Chapter 1 - GROW UP

1 - GROW UP

GROW UP!!!

I hate being told what I don't want to hear
Being told to grow up
Why do we need to do it right then and there?
I was told to grow up
But the one who told me
Was mean and grumpy
Why would I want to?
I'd be just like you
Sitting in a chair at a cubical
Doing nothing but work
If I were in a cubical
I'd be spinning the chair and making a muck
If I grew up
I'd throw up
Because I can't stand the thought
Of not having a care...
