1 - the begining

kagome and the ghost[br]

"Inuyasha!" yelled kagome "Were are you?!" she asked ,very agrivated. "Kitchen." he yelled back. Tonight kagome was going to a restaurant with Inuyasha he had invited her on a date. She was wearing a tight, dark red dress that went down to just above her knees and cost a hundred dollars. Inuyasha had bought it for her for her birthday. "Okay sorry for yelling Inu!" she apoligized. "Its cool" he replied . Right now inuyasha was pacing around the kitchen very nervous ,at least her parents and grandfather are in vegas and her brother is at a relatives he thought. kagomes parents had asked him to keep a watch on her because she couldnt leave because of school. They didnt know her and inuyasha were dating. Meanwhile kagome was curling her hair, she never had curled her hair before it was easy though. Next she put on her pearl earrings and necklacxe. She looked down at her red nails and soft white hands, the were shaking. Why am I nervous? she asked herself . She couldnt answer her own qinguestion. Her high heels were in her room so she walked dizzily towards the door. "Dont move" a voice warned her she spun at a dangerous tilt and saw it. "AHHHHHHHHHHHHHHHHHHHHHHHHHHHHHH help help me HELP!"
