na

I didn't get around to kiss you
Goodbye on my hand

Everytime she closed her eyes, their deaths were there. Sango's, Miroku's, Shippo's, Kirara's, and most of all.... Inu-Yasha's.

I wish that I could see you again
I know that I can't

Inu-Yasha, the one she loved. His death was the most painful to her. Shippo, Miroku, Sango, and Kirara were such great friends. Inu-Yasha had been so nice to her before he died.

Ooooooh
I hope you can hear me cause I remember it clearly

Inu-Yasha was about to tell her his feelings...when Naraku sliced the half demon's head off. Kagome had gone mad at Naraku. She had grabbed Inu-Yasha's sword and threw it at Kanna- who had Naraku's heart.

The day you slipped away
Was the day I found it won't be the same
Oooooh

The heart was pierced through by the sword. Naraku had died, but not before getting Kagome with a good blow.

*I had my wake up
Won't you wake up
I keep asking why*

Now, Kagome walked through the rain, her tears being washed away. She was going to die, all alone.

*And I can't take it
It wasn't fake
It happened, you passed by*

Everyone was dead. She still hung onto life; but by a very breakable thread.

*Now your gone, now your gone
There you go, there you go
Somewhere I can't bring you back*

Kagome stopped and grabbed her backpack. She opened it- and there was Inu-Yasha's sword. Just looking at it made the tears pour. She looked at her reflection in it and took pity on herself.

*Now your gone, now your gone
There you go, there you go,
Somewhere your not coming back*

Kagome walked on, looking at the sword. She bumped into something. She looked up to see the Sacred Tree. She saw Inu-Yasha, pinned to the tree. Kagome put her hand out, but the vision had disappeared. Kagome just couldn't take it anymore.

*The day you slipped away
Was the day i found it won't be the same noo..*

Kagome sat down on a root and held the Tetsusaiga. She wanted the pain to stop. She wanted to be with her friends and her love.

*The day you slipped away
Was the day that i found it won't be the same ooh...*

She stuck the sword right through her heart. Blood gushed out, but she felt no pain. Only peace and happiness. She could see everyone on Kirara, waiting for her. Inu-Yasha was smiling and putting his hand out. Kagome smiled one last time, before fading into the afterlife.

*Nah nah, nah nah nah, nah nah
I miss you*

(authors note: Well, I hope you liked it. I just thought this song was sad enough for this fic)
