grunted at the sudden noise. "BE QUIET!! I'M ONLY 3 LEVELS AWAY FROM FINISHING THIS GAME!!" she yelled, never taking her eyes off the screen. Mez says: Zim slowed his pace as he neared Dib's house. He strolled up the walkway, and stopped at the door. "Victory....." he whispered in anticipation. Dragonfly says: "GOOOOOOOOOOLOOOOOOOOOO!!!!!!" Mez says: (O.o) Mez says: (Is that in the rp?) Dragonfly says: ya Dragonfly says: () Dragonfly says: (Dib is cra-zy) Mez says: (I KNEW IT!!!) Mez says: Zim screamed and lost his balance. "WHO DARES SNEAK UP ON ZIIIM??!!" he screeched outraged. Dragonfly says: Dib lunged at Zim and tackled him to the ground. "WHERE ARE YOUR PANTS MISTER MOOUMAN?" He asked in a very familiar voice. Mez says: (I CAN'T STOP LAUGHING!!) Mez says: Zim stared in shock at Dib. He was speechless, to say the least, at Dib's behavior. Dragonfly says: Dib sat down and started to stuck on his thumb; drool spattered everywhere. Mez says: Zim's eye twitched, as he watched Dib. He had expected a dramatic final battle against his arch-nemesis. "What.....Is wrong....with you??!!" he managed to blurt out. Dragonfly says: "Meeellooooooof! I love your head!" He replied in a girly voice. Mez says: Zim stared in disbelief. His cloaking device had shut down so he was visible. He got up and started to slowly back away. "Please let this be a horrible dream!!" he mumbled. Dragonfly says: Dib ran back into his house and sat next to Gaz. Mez says: Gaz grunted and continued to play her game. "If you value your life, then I suggest you leave." she stated. She was now on the last level and didn't dare look away from the small screen. Dragonfly says: Dib ate her Gameslave 2.... Mez says: Gaz was motionless... She stared at her older brother in growing rage. Her empty hands formed fists and fire burned in her eyes. "You've just made the biggest mistake of your life..." she said in monotone. Mez says: "I will wait until you sleep, and then I will stuff all your paranormal JUNK, into your big, giant paranormal HEAD! AND CHEW ON YOUR EYEBALLS AFTER I PLUCK THEM OUT!!!" she screamed, pinning Dib to a wall. dib spit a large fat blob of mucus at Gaz and ran away.... Mez says: Gaz yelled and ran after him, screaming curses. She didn't care about spit, she only cared about getting her Gameslave 2 back. "I'm going to rip open your stomach to get my game back!!" she informed, her eyes like fire. Dragonfly says: Dib went to the bathroom...did his business...and ran out screaming like a little girl.... Dragonfly says: (can you picture that Mez says: (O.O Thankfully not...) Dragonfly says: (can you picture a man going into an outhouse and then come out screaming like a little girl. What he had seen, had troubled him more than any battle could have. Dragonfly says: Dib appeared on the screen of Zim's computer. "I SEE YOU!" Mez says: (DIIIB!!!) Mez says: Zim screamed and fell on the floor. "HOW CAN YOU CONTACT ME?! I SHUT OFF ALL CUMMUNICATION LINKS!!" he yelled, rubbing his head. Dragonfly says: (g2g) Dragonfly says: (bye!) Mez says: bye! Just as they were about to speak, someone smacked into the door. A loud thud could be heard on the other side. Dragonfly says: "What was that?" Dib asked out loud. Mez says: A muffled voice could be heard. "Why is it that Dib can smash through doors with his head, and not me???" Dragonfly says: Dib slowly opened his door. Mez says: Caitlin was lying on the ground on the other side, a large bump on her head. Dragonfly says: Dib just blinked. He shrugged and closed the door, turning back to his fellow Swollen Eyeballs. Mez says: "Your eyeballs can wait..." she stated, not understanding. Dragonfly says: "Can you go away....now....please" Dib mumbled to her. Mez says: Zim could now blink, which was a huge accomplishment for him. Dragonfly says: "I'm trying to impress the Eyeballs!" Mez says: "No." She replied, looking at Dib oddly. Dragonfly says: "Be a hero to the weird people OUTSIDE!" He screamed at her while dragging her out. Dragonfly says: "You and your stupid BAT! Might as well be BAT GIRL!" Mez says: Zim miraculously managed to activate his communicator. "G...Gi..." he tried to form words, fighting the numbness. Dragonfly says: He pushed her out the front door. He closed the door and locked it ten times before climbing up the stairs ...again. Mez says: Caitlin frowned. "Oh, just because I was going to smash your computer you kick me out!" Mez says: Zim struggled with the last syllable. "GIR!!" he yelled into the device. Dragonfly says: (wasn't Gir with a hippo?) Mez says: (Oh yeah, in Six Flags.) Dragonfly says: (isn't Zim in a room filled with agents?) Mez says: (On a computer...) Dragonfly says: (...OKAY!) Mez says: The Eyeballs were too busy disusing among themselves to notice Zim's yell. Dragonfly says: (wait...Gir and the hippo were on the street...) Mez says: (Oh...) Dragonfly says: (they fell from the sky remember) Dragonfly says: The hippo lingered around while holding Gir's hand. Mez says: Gir's head popped open, a communicator emerging from it. "Hiya master!" he greeted, waving his free hand. Dragonfly says: The hippo smirked as he grabbed the communicator. Mez says: Zim continued struggling. "Gir, g...et...ov...er...he..here..now!!!" Dragonfly says: The hippo quietly lead Gir to Dib's backyard. Mez says: Gir danced the entire time. Mez says: Caitlin started banging on the door. "I'm being annoying!!" she yelled, trying to buy Zim time. Dragonfly says: Meanwhile somewhere in Japan.....Supa-ultra-dino-B-Mushyroom was looking for Mez. He flipped over every store that crossed his path....in the city... Mez says: (lol) Mez says: Caitlin started using all of the resources around her... But there weren't any, so she continued screaming random facts at the top of her lungs. "IRKENS NEED PAKS TO LIVE!! I HATE I Z ROMANCE!!! PEOPLE ARE DUMB LIKE MOOSE!!! ZIM FLEW TO THE MOON IN A ROCKET OF FLAMING CHEESE ONCE!!!" Mez says: Gir stopped dancing and stared at Dib's house. "That's a good spaghetti!!!" he squealed. Dragonfly says: Dib reached his room. He saw Zim trying to escape, so he lunged at him. "You are not going any where!" Mez says: Zim started to struggle against the chains slightly. "FOOL!! Di...d...you...rea..lly...thin...k...tha..t..I...could...be stopped...THAT...eas...ily?!" asked, smirking. Mez says: (*he asked) Dragonfly says: Dib stuck a Lego container over his head. Dragonfly says: (those things are like death traps) Mez says: (Yaa....Can Zim breath?) Dragonfly says: (sorta) Mez says: Gir walked over to the door and attempted opening it. It wouldn't budge, due to the locks, so he sat on the ground with a wide grin covering his face. Dragonfly says: The hippo sat next to him with a large candy cane in his mouth. Dragonfly says: (do you want to stop

for now?)Mez says:(....)Mez says:(I guess...)Mez says:(Okay!)

6 - Is this the end for Zim?

Mez says:(Kay!)Dragonfly says:(Hi)Mez says:Zim's muscles were beginning to relax, for the numbness was wearing off. Underneath the Lego container, Zim grinned.Mez says:(I have writer's block! Woo!)Dragonfly says:(YAY!)Mez says:Gir stood up and waddled over to the door again. He stepped over Caitlin, who was now writhing on the ground.Dragonfly says:The hippo sneezed and his candy can popped out of his mouth.Dragonfly says:(*cane)Dragonfly says:Back in his room, Dib began explaining all his scientific/paranormal accomplishments to the EyeballsMez says:Gir, who was about to knock on the door, whirled around and jumped on the hippo. "BACON!!!!" he screamed, his voice so high pitched that a few windows on the house shattered.Mez says:Agent Darkbootie seemed to be the only one listening to Dib. All of the other agents were whispering among themselves and studying Zim.Dragonfly says:The purple hippo just stared at him with large googly eyes.Dragonfly says:Dib was so happy that he shined a great big smile at Zim. "Thanks for being so weak!"Mez says:(Your welcome!)Dragonfly says:(WEEE!)Mez says:Zim twitched, but remained silent, trying to break loose.Mez says:He had regained control over his claw-like fingers, and was busily wearing down pieces of the chain.Dragonfly says:Suddenly the Hippo burst through the wall; Gir in paw. He shook him self silly and knocked over Zim in the process.Mez says:Zim left out a startled yelp as his head bashed against the hard floor. "INSOLENT HUMAN STINK-CREATURE-PIG-SMELLY-DIRT!!!!" he screamed in rage, blowing his cover.Mez says:The eyeballs stared, shocked and confused.Dragonfly says:The hippo gently put Gir down. Then he sat on Zim with a great thump.Mez says:Gir proceeded to climb on Dib's head, giggling madly. He was in his doggy disguise so he wasn't in danger of being discovered.Mez says:A random agent spoke up. "HA! A PURPLE HIPPO!! I TOLD YOU THEY EXISTED!"Mez says:Zim winced before letting out another long rant. "AS YOUR FUTURE RULER, I DEMAND THAT YOU STOP CRUSHING MY GLORIOUS SPINE!! OBEY ME YOU....Eh...OSTRICH!!" He didn't know what a hippo was, so he made a guess.Dragonfly says:The hippo slow got up...but then fell back down on ZimMez says:"MY SPINE!!" Zim yelled in pain.Mez says:Gir finally got to the top of Dib's head. "I've climbed da mountain!!" he declared.Dragonfly says:Dib just laughed as he took even more pictures.Dragonfly says:Dib just noticed Gir on his head. "GAHH! GET OFF ME YOU ROBOT!"Mez says:"AVALANCHE!!!" Gir screamed, clutching onto Dib's hair spike.Dragonfly says:Dib ran around his room trying to get Gir off of him. He ran into his bed; smashing it to bits. He knocked into his computers; smashing them to bits. he ran through the wall....and continued to run.Mez says:The connection to the Swollen Eyeballs was severed.Dragonfly says:The hippo ate what remained of the broken computerDragonfly says:then sat back down on Zim....Mez says:Gir screamed with pure glee, master never played games with him like Big-head did. "MOUNT BIG-HEAD IS COLLAPSING!!! HEAD FOR THE BATHROOM!:" he squealed, pulling on Dib's hair spike. He was using it to steer, or at least he was trying to.Dragonfly says:Dib, somehow , ran into an out house. Dragonfly says:Then he came out screaming....because.....Dragonfly says:that is what out houses do!Mez says:(Yay! It's a reference to another chapter!)Mez says:(lol!)Dragonfly says:(lol)Mez says:"LEFT! LEFT!! NO, RIGHT!! GO TO THE RIIIGHT!!!!" Gir ordered, yanking on the spike in the corresponding directions. "NOOOOO!! LOOK OUT FOR THAT CLIFF!!"Dragonfly says:"WHAT CLIFF!" Dib asked in a panic, "WHAT....AHHHHH!!!!!"Mez says:Gir was actually referring to a garden hose.Dragonfly says:Dib tripped over that....Mez says:Gir hopped off at the last minute and started singing to the hose. Dragonfly says:Dib hit the ground with great speed. He tried gathering his mind, but the impact was too strong. "Where am I?"Mez says:Gir noticed this, and skipped over to him. "Your in Alaska! Home on the range! Where pies do jiggys alllllllll day!" he half explained,

half sang. Dragonfly says: Dib blinked twice before asking, "Who are you?" Mez says: Zim's spider legs shot out of his PAK, throwing the hippo off of him. When he realized that he still couldn't use his real legs, he simply lifted himself in the air with his mechanical ones. "The Dib will pay for that torture..." he stated menacingly. Dragonfly says: The hippo nodded in agreement. Mez says: Gir spun around and exclaimed. "I'm the great mountaineer Bob bahooman!! And your the mule!" Dragonfly says: "Really? Okay....if you say so....EEHAAA!" Dib began to prance around like a little baby donkey. Mez says: Gir was delighted at this response and pranced around with Dib. Dragonfly says: Dib started chew on some grass. Dragonfly says: (to) Dragonfly says: (he go crazy again) Mez says: (WEEEE!!) Mez says: (But this time he's a donkey!) Dragonfly says: (TOAST OF JELLY!) Mez says: (HAHHHHAAA!!) Mez says: Zim ignored the hippo and jumped out of the window, using his spider legs to jump from house to house. Dragonfly says: The hippo just summoned a magical flying cloud, and followed slowly... AT SPEEDS of great velocity! Mez says: Once the room was empty, the door swung open, revealing a very angry Gaz. "I want... my.... GAMESLAVE!!!" Dragonfly says: Dragonfly says: (brb) Dragonfly says: do you want to stop there? Mez says: ok

7 - Apparently not...

Mez says:(Hi!)Dragonfly says:(hello!)Mez says:A hand suddenly sprout out of the ground in front of Dib.Dragonfly says:(I'm MEZ!!!)Dragonfly says:(just kidding!)Mez says:(Wha?)Mez says:(Oh! HEEEEHAW!!)Mez says:The hand started clawing at the air feebly, hitting Dib a few times.Dragonfly says:Dib spun around and landed on the groundDragonfly says:"Ow!"Dragonfly says:(lol.....)Mez says:(Donkeys don't say ow! SILLY MONKEY SODA!!)Mez says:After groping for a minute, another hand popped out of the dirt.Dragonfly says:(I want donkey to say ow!)Mez says:(Fine! Yeeesh!)Mez says:Finally, with a lot of struggling, Mez crawled out of the earth. She was covered in dirt and was gasping for breath.Dragonfly says:Supa-ultra-dino-B-Mushyroom popped out of a tuna fish can that was placed next to her for some odd reason...Dragonfly says:"Be silly princessDragonfly says:....NOW!!!"Mez says:Mez twitched. Apparently she had dug a hole through the Earth for nothing. "I THOUGHT I LEFT YOU IN JAPAN!!" she yelled.Dragonfly says:"YOU ARE IN CHINA MY DEAR!!!"Dragonfly says:"Every hole you dig always lead to China!"Dragonfly says:Supa-ultra-dino-B-Mushyroom sun around and tapped her on the head with a telephone. Suddenly she began to glooooww.....and turned into a purdy princess girl with a unibrow!Mez says:(O.O Did that happen to Mez or the mushyroom?)Dragonfly says:(Mez)Mez says:(O.O Oh my...)Dragonfly says:(LOL!)Mez says:Mez didn't let this faze her, however, and walked over to Dib. "Are you sane?" she asked calmly.Dragonfly says:Dib looked up to see a pink lady. "OOOHHHHHHHHH!!!!!!! You purdy princess pinky! oh...EEEHAAA!"Dragonfly says:(LOL!!!!)Mez says:(LOOOOL!!)Mez says:(Lots of of of of laughs)Mez says:Mez sighed. "Nope." She strolled over to Gir, opened his head, and took out a wig. She quickly went back to Dib and put the wig on him. "Mister Mushyroom! That princess is far more in need then I'm in! Just look at her overly large head. Please, take care of her instead!" she said dramatically.Dragonfly says:"Oh my good golly goshy! She needs my help!" The Supa-ultra-dino-B-Mushyroom sang. He ran over to Dib and punched him.Mez says:(LOL!!!)Dragonfly says:A glowing light appeared around the wounded Dib. He twisted and turned (To the Conga SONG! lol!). He was now wearing a girly yellow dress! With roses all over the place, and blue lip stick on his lip! He had freakishly high high-heeled shoes on. He had a wittle puppy in his shiny crown.Dragonfly says:(TRY PICTURING THAT!!!)Mez says:(IT BURNS!!)Mez says:Mez was too disgusted to take pleasure in her handy-work. Scowling, she picked up a sharp rock and threw it at the mushyroom.Dragonfly says:The mushyroom dodged the attack and quickly threw a large pile of fungus at herMez says:Mez rolled out of the way, "What kind of weapon is fungus?" she asked, throwing another rock.Dragonfly says:"A stinky one!" He replied as he chucked another one at herMez says:She stopped to contemplate the new knowledge, mid-throw. "Stinky?" she asked, before being buried underneath the fungus.Mez says:Gir walked over to Dib. "OHHH!! NOW YOUR A GIRLY GIRL MULE!!" he giggled.Dragonfly says:Dib giggled at Gir's remark before skipping away to pick flowersMez says:Gir started to follow him, when his eyes fell upon the supa mushyroom. "PIGGY!!" he squealed, running over to him in slow motion.Dragonfly says:The supa-mushyroom ran away.....in slow motionMez says:Gir started to slow down...In fast motion. Which is the equivalent to running normally.Dragonfly says:Supa mushyroom fainted because of the strain of suspenseMez says:Caitlin jumped out from behind a bush. "AHA!" she exclaimed, pointing at everyone in turn.Dragonfly says:(O.O)Mez says:"IT WAS YOU!!" she accused, pointing at Dib.Dragonfly says:Dib stopping picking flowers to peer at the one pointing and yellingMez says:"YOU CALLED ME BAT-GIRL!!" she snarled, all of the Invader Zim fan love gone from her eyes. It was obvious that she was hyper. Either that, or she was trying to prove that she wasn't a fan girl.Dragonfly says:Dib quietly placed his puppy down from his beloved crown. He

sighed and walked slowly toward Caitlin; flower in hand. When he was at least a foot away, he placed the flower on her head. He backed away slowly with a giant grin running across his face as the flower twinkled against the mid morning sun. Mez says:Caitlin's eyes sparkled, momentarily stunned by fan girlish thoughts. The moment was ruined, however, when Mez handed her a slushie. She quickly gulped it down, a crazed gleam clouding her eyes.Dragonfly says:Dib danced around like a happy deer. He crossed paths with an incoming rock; knocking him out cold.Mez says:Caitlin looked at Mez and raised an eyebrow. "What happened to YOU?" she asked, slurping on the icy drink.Mez says:Mez growled, "Nothing." She then walked away, shaking her head.Dragonfly says:Sponge Bob ran across your mind!Mez says:(AHHHHHHHHHH!!!!!!)Mez says:Caitlin stopped pretending and walked over to Dib. "Heeeeeeey." she said, nudging him with her foot. "You okay?" she asked. She had faked being hyper to stop herself from having fan girl ideas.Dragonfly says:Dib started to cry. Shaking his head and hugged Caitlin like a snake. Dragonfly says:"I don't WANNA!!!!!" he cried outMez says:Caitlin tried to pull him off. "You're squishing my Invader Zimmish organs." she informed him.Dragonfly says:Dib quietly fell off of Caitlin and headed toward his room...or whatever is left of itMez says:Caitlin sighed and followed Dib. "Look, I'm sorry that your insane right now." she apologized lamely.Dragonfly says:Dib laughed. He laugh so hard that the earth beneath him shook. Dragonfly says:He began to fly away in laughter as the world swallowed him upMez says:Seeing that her apology had no effect, Caitlin jumped in front of Dib, blocking his path. "WHY ARE YOU SUDDENLY SO INSANE???" she asked loudly. After a moment of thinking, she came up with an answer. "Is it because you were about to finally beat Zim and get the recognition you deserve when suddenly all of your careful planning was crushed when his idiotic robot beat you???????"Dragonfly says:"You got that right sista!"Dragonfly says:Dib stated as he put his hands on his hipsMez says:She nodded, a smug smile on her face.Dragonfly says:.."Lets go shopping!" Dib stated to Mez while pulling her away toward the local mall of Doo...STUFF!Mez says:(Mez or Caitlin?)Dragonfly says:(Mez....)Mez says:(ok)Mez says:Mez looked very confused. "How did you know that I was hiding in that tree?" she asked.Dragonfly says:"I know everything!" Dib replied as he pulled her away to shop for underwearDragonfly says:at the pet store!Mez says:Mez's eyes darkened, "Then I'll have to do something about that, won't I?" she asked in a creepy voice.Mez says:Zim, who had been following Dib for a while now, stopped to rest in the tree he had been scouting from. He was wearing his disguise, and his spider legs were supporting him, due to his still useless legs.Dragonfly says:The hippo slowly stopped 2 in away from Zim. He got off his trusty cloud and mumbled to him self. He sat right next to Zim...and began to snore loudlyDragonfly says:(2 inches)Mez says:Mez heard the snoring and inclined her head. "What's that sound?" she asked.Dragonfly says:(I'M ALIVEEEEE!!!!!!)Mez says:(YAAAY!!)Dragonfly says:(I'm falling asleep....)Mez says:(We can continue some other time, then.)Dragonfly says:(yada!)
